HE'LL BE THERE STARTING TONIGHT

South Parsons Merchants Jubilee To Be Host To Santa Claus Six Nights

SANTA CLAUS Will Be On South Parsons Ave. For Two Hours Each Night, Starting Tonight. He Will Give Away 11 Big Presents Each Evening.

He'll be there for six nights from 7 to 9, so have your mommy and daddy bring you in to see him. (The message, addressed to local children needs no further explanation to everyone else but Santa Claus, is the time of the year?), Santa will visit all six merchants during the South Parsons Merchants Christmas Jubilee. Each night for six nights he will be in a different one of the stores for two hours to visit with the kiddies and above all to draw the lucky slips for 11 big winners in this gigantic jubilee.

Tonight, Thursday, Dec. 16, he will be at Hoermle's, where he will draw slips—one for a Mixmaster, five for baskets of groceries, and five for turkeys. Friday, Dec. 17, Santa will be at R&S Dime Store, where he will draw 11 more lucky tickets that will be good for five turkeys, five baskets of groceries, and a beautiful rooster gyaway at the B. F. Goodrich Store, in addition to five baskets of groceries and five turkeys.

Saturday, Dec. 18, from 7 to 9, he will be at Leed's Jewelers and will present to 11 lucky winners five more turkeys and five more baskets of groceries, plus a wonderful Poloroid camera that will develop pictures within seconds after they are taken.

On Monday night, Dec. 20, Santa jumps across the street to Schottenstein a Department Store, where 11 lucky winners will receive prizes. This time five turkeys, five baskets of groceries, plus a beautiful rotisserre which can be used by any cook and will be enjoyed by the entire family, will be given away.

Tuesday, Dec. 21, Santa goes to the Foreign Foodtown Grocery, where he will present five turkeys and five baskets of groceries, and a wonderful bicycle to 11 lucky winners.

Wednesday, Dec. 22, the last night of this wonderful celebration, a giant 21" TV will be given away at the B. F. Goodrich Store, in addition to five baskets of groceries and five turkeys.

The South Parsons Merchants Christmas jubilee is believed to be the largest celebration that has ever been held on Parsons-av. It will certainly be a memorable event to 66 lucky people who win the valuable food and appliance prizes. Each ticket that you enter gives you 66 chances to win a prize. A purchase is not necessary to enter. Just go to any one of these stores and ask for your free tickets.

Santa has taken time out from a busy schedule at the Jubilee to visit with the kiddies and participating merchants are hoping that everyone will come down to visit with Santa in return.

On the back page of this issue is an ad containing all of the exciting information about the 66 big prizes and the visit of Santa. Clip it out and save it so that you may see Santa at least one night.

East Eases Past South For Final Tally Of 53-51

By Jerry Dover

A last second basket by East's Joe Roberts upset the Big Blue of South by a 53-51 count Friday night, Dec. 10. The Bulldogs had been leading most of the way through the game by as many as 10 points. South lost a share of the city league championship last year at East when Leo Morgan stole the ball and hit for two points in the last second of the game.

Sammy Pointer was held to only 11 points by the East defenses, but played a whale of a game on the boards, getting over half of the Bulldogs' rebounds and also keeping the team from falling apart when the going got rough

Jimmy Ferrell was high man for the Big Blue, hitting for 10 buckets and four foul shots for a total of 24 points. Ferrell had 18 of his 24 points in the first half. The high man for Tigers was guard Frank Wade who kept the East team alive with his one and two-handed push shots from the outer court.

The big boys on both teams were held down, with George Devlin of South hitting for eight markers and Jack Steptoe, Ruben Young and Nate Harris hitting for eight, 12 and nine points respectively.

Band members again remind the public of the scrap drive they are sponsoring on Saturday, Dec. 18.

YULE ART PROJECTS

The Hamilton Township High School art classes are making several varieties of Christmas decorations for the school.

Some of the displays are of Bible readings and of Santa Claus. Students also have decorated each door in the school building.

Almost everything is made and planned by the students of the art classes. Mr. Price had two or three of his students decorate the library with a creche that is a miniature grouping of the Christ child in the manger and others in the Christmas story. The project will be part of the students' grade on outside work for the art classes.

LIBRARY NOTES

Library Club members have prepared for the Christmas holidays by putting up some very beautiful decorations in the library. The library staff also had a combined business meeting and party recently. In this meeting, book reviews were given, games were played and refreshments were served.

Members of the staff include Pete Tufts, Paul Ellis, Karlene Wikoff, Bill Holsapple, Shirley Archer, Beverly Roof, Rosalie Mills, Beverly Herron, Margaret Shuler, Joan Angel, Jean Claffey, Joyce Thompson, Marlene Massie and Lois Goble.

The library staff is planning a to make it easier for the students and librarian to check out books.

SENIORS TAKE TEST

On Tuesday, Dec. 1, seniors of Hamilton Township High School took the U. S. Department of Labor aptitude test. The test was given by an assistant of the Ohio state employment center.

The test consisted of four parts. Each part was a separate test and the time limits were four or six minutes on each part. The test, to determine the students' best abilities, should aid students in planning their careers as it aids employers seeking able employees. The results of the test will be sent to the school at a later date.

WINS WATCH

On Thursday, Dec. 7, Mr. Comer, principal of Hamilton Township High School, had the fifth drawing for a 17-jewel wristwatch. A Mr. Peck of Obetz was the lucky winner.

The Big Day will soon be here, won't it? It comes all too quickly for the oldsters, and not soon enough for the youngsters.

George and Harriet Marlow, 11 E. Hosack-st, will be celebrating a 15th wedding anniversary two days before Christmas. Their plans for the 23rd are on the quiet side, from what we hear.

New parents are Mr. and Mrs. Don Watson, who are lullabying a boy, and Mr. and Mrs. James Furniss, former Columbusites who have a new daughter, Jennifer Lynn. Jennifer arrived on Nov. 18. The Furniss address is 5348 Eastwood-dr, Cincinnatti.

Our condolences go at this time to the Skobrak family at the loss of their mother, and to Dorothy Whitacre, who lost a sister-in-law in Springfield.

Last Monday was "debut" day for Paul Kazee Jr., 1141 Oakwood-av. The young Boy Scout made his debut at that time into the magical realm of the "teens." Happy 13th birthday Paul.

William Frey Sr. is currently spending time in Grant Hospital, and we hope he gets to be home in time for Christmas. The Frey residence is on S. Third-st.

The MacLeods spent the Thanksgiving holiday in New York City.

Ev got most of her Christmas shopping done in the Big Town, so the ones on her gift list should find some unusual things under their trees this year.

Cold weather isn't bothering the Yunker family right now . . . they are enjoying the Florida sunshine. We hope they enjoy a well-deserved vacation.

The Mohawk PTA will be meeting Dec. 22 at 8 p. m.

The Christmas program will include approximately 150 elementary and junior high students. Parents are cordially invited to attend.

Two Morrill-av youngsters are on the ailing list at this time and we sincerely hope they are much improved by the time that Santa Claus puts in his appearance. The two Southwood School students are Linda Carter, a third grader, who has rheumatic fever, and Larry Dixon, a first grader who is in Room 812, Mt. Carmel Hospital.

Our "Gifts For Orient Hospital" is still in progress, and we hope to wind it up about the first of next week. Contributors for this week are the Ladies Bible Class of St. Paul's Evangelical and Reformed Church, Jack Kelley and Sarah Hughes, Jo Leslein, Mrs. Homer Evans, Mrs. Jergens and Mrs. Igel.

Should you have a contribution leave it at the Leader office, or call me at HI. 4-1051. 'Tis time we Americans thought of the unfortunates in our own midst, first, to paraphrase the "Charity begins at home" motto.

Then Miss Amborski and Mrs. Elsie Criger passed out homemade cookies while Carol Rounds and Lani Zipf served punch.

GUEST FROM FINLAND

By Evelyn Whittier

Aino Laurillo, an exchange student from Finland, was the guest speaker at the South Hi Y-Teen meeting, held Dec. 7, in the auditorium. Carole Kates, program chairman, introduced Miss Laurillo to the Y-Teens and the girls then asked her various questions about Finland.

Miss Laurillo told the members that Christmas in Finland is celebrated two days instead of one. The first day is one which consists of attending church at 7 in the morning and then returning home to read the Bible and do various things with the family at home. The second day, however, is a very gay and festive one with singing and dancing all day.

The children in Finland also have a Santa Claus whom they call the "Christmas Man." The legend is that he lives in the Laplands with his elves, and every Christmas eve around 9 o'clock, he harnesses up his reindeer and comes down to visit with all the little children in the villages.

According to the Y-Teens, Miss Laurillo's visit was one of interest and enjoyment to all of the...

Children Request Sherick Yule Party Funds Be Used Over Year

To the orphans of St. Vincent's and Hare's orphanages, Jack Sherick of Sherick's Studio of Dance.

Jack Sherick

87 N. Fourth-st, is Santa Claus personified. His traditional Christmas parties have been a highlight of their holiday season for the past 15 years.

The project is financed entirely from a series of shows and teenage dances in his studio, held during October and November. The entire proceeds from these affairs are used for the fund which totals $1,300 this year.

At the request of the children, the money will not be spent on one large party this year, but will be distributed over many smaller parties throughout the year. The orphans explain that many people remember them at Christmas but they never have the opportunity to do many of the things that other children enjoy.

During the year, adults will escort groups of 30 by taxi-cabs to such outings as picnics, skating parties with pop corn, pop and all the trimmings provided.

The only Christmas party planned is one for the 39 Fayette County orphans who will be entertained and showered with $300 worth of gifts at Washington Court House School.

Here are seekers after God. They are anxious and determined. They want in . . . will those doors open? Is it any use to knock? Jesus said, "ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened to you." Big locks and heavy doors will break open to those of great faith. Your child and mine need God; they need His church. God said to Joshua, "as I was with Moses so I will be with Thee." "Maybe He's here?" He said, "Suffer little children, and forbid them not, to come unto me."

Eichhorn's IGA Super Market Will Hold Grand Opening Thru Saturday

PROUD OF NEW STORE—Posed in front of the spanking new produce counter are, from left, the father and son team of Herbert and Arthur Eichhorn, owners of the all-new Eichhorn's Market at James-rd and Livingston-av, and Dale Rarich. (South Side Leader photo)

• • •

Herb Eichhorn, announces that the grand opening of his new and completely modern store, located at the corner of Livingston-av and James-rd will be held throughout this week. Prizes will be given away each and every day, with many grand award prizes to be given away Saturday, Dec. 18. The grand opening began Tuesday, Dec. 14, and will extend through Saturday.

Herb now has a store that is equipped to provide the best in everything, including tops in service to all of his customers. Featuring larger display areas, the most modern of "daylight illumination" that all merchandise can be seen easily, this store aims for progressive buying and tends to make all shopping easier.

More merchandise, more space, better buying facilities, and courteous service all go together to tell the story of the Eichhorns' new IGA Super Market.

Herb and his father, Arthur Eichhorn, well-known father and son team, have been in the grocery business for quite a few years. They were formerly located at the corner of Thurman-av and Jaeger-st. Herb is a well-known South Sider and is a member of the Steelton Merchants' Association.

In a half page ad in the Leader this week, Herb invites everyone to attend the grand opening and sample the truly amazing service provided by this new and up-to-date store. He also outlines a few of many special bargain prices for this week to celebrate the occasion. Store hours for the new establishment are Monday through Thursday from 9 a. m. to 8 p. m. Friday from 9 a. m. to 9 p. m and Saturday from 9 a. m. to 6 p. m.

Parking is no problem, Herb says, pointing to more than two acres of area available for parking needs of his customers

Free ice cream cones will be given to all of the kiddies who are accompanied by parents through Saturday. Herb invites everyone to at least stop in and look around. No purchase is necessary; just stop in to visit with this native South Sider in his new enterprise.

"We're certain that you'll make a habit of returning," Herb said confidently.

Pennsy Family Club Will Hold Christmas Party At Central High On Dec. 17

Max Shanck, president of the newly-organized Columbus Pennsy Family Club, announces the second of the club's ventures, a Christmas party for all Pennsylvania Railroad employes and members of their families, will be held in the Central High School auditorium, starting at 7:30 p.m. Friday, Dec. 17.

This party, an annual affair, was previously handled by the company. This will be the first attempt by the newly-formed group to handle the event. Regardless of the department or division of the railroad that employes may be assigned, so long as they work in the Columbus area of the Pennsylvania Railroad, the club extends an invitation to come and enjoy the party.

Gifts for adults and kiddies, and outstanding entertainment await all who attend, Shanck said.

Free parking will be available at Veterans Administration, Broad at Starling-sts; City Health and Welfare, Bells and Town-sts, and Central High School, just south of school building.

Eight Games Played In Past Week As Y Church League Gets Started

The South Side YMCA Jr. Church League got under way last week with four games on Tuesday and another four games on Wednesday.

In the Tuesday League, Ohio Avenue EUB defeated South Methodist 26 to 14. With Dave Long netting 14 points to set the pace and some fine and fancy floor work by Rounds and Badger, Ohio Avenue downed a young but scrappy South Methodist five 26 to 14. Heery and Yockey were the big guns for South Methodist.

Emmanuel Lutheran, last year's runner-up in the Jr. Church Basketball League, served notice that it will be the team to beat by downing a good Southwood C of C team 27 to 11. Height, experience, and a well balanced attack were more than Southwood could cope with. Gramlich, with 12 points, and Bateman, with eight, paced Emmanuel Lutheran. Lack of accuracy kept Southwood from making a better showing. Frank Meadows got all 11 points for the losers. Emmanuel Lutheran's reserves made it a clean sweep by nosing out Southwood reserves 5 to 4.

In the Wednesday League, St. John's E&R displayed a fast, smooth outfit by overpowering a young Central Community five 29 to 4. Bobby Karrer and Lupfer led the St. John attack with 10 and 12 points respectively. Kenny Schumaker and George Poppy were the pace setters for Central Community.

In a ding-dong battle, St. Paul E&R eked out a 25 to 22 victory over Oakwood Methodist. Watters, with eight points, and the floor work of Kamer and rebounding of Gischel sparked St. Paul. The all-round play of Fritz and eight points by Bob Secrest paced Oakwood.

In the only reserve game, Central Community borrowed two players from St. John and then proceeded to defeat St. John 10 to 3.

YULE PARTY FOR MUSICIANS
By Jani Rounds

Under the auspices of Randal W. Near, members of the South High Band and Orchestra held a Christmas party at South Side Y Park recently.

Arrangements were made by Dick Baars, president of the band, and Jerry Melmed, president of the orchestra. Games, dancing and refreshments were the highlights of the party.

WARM-UP FOR MARCH OF DIMES—Rush Thomas, left, popular square dance caller from Grove City, and Bud Preston, bandleader from Groveport, are warming up for their parts in the polio benefit round and square dance scheduled for Saturday evening, Dec. 18, at the Hamilton Township High School, on the Lockbourne and Rathmill-rds. These two men and the members of the Preston orchestra are contributing their services. Dancing will start at 8 p. m. and continue until midnight. There will be refreshments and door prizes. The dance is open to the public and tickets may be purchased at the door. All proceeds will be given to the 1955 March of Dimes.

Benefit Dance Is Planned For '55 March Of Dimes

A round and square dance for the benefit of the 1955 March of Dimes will be held at the Hamilton Township High School, Rathmill and Lockbourne-rds, on Saturday, Dec. 18. Dancing will start at 8 p. m. and continue until 12 midnight.

Bud Preston and his orchestra are contributing their services for the dance, as is Rush Thomas, popular square dance caller. There will be refreshments and door prizes. Tickets will be available at the door.

Mrs. Howard Watson, 2939 Lockbourne-rd, is chairman of the event. Anyone interested in purchasing tickets prior to the dance may do so by calling Mrs. Watson at HI. 4-6620, or writing to her at the Lockbourne-rd address.

All proceeds of the dance will go to the 1955 March of Dimes drive for funds to care for Franklin County Polio patients.

Hamilton Township High Pupils Join In Polio Campaign

Linda Durst and Joy Root represented Hamilton Township High School at a meeting of delegates of all the schools in and around Columbus on polio in the health Center in Columbus on Dec. 4. The purpose of this meeting was to get teen-agers to make money for the much-needed polio fund of Columbus.

The first speaker was a man who told the recent figures on people stricken with this deadly disease. These figures were taken from a record kept from 1942 to Dec. 3 of this year. The representative from Wilmington wrote an editorial on polio. She has had polio and told of her experience while bedfast

The advisor for the Teens' March told of many ways each school could make money for the 1955 March of Dimes and showed a movie entitled "They Shall Not Want."

There will be a dance in the Hamilton High auditorium on Saturday, Dec. 18, to raise money for the polio drive. Also being considered is a hanger drive for additional money. Anyone may see either Linda Durst, Joy Root or Stanley Dunigan for tickets to the dance, which will be the combined effort of the Marion-Franklin and Hamilton student bodies.

Imitation is the sincerest of flattery.—C. C. Colton.

With Only Two Lettermen, O'Dell Whips Hamilton High Cage Squad Into Shape

With only two returning lettermen, the basketball squad of Hamilton Township High School is gradually being whipped into shape Coach O'Dell said yesterday.

One game has been won so far this season and there were three close losses with fighting spirit all the way. The offensive star is Bill Bond, a senior, with 54 points to his credit. It is in the defensive play that the inexperience of the team shows up, O'Dell said. This should show improvement with more experience, the coach added, indicating confidence in the team.

The varsity squad consists of Bill Bond, Jerry Fetheroff, Fred Chappelear, Ed Tucker, Wayne Sharron, Pete Tufts, Emerson Darst, Wilbur Helsel, Forrest Doersam, Dean Jacob, Paul Sprague, Henry Morgon, and John Prushing.

The reserve team has these members, Mike Lombard, Eugene Chapman, Dale Springer, John Warner, Paul McClish, Bob Mair, Keith Johnston, Jim Stover, Jim Stumbo, Tom Kreachbaum, Ray Jacob, Charles Juliano, and Russell Evans.

The managers are John Craven and Ronald Craven and Powless is assistant coach.

Writer Cites Need For Small Gifts Of Necessities At Salvation Army Lodge

By Louise Lockwood

This is the inside story of the needs of the Salvation Army's Woman's Lodge at the present time.

First, a good iron is needed. At present the only one that works is a tiny doll-size affair. The ironing board is good, but needs a new cover.

In the laundry, there are three white porcelain wash tubs. They are nice enough to encourage any woman to do a nice clean wash, even by hand, which is the way all laundry is done at the lodge. The lodge has a washing machine, but it does not work. I think they do a remarkably good job as things are but a washing machine that works with a wringer that operates would surely help. They have lines enough for quite a bit of washing, but hardly any clothespins.

Also badly needed are just plain sturdy mop sticks that could be filled with rags to make good useable mops. One good mop is not enough for the entire building.

There are many other things the lodge could use, but these things I mention would be a real help. They would make it possible for the many mothers with large families of small children who come to the lodge, to keep big washes done up so that children can go to school, play and sleep in clean clothes.

With the spirit of Christmas now living in the hearts of men and women, I can think of no better gift than to provide these few badly needed items for the lodge.

Jesse Gilbert, Former Legislator, Suffers Fatal Stroke, Sunday

Jesse J. Gilbert, 58, of 845 S. Champion-av, died Sunday in Mt. Carmel Hospital, following a stroke. He was formerly a member of the Ohio Legislature and served as assistant secretary of State.

He was the author of the bill which created four-year terms of office for county officials. He served in the state legislature as a representative from Montgomery County from 1932 to 1936.

Mr. Gilbert served from 1937 to 1939 as assistant state liquor director and from 1940 to 1948 was a secretary in Democratic headquarters. Former President Truman appointed him deputy registrar of the U. S. Treasury in 1948.

After one month he resigned to become assistant Ohio secretary of state under former Secretary Charles Sweeney. Since 1951 he had been in the real estate business in Columbus.

Surviving are his wife, Frieda; four sons, Conrad J., Columbus; Donald F., Dixon H., and Robert J., all of Dayton, O.; a stepson, Jack Stith, and a stepdaughter, Mrs. Jack Thrush, both of Columbus; two brothers, J. John, New Lebanon, O., and D. L., Farmersville, O.; three sisters, Miss Edith Gilbert and Mrs. Don Cattell, both of Columbus, Mrs. Arthur Garner, St. Cloud, Fla., and nine grandchildren.

Burial was in Sunset Cemetery.

CHRISTMAS EVE

Christmas Eve! Those two words are magic. Clerks forget how their feet ache; fathers hurry home with something Mary or Johnny thought up at the last minute—and they must have it! Tired mothers hurry the children off to bed early so Santa Claus can come—wishing they could go to bed themselves, but the tree's to trim and a million other things to do; tired postmen sigh with relief that it is over for another year; all kinds of bells ring—church bells, door bells, telephone bells—friends calling to wish the same old sweet wish; Merry Christmas; deliveryman making late deliveries ring the door bells. Christmas Eve—whether or not there is snow, there is the magic of snow. And good will to all, and everybody hoping for peace on earth. Children dreaming of Santa Claus all night long. If we only had their faith!

• • •

Mail—From my favorite shutin: "I've licked so many seals and stamps and addressed so many cards that I found myself putting the seals where the stamps should go, and vice versa. Uncle Sam will blow his stack when he tries to sort out my mail. Why doesn't some genius invent stick-em for seals and stamps that tastes like turkey and cranberries? A gal could get a meal that way. But Christmas is Christmas and I love it" . . . From an intercepted letter to Santa Claus: "If you can't give me the walking doll and dresses and sweater and roller skates and cake set and two-wheeled bike and doll bed and doll carriage and desk and set of dishes and doll house, please leave out the dresses and sweater. My daddy will buy them anyway" . . . From Care Postmaster, New York: "The girls over here are friendly but they are not pretty like they are in Ohio. It is cold here too, and we don't have our loves to keep us warm" . . . From Columbus: "I overheard two lady shoppers at the cheap tie counter, ordering ties for their husbands. One of them said 'I am giving him two ties and he better give me that mink coat. I'll buy it myself if he doesn't,' and at the same counter a little girl asked the clerk anxiously, 'Do you think my Daddy will like this one'?"

• • •

From somewhere—mostly about Christmas: Simile: As alert as a Christmas shopper eyeing a prospective bus seat . . . . During the Christmas rush, parking (a car) is such sweet sorrow . . . Some of the boys overseas are not dreaming so much of a White Christmas as of a white shirt.

IS THERE A SANTA CLAUS?
Do you believe in Santa
Or are you old and wise
And don't believe in fooling kids
And telling little lies?

If you don't, I'm sorry
(No reason I should be)
For you're the one who's losing;
It means not a thing to me.

But if you are still doubtful,
And the truth you'd like to find,
Just watch the kids on Christmas morning
And then make up your mind!
Robert Blackadder

CHRISTMAS LULLABY

Little child against my breast,
Pink-nightied body curved to rest,
Tell me as you go to sleep,
Do you count white wolly sheep?

Or do you walk through Sleepytown,
Tippy-ti- up and tippy-toe down,
Where shops are filled with teddy bears
And cuddly dolls and small red chairs?

Or do you see tall, lighted pines
And dreams of how one bright star shines
Above the Christ Child on the hay,
Where shepherds kneel on Christmas Day?

Anobel Armour

South Side Bell Ringer

"For Whom The Bell Tolls"

By Tom Sharp

MERRY CHRISTMAS EVERYBODY! To try to cut the load of the postman I would like to take this time to express my very merriest Christmas wishes with the best of luck to each and every one of you. May the Christmas season and the New Year bring you nothing but joy and happiness.

First on my list this week is a fine organization that had its telephone number advertised wrongly last week. For Maye's Poultry the correct phone number to call is HI. 4-3912. Remember, for good poultry at prices that you can afford, call on Maye's Poultry.

The perfect Christmas gift for your car would be a set of seat covers from Galan Auto Seat Covers, 1752 S. High-st. All in all the car is usually the most important part of your transportation and above all should not be forgotten at Christmas. Check into this nice Christmas present for your car offered at a very low price by Galan Auto Seat Covers.

Dr. W. W. Pfefferle, Optometrist showed me around in his office the other day and I was sure amazed by the tremendous amount of frames that he has to offer. Even the hardest to please would find just what he or she wanted in the way of glass frames in this up and coming shop. Dr. Pfefferle is well qualified to check your eyes and I can recomend his service. A well-known personality here in the South Side, he is constantly striving to provide quicker and better service to any one desiring his type of service. Stop in just to take a look at his beautiful array of frames!

Jesse's Shoe Repair, 1909 Parsons-av, has just announced that the winner of the very beautiful silverware set given by the establishment as a prize in its recent contest is Violet Maybone. The prize must be called for within 30 days or another winning name will be selected, Jesse's has disclosed.

One more issue before the new year and as we end the year let's remember: "Live On the South Side, Shop on the South Side, and Read the South Side Leader."

WATCH NEXT WEEK FOR STORK DERBY DETAILS

Keep your eyes on this front page next week for the thrilling details of the South Side Leader's annual Stork Derby. If you are expectant parents or have friends on the South Side expecting momentarily, you won't want to miss a single detail in this exciting contest to see who will be the first baby of the New Year.

Many South Side merchants are cooperating to make this the biggest and the most profitable contest of this sort ever held on the South Side.

Full details and a list of the many prizes awaiting the happy parents of the South Side baby of 1955 will be outlined on this page next week.

Hoermle's Plays Annual Santa Role At St. Stephen's House

SHOWN above peeking around the door at Bill Hoermle, Jr., and William J. Santanich are, front, Barbara Drake, back, Frank Zubovich and Donny Burns. They seem quite amazed by the number and looks of the many presents that were donated to St. Stephen's Community House by Hoermle's.

For the last six years, Bill Hoermle, Sr., has donated some 100 boys of all description to the children for Christmas, and this year was no exception. One of the upstairs rooms at the Community House is jammed with hundreds of gaily wrapped, mysterious looking packages.

Big trucks, pretty dolls, drums, ukeleles, cars, games of all sorts and many, many other items to bring a thrill to a child, are ready to be distributed.

Hoermle, a member of the St. Stephens advisory board, is also a prominent member of Corpus Christi parish. In addition he is a member of the South Side Lions Club and the Steelton Merchants' Association.

His store is located on Parsons-av, just around the corner from the Community House. He has been located there for 28 years and calls the Community House "a pet project."

Mr. Hoermle is extremely reticent concerning his project but the director of the House, William Santanich, is unable to say enough in praise.

"Without him, we wouldn't have half of what we have here, Mr. Santanich says. "He's really a wonderful guy!"

The toys are distributed to the most needy youngsters who use the facilities of the house. A series of parties is held for the various age groups at which time the gifts are distributed.

Two South Side Students Graduate With Honors

Two South Side women were among the 29 students honored for high academic achievements at the autumn quarter commencement of Ohio State University on Friday, Dec. 17.

Graduating "cum laude" were Mary Elizabeth Beck, 707 E. Kossuth-st, bachelor of arts; and Geneva Elizabeth Carson, 397 E. Kossuth-st, bachelor of science. Miss Carson was also graduated with distinction in medical technology.

Columbus Musicians Union Gives Concert For Barrett's Students

The Columbus Musicians Union said "Be our guests" to the pupils of Barrett Junior High School and invited them to a concert in the school auditorium Friday, Dec. 10.

The musicians were members of the Columbus Woodwind quintette, sponsored and paid by the Federation of Musicians and the Musicians' Performance Trust Fund in cooperation with the Columbus Public Schools. This program is part of a larger, long time program to let people hear "live" music played by live musicians with the hope that people will care to play instruments and attend concerts. Frank Lane, business manager of the federation, has been very active in sponsoring this long-time project.

The Columbus Woodwind Quintette consists of the following five outstanding Columbus performing musicians:

Fred Brobst, flute, Capital University; David L. Hite, clarinet, Lazarus Music Studios; Clivio Del Signore, oboe, a music dealer, William Kearns, French horn, Ohio State University; and George Wilson, bassoon, Ohio State university.

The program consisted largely of transcriptions of Robert Schumann's Album for the Young," as arranged by Hite for this group. There were demonstrations of each instrument, its range, tone and possibilities before each number in which it was featured.

The pupils of barrett were interested and enthusiastic listeners. The Musicians' Union is to be congratulated on this activity.

Santa Will Pick Last Winners Of Prizes Today

At 8:30 p. m. Wednesday, Dec. 22, Santa Claus will be at the B. B. Goodrich Store, 1842 Parsons-av, to draw the last of the winning names of the 66 big prizes being offered by six cooperating merchants on south Parsons-av.

Grand prize Wednesday night will be a deluxe, 21-inch television set. In addition, five lucky people will receive a Christmas turkey each and five baskets of groceries will be given away.

Names of all the winners throughout the contest and their prizes will be contained in next week's issue of the Leader.

Santa will also be on hand for the last time Wednesday night to visit with the kiddies, 7 to 9 p.m.

On Thursday, Dec. 16, he was at Hoermle's, where he drew five slips — one for a Mixmaster, five for turkeys, and five for baskets of groceries.

Friday, Dec. 17, Santa was at R and S Dime Store, where he drew 11 more lucky tickets good for five turkeys, five baskets of groceries; a beautiful roaster oven.

Saturday, Dec. 18, he was at Leed's Jewelers and presented to 11 lucky winners five more turkeys and five more more baskets of groceries, plus a wonderful Polaroid camera that will develop pictures within seconds after they are taken.

On Monday night, Dec. 20, Santa jumped across the street to Shottenstein's Department Store, where 11 lucky winners received prizes. This time five turkeys, five baskets of groceries, plus a beautiful rotisserre which can be used by any cook and will be enjoyed by the entire family, were given away.

On Tuesday, Dec. 21, Santa went to the Foreign Foodtown Grocery, where he presented five turkeys and five baskets of groceries and a wonderful bicycle to 11 lucky winners.

Car-Truck Crash Brings Injuries To Dad, 3 Kids

A collision with the rear of a semi-trailer truck at Frank-rd and High-st last Friday evening resulted in injuries for the father-driver of the passenger auto involved and his three children.

The father, French Laxton, 23, of 3427 S. High-st, was charged with reckless operation and driving with a suspended license. He was treated for a cut over his right eye and released at Children's Hospital. Also treated and released was a son, Charles Crain, who suffered cuts and bruises.

Admitted and classified in fair condition were two other of his children, Lana Jean Crain, 11, and Don Laxton, 6. They both suffered head injuries.

Sheriff's Deputies Norman Ackirk and John DeVault said Phillip Vandecar had stopped his truck on High-st preparatory to making a right turn into Frank-rd when the crash occurred. He was uninjured.

Ramblers Crush Holy Family By Tally Of 66-38

Last Tuesday night in the gymnasium of St. Charles High School, St. Mary's undefeated Ramblers crushed Holy Family 66 to 38 in the Central Catholic League game of the season.

The St. Mary's quintet, coached by Ken Neville, kept its phenomenal 63-point per game average in riding down the victory trail.

St. Mary's Dave Barker, Kermit Allen Al Bucilla, Bob Paullus, Fischer, and Bill Stewart started taking the measure of the basket early in the game and kept right on sinking them throughout the game without ever being threatened.

Dave Barker was high point man for St. Mary's while John Rinehart sparked Holy Family by making 20 of the 38 points made.

St. Mary's Hotshot Ramblers piled up an earlier healthy victory margin last Friday night when they met the Holy Rosary Crusaders in St. Charles' gym and vanquished them by 72 to 29.

MEET YOUR SOUTHEAST LIONS

Arthur W. Eicher Now Serves As Club Civic Improvement Chrm.

A member of the Southeast Lions Club for the past eight years, Arthur W. Eicher, has served on many of the club's projects and is now civic improvement chairman. In addition, he helped in the initial organization of the Linden Lions Club.

Eicher, a native of Connelsville, Pa., is a graduate of Connelsville High School and attended Beckley Business College in Harrisburg before moving to Columbus in 1932.

He and his wife, Hazel, a native of London, Ohio, now reside at 555 Walhalla-dr. They have a daughter, Mrs. Phyllis Jennings, and three grandchildren who are also residents of Columbus.

Although he has been in the department of liquor control of the state auditor's office for some time, Eicher's many South Side friends remember him as the owner of a service station and garage at 631 S. High-st, which he operated for 20 years.

In addition to his activities in the Southeast Lions Club, Eicher holds membership in all of the Masonic organizations. He and his wife attend Ohio Avenue Evangelical and United Brethren Church.

Interested in all sports, he admits (like the majority of Columbusites) that football is his favorite and regrets that he won't be aboard the Rose Bowl Special — however, we suspect there will be many ardent fans here at home to keep him company.

Leader's Confederate Jackpot To Be Frozen At $105 Till It Is Won

Good Eyes, Luck Could Net You This Big Bonus For Christmas

What could make a finer Christmas gift for you than to turn and look through the pages of the South Side Leader right now and discover that you are the winner of the big $105 "Confederate Money" jackpot?

In one copy of the Leader this week is the special Confederate insignia and the person receiving this paper will receive a total of $105 in Confederate money if the paper is presented at the Leader office, 1542 Parsons-av, before noon Monday.

Who wants Confederate money you may ask! Well it so happens that this Confederate money is just as good as those famous green backs put out by Uncle Sam. They may be spent for full face value in the store of any advertiser in The South Side Leader this week. The Leader will then in turn redeem the money in cash or credit to the advertiser.

The big "Confederate Money" contest has been going on for several months now and, effective with this issue, no more money will be added to the contest. In the event the jackpot goes unclaimed this week, the $105 will be up for some lucky reader next week and each week thereafter until it is claimed. The contest will then be discontinued for a period and may be renewed sometime next year as a special Leader promotion.

Take time now to look through the ads of the Leader and try to find the Confederate insignia. It is worth $105.

Here's What To Look For

If you find the above insignia stamped in an advertisement in this copy of this newspaper take it at once to the office of the South Side Leader, 1542 Parsons-av (before Friday at 3 p. m.). It will be redeemed for $105 in "Confederate" Currency, which can be used to make purchases at any South Side business establishment advertising in this issue.

The above insignia has a value of $1. Follow the same procedure for "cashing in" as outlined above.

St. Mary's High Athletic Assn. Sponsors Banquet In Cafeteria

By Katie Weiper

The Athletic Association of St. Mary's sponsored an athletic banquet last Wednesday at 6 p. m. in the school cafeteria. The banquet is an annual affair for football and basketball players and their guests.

The dinner served by the ladies of the cafeteria, included fried chicken as its main course.

After the dinner the master of ceremonies, a role played by Rev. Schwiezer, school athletic director, introduced guest speakers, Rev. Patterson, Coach Ken Neville and Mr. Bond. Neville included in his speech the names of next year's football co-captains — Dick Koch and Kermit Allen, both of whom are noted for their performance and loyalty to SMH throughout the year.

Next on the program was a movie shown by Rev. Schweitzer and a short dance.

The football players and guests would like to thank Rev. Schweitzer, the members of the athletic association, and the ladies who served them, for making it a very fine evening.

A DAY FOR MUSIC

The Catholic Society of the Mission Crusade sponsored a day of Christmas caroling on Sunday Dec. 19. The invitation was extended to all students of St. Mary. The bus left promptly at 2 p. m.

Caroling visits were made to Children's, St Ann's, St. Francis, Mt. Carmel, and St. Anthony Hospitals; St. Rita's home for the Aged; and the Marshall and Bellview Rest Homes.

Kas Poderys accompanied the carolers on his accordion.

CHRISTMAS DANCE

On Sunday, Dec. 26, 7:30 to 11 p. m. a Yuletide ball will be held in St. Mary's auditorium. The dance will be sponsored by the junior class with proceeds going toward the junior and senior prom and banquet.

The theme for the dance will be "A Starlit Sky." Students of all local high schools are invited to attend. Tickets may be purchased at the door.

REAR VIEW MIRRORS

The Shutterbug Club has a new project. At the recent meeting Sister Arsenia explained the plan to the members.

It is to take a picture of the rear view of a subject that is placed in front of a mirror, taking the picture of the rear view and the reflection at the same time.

Sounds complicated, but it is really easy and should have interesting results.

CSMC BRINGS AID

On Thursday, Dec. 16, the Catholic Society of the Mission Crusade of St. Mary's High School sponsored a drive to fill Christmas baskets with food. Each homeroom filled its own basket with food, money, and gifts and decorated them. The baskets were given to needy families later in the week.

New Members Are Introduced At Recent Meeting Of South Side Y Teen Council

By Gerry Haferkamp

The third meeting of the South Side YMCA Teen-Age Council for the 1954-55 season was recently held. Lila Babbert, presiding president, opened the meeting with the Lord's Prayer.

Barbara Friedberg and Neal Kresheck, new members, were then introduced to the club.

The Roosevelt Square Dance co-sponsored with the South Side Y was a big success and the $19 profit was turned over to the Southeast Lions Club, "Lions Roar" project.

Teen-Age Council members announced plans to attend the annual South Side Branch YMCA report dinner Monday, Jan. 17, at Central Community Church at 6:30 p. m. All organizations that are affiliated with the Y are invited to attend.

Barrett Jr. High School delegates announced a Christmas dance for Barrett students only, since there is a 250-person limit at the dance.

Another upcoming event is a square dance on Jan. 14 at Roosevelt sponsored by the South Side Y Teen-Age Council. The profits are to be turned into the Teen-Age Council treasury.

Refreshments were served by the committee at a Christmas party, following the meeting.

Principal Of Scioto Trail School Moves His Family Into School Community

By Mrs. Alice Willis

Maurice E. Lowka, principal at Scioto Trail School, has moved to a new address nearer school. He and his family now reside at 616 Rhoads-av.

At the PTC meeting at Scioto Trail School on Dec. 7, a Christmas program was put on by the kindergarten, first and second grades. Jane Reese was the "Soul of Christmas" and Coleen Covert sang "Silent Night." The grades sang "Jingle Bells," "Frosty the Snowman" and "Away in a Manger."

Lutherans Defeat South Methodist By 35-10 Tally

In the South Side YMCA Jr. Church Basketball Tuesday League Emmanuel Lutheran, paced by Bobby Bateman, Bobby Reall, and Gramlich, defeated a young and outmanned South Methodist five 35 to 10. Yockey and Heery were the big guns for South Methodist.

Emmanuel Lutheran reserves defeated South Methodist reserves 10 to 2.

Displaying a well balanced attack, Southwood C of C downed Ohio Avenue EUB 18 to 11. Frank Meadows and Howard Canter were the sparkplugs for Southwood. Dave Long and Steve Rounds paced Ohio Avenue.

Southwood made a clean sweep when their reserves won over Ohio Avenue EUB 12 to 2.

In the Wednesday League, St. Paul E and R defeated Central Community 44 to 9. Bruce Gishel pumped 20 points through the nets to lead St. Paul's attack. Kenny Schumaker, with five points, led Central Community. St. Paul's won the reserve game 18 to 5.

St. John's E and R, with a smooth-working team, defeated a pretty good Oakwood Methodist five 29 to 14. Don Fisher, Elerick and Bobby Karrer sparked St. John's attack. J. Fritz and Bill Secrest paced Oakwood. Oakwood's reserves evened the score by downing Oakwood's reserves 6 to 4.

Help Keep The South Side Clean Project Sponsored By Merchants

Shown above is Tom Sharp demonstrating to Robert Horowitz, president of Steelton Merchants Association how the lid is placed on one of the new trash barrels donated by that association in behalf of cleaning up the main thoroughfare of the South Side.

These new barrels have been placed on strategic corners from the viaduct to Southwood-av. Each barrel is painted white so that it may easily be seen and has an elbow attachment to keep out the water and still allow large parcels of waste paper and trash to be deposited.

The barrels will be emptied periodically by the city and it is hoped that everyone will make use of these fine containers and "Help keep the South Side Clean," members of the Steelton Merchants Association have declared.

The barrels are to be used strictly for clean-up purposes and it is hoped that the children of the community will not use them for toy drums. "Remember this is a civic project sponsored by the Steelton Merchants and we should all cooperate and try to keep the barrels serviceable," said Robert Horowitz, president of the association.

At a later date each barrel will receive a fresh coat of paint and a message will be painted on the side reminding everyone that the purpose of these barrels is to "Keep the South Side Clean."

Two South Side Offices Listed For Bike Licenses

Two South Side branch offices for the issuance of bicycle licenses have been announced by City Auditor R. P. Barthalow. Agents selling the 50-cent licenses, which will be good for the entire calendar year of 1955, are authorized to collect a 10-cent service charge. Licenses at both the city auditor's office and the branch locations were slated to go on sale Wednesday, Dec. 22.

South Side locations are Martin Bicycle Shop, 1330 S. Fourth-st, and South Side Cycle Shop, 1175 Parsons-av.

Barthalow has pointed out that the licenses are excellent theft insurance since recording of manufacturers' serial numbers at the time of issuance makes it much easier for stolen bicycles to be identified and returned to their owners.

During 1955, bicycles found without licenses will be tagged by police as a warning to obtain a license within 48 hours and then, if found in operation without license, they could be impounded until a license is obtained.

OFFICES WILL BE CLOSED

Because of the Christmas holiday, offices of this newspaper will be closed all day, Friday, Dec. 24, opening for business as usual on Monday, Dec. 27.

The Gadabout

By Priscilla LaRue Dicke
HI. 4-1051

We are so happy to report that our "Gifts for Orient" was a fine success, due to the kind folks this past week. An overwhelming contribution from the Southway Post of the American Legion put us way over our goal.

The day after Christmas will bring another completed year of marriage to Hollis and Mary Russell of S. Sixth-st. We certainly hope it's a happy, healthful year for these two nice people.

Christmas birthdays are the lot of Mrs. C. E. Gray, 1386 S. Sixth-st, and Walter Wynd, of Moler-st. The day after is the natal day of Mrs. Walter McKain, 1371 S. Fourth-st.

An item that got lost in our "pocketbook file" last week was one concerning Irene Chosy Knapp. This former South Sider is now a mommy, as of Nov. 20, and is a resident of Akron. She formerly worked at Ebert's Drug Store, and many folks will remember her. She is now head pharmacist in the Barberton General Hospital in Akron. Congratulations on both the achievements, Irene.

The many friends of Betty Fisher are tickled at the progress she is making after her serious operation. Get well, soon, we miss you. The Fishers are residents of 799 Deshler-av.

Robert Louis Stevenson has an important mission to accomplish on his navy leave this time. 'Tis a wedding! His pretty bride will be Margaret Louise Rapp, of 77 E. Southwood-av, and the marriage will take place on Dec. 26, in the Emmanuel Lutheran Church. Both Robert and Margaret Louise are South High grads. Robert is stationed on the USS Hornet, and Margaret is employed at the Ohio Bell Telephone Co.

Betty and Wally Dean will be spending most of their holiday season in the warmer climate of Florida, but it isn't entirely a pleasure trip. Bett's mother is desperately ill and we fervently hope for her recovery.

We wouldn't be mean enough to mention names, but we did get a hearty chuckle when one of our friends reported "all she wants for Christmas are her new store teeth." We hope you get your wish, M.D.

Dec. 22 overshadows Christmas for Mr. and Mrs. Perry Sturgill this year. This couple will be celebrating that magic golden wedding anniversary on that day. They are residents of 836 E. Evans-st.

Friends will be helping them to celebrate in the home of Mr. and Mrs. Earl Sturgill, a son and daughter-in-law. Rounding out the family group will be Ellsworth and his family. The Sturgills have been Southsiders for 40 years. You've made the 50 mark, Mr. and Mrs. Sturgill, now try for the diamond 75.

Mrs. Ralph Fandanni, 258 E. Morrill-av, enjoyed her trip to Italy very much but she's glad to be back with her family again, we know. Two of her grandchildren will be having tonsillectomies on Dec. 29, and we bet they eat all the "goodies" they can before that time. The two young 'uns are Sissy and Johnny DeMatteo, of 313 E. Moler-st.

This week marks two events in the Wiegerig family, 677 Moler-st. Paul and Ann celebrate an anniversary, and son, Paul, celebrates a birthday.

Get well cards would be a cheering thing for Earl F. Thompson these days. Earl, an assistant trainmaster for the B&O Railroad, underwent a very serious operation in University Hospital, and is new home, recovering very slowly. Cards may be addressed to 1167 Wilson-av.

What a beautiful way to spend New Year's Day! We're thinking of Norma and Tony DiGoia, 3216 S. Parsons-av, who are going to fly to California for the Rose Bowl game. Root 'them on to victory, DiGoias.

Rosemary Hanson, 727 Jaeger-st, will be celebrating her birthday real soon now. Her natal day will be an event of Dec. 24. If we remember correctly, birthday greetings will be in order for Buss McCaffrey about the 29th of this month, so we'll wish them for him at this time. Buss is a resident of 214 Frebis-av.

We have proof positive that our good friend, Mae Dean, is a stick-in-the-mud. Let us hasten to explain that it was her shoes that mired while Mae kept walking on. This amusing incident happened while Mae and the Gadabout were on their way to the South High board party in the home of Emma Horcher.

We enjoyed those excellent Christmas cookies that Emma served. (Christmas is so delightful but why does the food have to be so full of calories?)

In addition to the aforementioned contribution from the Southway Post, our "Gifts for Orient" lists these donors: Pam and Johnny Leist, Lynn Felice, Lillian Ryan and the Ralph R. Rickly Masonic Lodge. To each and every contributor, a very hearty thank you. We know your own Christmas will seem brighter and cheerier because yours is the true spirit of Christmas.

We also want to wish each reader a healthy and happy Christmas time. We hope that a visit to the church of your choice is included in your plans. Till next week, then, this has been . . .

THE GADABOUT.

Barrett Hoopsters Outscore Franklin Jr. Hi By 44 To 33

Dave Crow made 21 points for Barrett, Henkel made 10, and the remaining 13 points were scored by Foster, Hood, Williams, Kochensparger, and Latham.

Costume Gifts For Kids Should Be Flame-Proof Fire Chief Tells Parents

If you have any children in the "Let's Pretend" ages, part of your Christmas shopping will be easy. The choice of gifts will probably be made for you, in the form of demands for the latest in space suits, cowboy outfits, or whatever other costumes their current make-believe calls for.

But the most important detail, Columbus Fire Chief W. G. Strickfaden emphasizes, is something the youngsters won't even notice. Make sure those costumes are flame resistant, he cautions. When buying a costume of flimsy material, see if it is labelled "Flame Resistive."

If it isn't, you can do the job yourself.

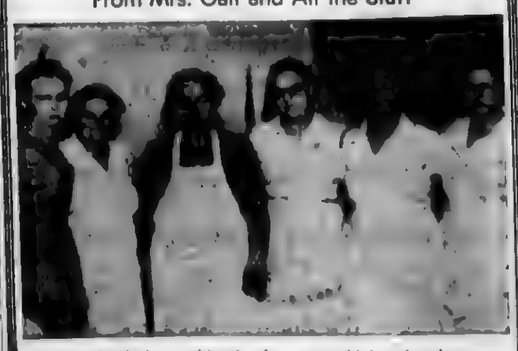
Just dip the cloth (assuming it is washable) in a solution of one and one-fourth pounds of boric acid and one and one-half pounds of borax mixed in three gallons of water. Wring by hand and hang to dry. The flame proofing is not affected by ironing, but the treatment must be repeated after each laundering. Use this treatment on filmy party dresses and doll clothes, too . . . and it's equally good for grown-up's clothing and for washable draperies and other household furnishings.

Chief Strickfaden adds a final note of warning . . . Don't expect too much of the term "Flame Resistive." If you hold a match to a flame resistant fabric, it will burn. But it will not continue to burn when you take the match away. Your children will be safe from a deadly or disfiguring flash fire.

Charles Riehl, Well-Known Bowler, Dies

Requiem high mass for Charles Riehl, 71, of 334 Reinhard-av, will be sung at 9 a. m. Wednesday in St. Mary's Catholic Church. He died Sunday at home.

A member of St. Leo's Court of Foresters, he was also a member of the Columbus Bowling Hall of Fame and honorary president of the South Side Businessmen's Bowling League. Surviving are his wife, Anna M.; a daughter, Mrs. Albert Sauer; a son, Robert A.; a grandson, two great-grandchildren; a sister, Mrs. John Benedetti, and a brother, Peter, all of Columbus.



Burial will be in St. Joseph Cemetery by A. J. Held Funeral Home.

South Side Churches Plan Christmas Eve Devotions

CHRISTMAS EVE SERVICES—Many South Side Churches will observe Christmas Eve with devotional services Friday night. Among these is the song service planned at Martin Luther Evangelical Lutheran Church at 7:30 p. m. with music by both choirs. Junior choir members pictured above are, left to right, top row, Katherine Both, James Stone, David Hite, Rolfe Tischler, Reinhold Tischler, Katherine Scholtes, Diane Whittaker, Katherine Folkendt; middle row, Joan Fulton, Susanna Thellmann, Sharon Marshall, Linda Jamison, Judy Park, Rebecca Miller, Tommy Best, John Parkes; bottom row, Donna Miller, Cheryl Klindler, Judy Whittaker, Christine Both, Carol Sellner, Diane Blum, Lillian Harkless, Caroline Harkess, Gene Jamison, Rita Parkes. Not pictured are Jerry Cook, Janice Fry and Sharon Harmon. Miss Dorothy Keller is choir director, Mrs. Ethel Parks, accompanist and Mrs. Ruth Miller, Mrs. Helen Jamison and Mrs. Pauline Whittaker assistants. Everyone in the community is invited to attend the service.

OAKWOOD METHODIST

The Christmas Eve service at Oakwood Methodist Church will begin at 10:45 p. m., Dec. 24, with several organ numbers by Miss Carol Black.

At 11 the Christmas story will be presented in scripture and song. The choir, under the direction of Howard Drake, will present the following numbers:

"O Holy Night", "Seventeenth Century Christmas Hymn," "The Hallelujah Chorus"; a solo, There's a Song in the Air," Barbara Robinson; a duet "Come to the Stable With Jesus," Mr. and Mrs. Howard Drake; a quartet, "Shepherd, 'Neath Judean Skies," Mrs. Jack Hayden, Mrs. Arthur Deatl, Albert Justus, William Car-Deal, Albert Justus, William Car-

The pastor will bring a Christmas meditation, "All Is Calm", and the feature and climax will be the lighting of the candles.

SOUTH CONGREGATIONAL

The annual carol-candlelighting service will be held on Christmas Eve, at 7:45 p. m. at South Congregational Church, 16 E. Stewart-av.

The service will open with carols sung by congregation and choir. The candlelight service begins with one large white candle burning, symbolic of the Christ and called the Christ candle. Twelve young men light 12 red candles for the 12 apostles and the light of these candles is added to that of the Christ Candle.

Then everyone in the cangregation comes forward and lights his small candle from the Christ candle. These small candles are placed in salt around the Christ candle to add their light to His. Every member of the family is invited to come and light his candle from the Christ candle.

EMMANUEL LUTHERAN

The annual candlelight worship service will be held Christmas Eve at Emmanuel Lutheran Church, beginning at 11. The pastor will preach on the theme "His Name Shall Be Called Wonderful."

The Senior choir, under direction of A. C. Meyers, will sing, "Ring, Christmas Bells," and the Youth Choir, also directed by Mr. Meyers, will sing "Good Christian Men, Rejoice." The choirs will also sing a combined number "As Lately We Watched" an Austrian folk song. The community is invited to join in this worship service.

OHIO AVENUE EUB

Candlelight Christmas Eve service will be held in the sanctuary of the Ohio Avenue Church at 11 p. m. The senior choir will sing and the following young people will participate: Rita Harmon, Ed Boquist, James Damewood, Donna Bornshine and Arthur Puetz.

SEAMAN APPRENTICE Floyd W. Wisby, son of Mrs. Bernard Cook, 415 Forest-st, has completed boot training at Bainbridge, Md., and is now stationed at a Naval Air Station in Maryland. He attended Aquinas High School before enlisting in August of this year.

HUNTING ACCIDENTS DOWN

Ohio Wildlife officials were encouraged by the decline in number of hunting accidents during the 1954 hunting season. Figures compiled by the information section of the Division of Wildlife show a total of nine persons killed (including the squirrel hunting season when six were killed) and about 65 non-fatal accidents (including 41 during the squirrel hunting season.

Reading For Meaning Stressed At Smith Road School Teachers' Session

By Miss Mary Mice

Reading for meaning and for enrichment of experience rather than "word-calling" was stressed in a talk on the teaching of reading given by Miss Martha King, Franklin County elementary supervisor, for primary teachers of Marion Township. More than 20 teachers from Smith Road, Clarfield, Fornof and Scioto Trail schools attended the meeting at Smith Road School.

Miss Magdalene Bostic, Fornof Schoolthird grade teacher, who is chairman of the third grade teachers' group which invited Miss King to speak, presided at the meeting.

South Side Bell Ringer

"For Whom The Bell Tolls"

By Tom Sharp

HAPPY NEW YEAR! The time has come when you must look forward into the new year and make plans for what I hope is advancement in your dreams. May the best of luck be yours throughout the coming year and may you have peace and tranquility all day everyday.

The first on my list of fine things that happened this past week concerns a good turn. The cubs of Pack 121 under the direction of Mrs. Neff spent a lot of time, effort, and money to get a very fine Christmas basket together for a needy family of 10 children. They have been a pack of buy cubs this Christmas and may they have a very happy New Year!

Seneca Appliances now has a wonderful offer to make to any one interested in buying a gas appliance. You now can buy the gas appliance of your choice and then pay monthly on your gas bill. Instead of having two pieces to send checks to, you now only have to send one. Just pay a little more on your gas bill. For complete information on this new feature ask about it at Seneca Appliances.

Notice to all members of the Steelton Merchants Association: The installation dinner for new officers has been changed to the third Tuesday in January instead of the second. In the near future cards will be mailed out to notify you of the change and also asking if you are planning to attend. Please pay strict attention to these cards and return them to the senders as soon as possible. This information must be received not later than Jan. 13.

Have you made your New Year's resolutions yet? A good one to make is "I am a South Sider, so I should shop in the South Side and help keep the South Side clean by using the trash barrels for all waste material instead of throwing it on the streets."

Be a good South Sider! Take this pledge and work on it for the coming year. Well folks, that's all for this year. Be seeing you next year.

Yuletide Jubilee Winners Listed

While Santa Claus was visiting the six merchants who cooperated in bringing to South Side residents the dollar-saving South Parsons Avenue Merchants' Jubilee preceding Christmas, he had another more clerical job to perform.

Each night he drew the names and numbers of 11 winners of valuable food and appliance awards until a total of 66 lucky winners was selected.

Some of the prizes still have not been collected and the cooperating merchants are presenting below the winning numbers. All ticket holders are advised that no tickets will be redeemed after Jan. 5, closing date of the Jubilee. THE SOUTH SIDE LEADER

STILL ANOTHER CHANCE

Spotting Lucky Insignia Could Win $105 Jackpot For A Reader

Although the "Confederate" jackpot was brimming with a total sum of $105 to be exchanged for the elusive $5 jackpot insignia, which is printed in one copy of the Leader each week, it went begging this past week.

According to the announcement made last week the prize will be "frozen" at its present sum until claimed, meaning that once again some South Sider will be holding a paper worth $105 in "Confederate" money, redeemable at any business establishment advertising in the copy of the South Side Leader in which the insignia was found.

The insignia is always to be found plainly printed among the advertisements in only one copy of the Leader each week.

Should the insignia be discovered and the prize won this week the contest will be discontinued until some later date.

Best of luck to all our readers and happy hunting! Someone is going to start the New Year off $105 to the good!

Here's What To Look For

If you find the above magnia stamped in an advertisement in this copy of this newspaper take it at once to the office of the South Side Leader, 1542 Parsons-av (before Monday at 5 p. m.). It will be redeemed for $105 in "Confederate" Currency, which can be used to make purchases at any South Side business establishment advertising in this issue

HAPPY WITH RESULTS

Mrs. W. Dow Hutchison, 254 S. Princeton-av, wrote us the following note after inserting a classified advertisement in this newspaper to sell a toy train:

"Just a note to tell you I sold the train for $50 on the second phone call before noon last Thursday. I had over 30 calls. I was more than pleased with the response!"

For similarly gratifying results with your problem of turning outgrown toys or other articles into ready cash, merely call HI. 4-9262 or JO. 9444 for swift, courteous assistance in the best wording of your little "super-salesman." You will be amazed at the results!

Marion Township Loses Second Industrial Tract To Columbus

Marion Township today had less than half of its original tax duplicate following the approval by county commissioners Tuesday of the annexation to Columbus of 161 acres in which at least nine industrial and commercial firms are located.

The two to one favorable vote of the commissioners was the same as a week before in which they approved annexation to the city of 168 acres containing 10 companies.

Commissioners C. F. Lauderbaugh and Henry A. Koontz voted for annexation and Commissioner Harry T. Vigor opposed it.

Attorneys opposing the annexation in behalf of township residents, Richard C. Addison, Robert P. Barnhart, and Howard F. Wehr, declared they would appeal the decision to the Common Pleas Court within the 60 days they have to act.

Tuesdays' vote involved the petition of Mr. and Mrs. William R. Fornof of 108 Fornof-rd, asking annexation of the following area:

Bounded on the west by High-st, on the north by the city corporation line, on the east by the east side of Parsons-av, and on the south by an irregular line touching Dering-av.

Attorney Harrison W. Smith represented Mr. and Mrs. Fornof. Speaking for annexation were Charles J. Kurtz, Jr., of the Keever Starch Co.; Howard Spain, chairman of the board of the Seagrave Corp.; and Frank Bonnett, president of the Buckeye Steel Casting Co.

Backing them up were 33 other executives of various companies in the two areas approved for annexation.

Fornof, a township trustee who is a member of the firm of Peter Fornof & Son, asserted:

". . . The proposed village (of Marion Park) cannot give us the services we need."

Township residents approved incorporation at the Nov. 2 election.

Spain asserted that industries and commercial firms concerned "consider it imperative" that they go into Columbus where a "stable government" can provide services they need.

"We did not want to incorporate, but the City of Columbus and other people kept working to annex parts of our township," asserted Earl Lupfer, chairman of township trustees and a spokesman opposing annexation.

Fornof's petition and that of Valentine and Elsa Schnider of 1901 S. Champion-av, were filed prior to the beginning of incorporation proceedings.

Included in the Fornof area are the Buckeye Steel Castings Co., the Seagrave Corp, Keever Starch Co., Peter Fornof & Son, The Teeters Packing Co., High-Frank Garage, Hill Distributing Co., Ohio Wool Growers Co-op, and the Immel Co.

County School Superintendent George C. Beery asked the County Commissioners to consider the impact of the annexation on Marion Township schools. The two industrial areas represent a large portion of the $38-million tax property of the township.

COLUMBUS TOWN MEETING TO AIR FREE VERSUS TOLL ROADS

The cost of modern road-building is so high that the states have been unable to provide adequate highways through normal financing. Some states have tried a pay-as-you-drive plan with toll roads.

But there is some question whether toll roads or freeways are what the public wants and the people will have an opportunity to express themselves on Columbus Town Meeting at 1 p. m. Sunday, Jan. 2.

Speakers on the forum simulcast over WBNS and WBNS-TV will be Allison C. Neff, vice-president of Armco Drainage and Metal Products Inc., Middletown; and Jack Marsh of the Ohio Petroleum Marketers Assn., Youngstown. Neff will argue in favor of toll roads, Marsh against.

Moderator of the toll roads forum will be Earl Morris, Columbus attorney. Director, Grace Hare Frye, has invited the public to attend the program at the studio at 495 Olentangy River-rd or to telephone questions to speakers through CA. 8-3981.

In Passing

THE NEW YEAR

A flower unblown; a book unread;
A tree with fruit unharvested;
A path untrod; a house whose
Lack yet the heart's divine perfumes;
A landscape whose wide border
In silent shade 'neath silent skies;
A wondrous fountain yet unsealed—
This is the year that for you waits
Beyond tomorrow's mystic gates.

Horatio Nelson Powers
(1826-1890)
From Bartlett's
"Familiar Quotations."

It is that time again—so I'll wish everyone a very happy New Year. As my favorite shut-in says, "I wish you good health and happiness. Who cares about prosperity if you have them?"

• • •

YESTERDAY

"Turn back the page," I cried,
"I must write another word."
But my voice was lost on the wind outside—
Nobody heard.
"Turn back the page," I pled,
"There's a blot I must erase."
But the wind blew over the field of the dead
And flung the words back in my face.

Mail—From Columbus: "May you have a pin-up New Year. Your pleasures as sharp as a pin point; your way as straight as a pin; your troubles only what could be pinned end to end on the pin head" . . . From Shelby: "I just discovered an awful thing! It is that people I care least about hearing from or writing to are the ones who get the most letters from me. I just whip up a light idea and fling them the froth, telling myself I'll get the easy letters out of the way quick and give myself the time to season the others for the Epicurean palate—result: the others just don't get writ. Gotta do something about that" . . . From Columbus: "My mother-in-law gave me a whole new wardrobe for Christmas. They just don't hardly make mothers-in-law like that no more" . . . from Detroit: "You can be glad Columbus is so far from Detroit. We are entering a house-remodeling period and we'd be camping out with you, otherwise. And I'd be crying all over your shoulder because the carpenters and I don't see eye to eye on so many things. If the wolf isn't panting at the door when we finish the job we may get a new bathroom, then I'll go round and round with the plumbers. I suppose."

This touching verse was on a birthday card:

Birthdays come and birthdays go
In this world of weal and woe.
You yell and kick when you arrive
And if you're lucky, you survive.
You have no teeth and little hair;
Can't talk, can't walk; need lots of care.

Some folks are happy that you came
And when you're gone, some are the same.
Teeth come through, but seldom hit;
Later, those you buy don't fit.
Hair grows out, but later on
It's all thin or gray or gone;
Though you worry, work and slave
And dig yourself an early grave,
A living's all you get at best—
The government takes all the rest.
'oil and trouble never cease
Till at last you rest in peace.
But as this started out to say—
Sure hope you have a happy day.

Since everyone else is quoting George Goble I might as well say "And there you are and here I am," all full of birthday wishes; Christmas cheer and candy. (Only it wasn't my birthday—must have me confused with somebody else.)

End of the year jokes (terribly tired)—"I suppose, like a lot of other people, you would rather have clean money," said the statesman, looking through his bill fold for a new dollar bill. "That's all right, Senator," said the cabman, "I don't care how you made it" . . . An employer severely reprimanded a meek employee, "I understand you've been going over my head. You've been praying for a raise" . . . "Tell me," the psychiatrist asked the mountain boy, "do the voices you hear at night bother you much? What does the voice say?" "It's my old man, yelling for me to get out of bed and build a fire" . . . I listen sometimes when the moments drag and there is nobody here to chat, to a guy on the radio telling a gag, and I know why they call 'em that.

On this happy New Year's day . . . we want to take this space to say . . . how much we've enjoyed our association . . . and to wish you a happy New Year celebration.

Patricia Ann Keffer Is Bride Of Richard Brooker, Oct. 30

Miss Patricia Ann Keffer and Mrs. Richard M. Brooker repeated their marriage vows on Saturday, Oct. 30, before Rev. Ambrose

MRS. RICHARD M. BROOKER

Metzger in St. Aloysius Church. The altar was banked with baskets of white gladiola and white chrysanthemums for the occasion.

Given in marriage by her father, the bride is the daughter of Mr. and Mrs. Edward Keffer, 260 N. Harris-av, and the bridegroom's parents are Mrs. Ruth Brooker, 333 E. Kossuth-st, and Mr. Murray Brooker, 1089 Piedmont-rd.

The former Miss Keffer chose a traditional-length gown of hand-clipped chantilly lace for the occasion. The bodice was outlined with hand cut lace flowers and the long sleeves tapered into points over her wrists. Her bouffant skirt was edged in scallops and worn over a hoop and nylon pleated tulle dust ruffle extending the length of the train.

Her matching headpiece of lace and tulle edged in seed pearls held her finger tip veil of illusion. She carried a prayerbook topped with a white orchid and streamers of ribbon entwined with ivy and white pompon chrysanthemums.

Miss Carolyn Mitchell, maid of honor, wore a cranberry red crystellet gown in ballerina length with formal bodice, tiny shrug jacket and bouffant skirt. The bridesmatrons, Mrs. Elwin Beavers and Mrs. Jack Williams, sisters of the bride and the bridesmaid, Miss Carolyn Held, were identically styled gowns in turquoise blue. Their headpieces were bands of leaves worn with small veils.

The honor attendant carried a basket cascade of pink and rose pompons and the other attendants carried similar arrangements of yellow and bronze pompons.

The flower girl was Susie Beavers, niece of the bride. She was gowned in a white crystellet floor-length gown and carried a miniature basket of light pink and rose pompons.

Mr. Orlando Marrinello served as bestman and the ushers were Mr. Richard Keffer, brother of the bride; Mr. George Sullivan and Mr. Robert Brake. Jackie Williams, nephew of the bride, was the little ring bearer.

The mother of the bride chose a gown of navy blue lace with matching accessories and a corsage of pale pink sweetheart roses. The bridegroom's mother wore a brown taffeta frock with matching accessories and a corsage of white roses centered with mauve chrysanthemums.

Woodmen of the World Hall was the scene of the evening reception. Hostesses were Miss Mary Jo Speth, Miss Kathleen Herderick, Mrs. Harry Green and Mrs. Richard Keffer. Breakfast was served to members of the wedding party at the Seneca Hotel.

The newly married couple are both graduates of St. Mary High School. Mrs. Brooker is employed by Modern Finance Co. and Mr. Brooker by Buckeye Furnace Pipe Co.

Following a wedding trip to Niagara Falls and Canada the couple is at home at 1220 Ann-st.

The Gadabout

By Priscilla LaRue Dicke
HI. 4-1051

We've nearly completed another year again, 365 days of happiness and sorrow, good days and bad. We always wonder what the New Year will bring, but isn't it a kind providence that hides the future from us? My "future" right now is to wish for each and every person a well and happy new year.

A lucky South Sider who will be viewing the Rose Bowl game is Helen Smith of 312 Southwood-av. Helen's folks gave her the trip as a Christmas present and is she ever excited! With so many Buckeye rooters there, OSU just has to win!

Ye Gadabout "played" a dinner job at the Scioto Country Club before Christmas and for a few minutes it seemed like South High School in days of yore . . . We saw Hazel Cooke, Denver Wood and John Read. John is a Dr. now, just as pleasant and nice as always. Among our own Christmas guests this year were Dr. Ray and Nita Bethel, both looking supersharp.

Has anyone discovered a black pocketbook with the name of Baughman on identification cards, etc? Gerry Baughman lost her purse and needs some of the papers in it. Her phone number is HI-4-1471 should any one know anything about the lost article.

Ralph Hughes, 1374 S. Fifth-st, celebrated his birthday three days before Christmas. Ralph is a ninth grade student of Barrett Jr. High.

Our sympathy to Shirley and Bob Gioffre, who lost their first-born daughter a short time ago.

Herb Kaufman recently became a civilian again and considers that a pretty nice Christmas present. Herb's home address is 268 E. Moler-st. He was a South High grad of 1950 and received his discharge from Ft. Bliss, Texas.

George and Jane McGrew don't have any trouble finding things to celebrate at this time of the year. In addition to Christmas and New Year's, three of their offspring have birthdays. They are Polly, Dec. 31; Kittye, Jan. 1, and Jeannie, Jan. 4. The McGrew residence is 219 E. Whittier-st.

The family of Mr. Knepper, 193 Frebis-av, was very happy to have him home from the hospital in time to celebrate Christmas. He was recently a patient at Mt. Carmel.

Four generations participated in a birthday dinner on Dec. 26, in the Stump household at 606 Southwood-av. In addition to Christmas these birthdays take place in the family circle: Laurence Stump, Dec. 22; a grandson, David Stump, Dec. 24, and a son, Dick Stump, on Dec. 27. The honor guest was great grandmother, Mrs. Emma George, who resides at 632 Southwood-av.

Ailing members of our community include Andrew Paskell, 171 Markison-av, who was in Doctors' Hospital; Sandra Zigler, 1522 S. High-st; Mrs. Carl Hell, of 1121 E. Markison-av, who had the flu; Bobbie Davis, 1460 S. Fourth-st; Mrs. Phoebe McGath, 488 Hinman-av, and George Shreve, who recently suffered a heart attack.

Early January birthdays include two real nice gals we know. Sa Happy Birthday to Helen Brancome, 1789 Goethe-st, and to Marge Hoptry, 280 Southwood-av. We know Marge's birthday is Jan. 6, but we're not real sure of Helen's.

Some more contributors to our Gifts for Orient drive were Shirley Butler and Joyce Ann Henery of Bexley; Pattie and Jerry Hampton; Mrs. Hall of Morrill-av and a generous number of articles from the Robbins Dime store. To these folks, we want to express our gratitude for answering our plea for the patients at Orient. They had a wonderful Christmas, mostly through the efforts of our South Side community. Thanks!

Guess we've checked off all our items for this week, so we'll close with a "Happy New Year, everyone." Till next year then, this has been . . . THE GADABOUT

The World Of 1955

In Passing

By Esther Weakley

THE NEW YEAR

A flower unblown; a book unread;
A tree with fruit unharvested;
A path untrod; a house whose rooms
Lack yet the heart's divine perfumes;
A landscape whose wife border lies
In silent shade 'neath silent skies;
A wondrous fountain yet unsealed—
This is the year that for you waits
Beyond tomorrow's mystic gates.
Horatio Nelson Powers
(1826-1890)
From Bartlett's "Familiar Quotations."

It is that time again—so I'll wish everyone a very happy New Year. As my favorite shut-in says, "I wish you good health and happiness. Who cares about prosperity if you have them?"

• • •

YESTERDAY

"Turn back the page," I cried,
"I must write another word."
But my voice was lost on the wind outside—
Nobody heard.
"Turn back the page," I pled,
"There's a blot I must erase."
But the wind blew over the field of the dead
And flung the words back in my face.
B. Y. Williams. Reprinted.

Mail—From Columbus: "May you have a pin-up New Year. Your pleasures as sharp as a pin point; your way as straight as a pin; your troubles only what could be placed end to end on the pin head" . . . From Shelby: "I just discovered an awful thing! It is that people I care least about hearing from or writing to are the ones who get the most letters from me. I just whip up a light idea and fling them the froth, telling myself I'll get the easy letters out of the way quick and give myself the time to season the others for the Epicurean palate—result: the others just don't get writ. Gotta do something about that" . . . From Columbus: "My mother-in-law gave me a whole new wardrobe for Christmas. They just don't hardly make mothers-in-law like that no more" . . . from Detroit: "You can be glad Columbus is so far from Detroit. We are entering a house-remodeling period and we'd be camping out with you, otherwise. And I'd be crying all over your shoulder because the carpenters and I don't see eye to eye on so many things. If the wolf isn't panting at the door when we finish the job we may get a new bathroom, then I'll go round and round with the plumbers. I suppose."

This touching verse was on a birthday card:

Birthdays come and birthdays go
In this world of weal and woe,
You yell and kick when you arrive
And if you're lucky, you survive.
You have no teeth and little hair;
Can't talk, can't walk; need lots of care.

Some folks are happy that you came
And when you're gone, some are the same.
Teeth come through, but seldom hit;
Later, those you buy don't fit.
Hair grows out, but later on
It's all thin or gray or gone;
Though you worry, work and slave
And dig yourself an early grave,
A living's all you get at best—
The government takes all the rest.
Toil and trouble never cease
Till at last you rest in peace.
But as this started out to say—
Sure hope you have a happy day.

Since everyone else is quoting George Goble I might as well say "And there you are and here I am," all full of birthday wishes; Christmas cheer and candy. (Only it wasn't my birthday—must have me confused with somebody else.)

End of the year jokes (terribly tired)—"I suppose, like a lot of other people, you would rather have clean money," said the statesman, looking through his bill fold for a new dollar bill. "That's all right, Senator," said the cabman; "I don't care how you made it" . . . An employer severely reprimanded a meek employee, "I understand you've been going over my head. You've been praying for a raise" . . . "Tell me," the psychiatrist asked the mountain boy, "do the voices you hear at night bother you much? What does the voice say?" "It's my old man, yelling for me to get out of bed and build a fire" . . . I listen sometimes when the moments drag and there is nobody here to chat, to a guy on the radio telling a gag, and I know why they call 'em that.

On this happy New Year's day . . . we want to take this space to say . . . how much we've enjoyed our association . . . and to wish you a happy New Year celebration.

Patricia Ann Keffer Is Bride Of Richard Brooker, Oct. 30

Miss Patricia Ann Keffer and Mrs. Richard M. Brooker repeated their marriage vows on Saturday, Oct. 30, before Rev. Ambrose Metzger in St. Aloysius Church. The altar was banked with baskets of white gladiola and white chrysanthemums for the occasion.

MRS. RICHARD M. BROOKER

Given in marriage by her father, the bride is the daughter of Mr. and Mrs. Edward Keffer, 260 N. Harris-av, and the bridegroom's parents are Mrs. Ruth Brooker, 333 E. Kossuth-st, and Mr. Murray Brooker, 1089 Piedmont-rd.

The former Miss Keffer chose a traditional-length gown of hand-clipped chantilly lace for the occasion. The bodice was outlined with hand cut lace flowers and the long sleeves tapered into points over her wrists. Her bouffant skirt was edged in scallops and worn over a hoop and nylon pleated tulle dust ruffle extending the length of the train.

Her matching headpiece of lace and tulle edged in seed pearls held her finger tip veil of illusion. She carried a prayerbook topped with a white orchid and streamers of ribbon entwined with ivy and white pompon chrysanthemums.

Miss Carolyn Mitchell, maid of honor, wore a cranberry red crystellet gown in ballerina length with formal bodice, tiny shrug jacket and bouffant skirt. The bridesmatrons, Mrs. Elwin Beavers and Mrs. Jack Williams, sisters of the bride and the bridesmaid, Miss Carolyn Held, were identically styled gowns in turquoise blue. Their headpieces were bands of leaves worn with small veils.

The honor attendant carried a basket cascade of pink and rose pompons and the other attendants carried similar arrangements of yellow and bronze pompons.

The flower girl was Susie Beavers, niece of the bride. She was gowned in a white crystellet floor-length gown and carried a miniature basket of light pink and rose pompons.

Mr. Orlando Marrinelle served as bestman and the ushers were Mr. Richard Keffer, brother of the bride; Mr. George Sullivan and Mr. Robert Brake. Jackie Williams, nephew of the bride, was the little ring bearer.

The mother of the bride chose a gown of navy blue lace with matching accessories and a corsage of pale pink sweetheart roses. The bridegroom's mother wore a brown taffeta frock with matching accessories and a corsage of white roses centered with mauve chrysanthemums.

Woodmen of the World Hall was the scene of the evening reception. Hostesses were Miss Mary Jo Speth, Miss Kathleen Herderick, Mrs. Harry Green and Mrs. Richard Keffer. Breakfast was served to members of the wedding party at the Seneca Hotel.

The newly married couple are both graduates of St. Mary High School. Mrs. Brooker is employed by Modern Finance Co. and Mr. Brooker by Buckeye Furnace Pipe Co.

Following a wedding trip to Niagara Falls and Canada the couple is at home at 1220 Ann-st.

The Gadabout

By Priscilla LaRue Dicke

Hi. 4-1851

We've nearly completed another year again, 365 days of happiness and sorrow, good days and bad. We always wonder what the New Year will bring, but isn't it a kind providence that hides the future from us? My "future" right now is to wish for each and every person a well and happy new year.

A lucky South Sider who will be viewing the Rose Bowl game is Helen Smith of 312 Southwood-av. Helen's folks gave her the trip as a Christmas present and is she ever excited! With so many Buckeye rooters there, OSU just has to win!

Ye Gadabout "played" a dinner job at the Scioto Country Club before Christmas and for a few minutes it seemed like South High School in days of yore . . . We saw Hazel Cooke, Denver Wood and John Read. John is a Dr. now, just as pleasant and nice as always. Among our own Christmas guests this year were Dr. Ray and Nita Bethel, both looking supersharp.

Has anyone discovered a black pocketbook with the name of Baughman on identification cards, etc? Gerry Baughman lost her purse and needs some of the papers in it. Her phone number is HI-4-1471 should any one know anything about the lost article.

Ralph Hughes, 1374 S. Fifth-st, celebrated his birthday three days before Christmas. Ralph is a ninth grade student of Barrett Jr. High.

Our sympathy to Shirley and Bob Gioffre, who lost their first-born daughter a short time ago.

Herb Kaufman recently became a civilian again and considers that a pretty nice Christmas present. Herb's home address is 268 E. Moler-st. He was a South High grad of 1950 and received his discharge from Ft. Bliss, Texas.

George and Jane McGrew don't have any trouble finding things to celebrate at this time of the year. In addition to Christmas and New Year's, three of their offspring have birthdays. They are Polly, Dec. 31; Kittye, Jan. 1, and Jeannie, Jan. 4. The McGrew residence is 219 E. Whittier-st.

The family of Mr. Knepper, 193 Frebis-av, was very happy to have him home from the hospital in time to celebrate Christmas. He was recently a patient at Mt. Carmel.

Four generations participated in a birthday dinner on Dec. 26, in the Stump household at 606 Southwood-av. In addition to Christmas these birthdays take place in the family circle: Laurence Stump, Dec. 22; a grandson, David Stump, Dec. 24, and a son, Dick Stump, on Dec. 27. The honor guest was great grandmother, Mrs. Emma George, who resides at 622 Southwood-av.

Ailing members of our community include Andrew Paskell, 171 Markison-av, who was in Doctors' Hospital; Sandra Zigler, 1522 S. High-st; Mrs. Carl Heil, of 1121 E. Markison-av, who had the flu; Bobbie Davis, 1469 S. Fourth-st; Mrs. Phoebe McGath, 488 Hinman-av, and George Shreve, who recently suffered a heart attack.

Early January birthdays include two real nice gals we know. So Happy Birthday to Helen Branscome, 1789 Goethe-st, and to Marge Hoptry, 280 Southwood-av. We know Marge's birthday is Jan. 6, but we're not real sure of Helen's.

Some more contributors to our Gifts for Orient drive were Shirley Butler and Joyce Ann Hesery of Bexley; Pattie and Jerry Hampton; Mrs. Hall of Morrill-av and a generous number of articles from the Robbins Dime store. To these folks, we want to express our gratitude for answering our plea for the patients at Orient. They had a wonderful Christmas, mostly through the efforts of our South Side community. Thanks!

Guess we've checked off all our items for this week, so we'll close with a "Happy New Year, everyone." 'Till next year then, this has been . . . THE GADABOUT

NEW YEAR'S EVE SERVICE

Somber Note Of Caution Sounded As Annual March Of Dimes Starts

The annual March of Dimes will open next week throughout the nation with a sober note of caution being expressed by Dr. Ralph E. Dwrok, director of the Ohio Department of Health.

"We still do not know if the trial vaccine has prevented one case of paralytic polio," Dr. Dwork said.

"We do know that parents are anxiously awaiting an answer. The scientific evaluation of the vaccine developed by Dr. Jonas E. Salk is a time-consuming and precise task. It involves detailed records of nearly two million children who were vaccinated or are acting as controls.

"The Poliomyelitis Vaccine Evaluation Center at the University of Michigan is now studying data on children in 14,000 schools in 217 study areas. Laboratories are processing and testing more than 40,000 blood samples to determine the amount of protective antibodies against polio present in their bloodstream," Dr. Dwork elaborated.

Before an answer to this huge jigsaw puzzle can be worked out, all data must be recorded on coded cards, and then analyzed. Dr. Dwork said the work is being done as fast as possible, but there is no way to hurry the process.

With hope the answer to the trial is satisfactory, the National Foundation for Infantile Paralysis has taken a calculated risk by obligating $9,000,000 of the March of Dimes funds for the manufacture, this winter, of additional vaccine.

This was done so that enough of it to vaccinate 9,000,000 individuals will be ready in the spring without charge for the product. The purpose is to make some vaccine immediately available, if licensed, and to keep manufacturing facilities tooled up for continued production.

If the vaccine evaluation report is negative, or inconclusive, March of Dimes-financed vaccine research will be intensified.

Meanwhile, day and night, seven days a week, Dr. Thomas Francis, Jr., of the University of Michigan, is directing the biggest study of its kind in history. A staff of 150 men, with the aid of government census experts is compiling 144,000,000 facts from tons of records which are being poured into the record machines.

The Poliomyelitis Center at Ann Arbor is housed in a building formerly used as a maternity hospital, and appropriately enough the figures are being assembled in what was the delivery room.

The March of Dimes campaign is being conducted by the National Foundation through its hundreds of local affiliated chapters. The fight against polio is being waged on four fronts—polio prevention, patient aid, scientific research, and professional education.

Students Prepare Thumbnail Sketches Of Adult Personnel At Hamilton High

Editor's Note: The following two thumbnail sketches were written by students at Hamilton Township High School concerning personnel of the school.

STUDENT TEACHER

Howard Wagner, a student at Ohio State University, is doing his student teaching at Hamilton Township High School during the third quarter of his senior year. He lives in Columbus, was graduated from South High School in June, 1949, and started to college in August of 1949. He continued his college work until January of 1953 when he was called into the army.

Stationed at Camp Polk, La., Wagner played in the 37th Division Band. In August 1953 he was discharged from the army and picked up his schooling where he left off. He was in the Columbus Boy Choir School from 1941 to 1945. Later he was in charge of the children's choir at the South Methodist Church.

Wagner is now superintendent of the junior choir at the South Methodist Church. His hobbies are photography, reading, music, travel, dancing and bicycling. He is a member of the Amateur Bike League of America, and plans to take a 2,000 mile bicycle trip to the New England states and into Canada in a year or so.

Wagner says he has enjoyed his stay at Hamilton Township High School. The school will miss him very much, especially the band students.

CUSTODIAN

McMillin, a custodian at Hamilton Twp. High School and his associates start working at the building in the late afternoon, and stay all night until 5:30 or 6 the next morning. Then they return at 12 noon and leave at four in the afternoon. The amount of fuel for the furnace runs six to seven tons a week with an average of about 24 tons a month.

McMillin has been at Hamilton for about five years. He also has a son who works at Hamilton. The elder McMillin works five and one-half days and ten or more hours overtime when the weather is bad. Sometimes he works two six-hour nights and two hours on Sunday. This all depends on the weather.

The school has a 30 horsepower boiler which runs automatically. This is stoker fed. McMillin and the rest of the custodians at Hamilton keep 500 pupils and teachers warm every day during the fall and winter months.

Joint Commission Grants Its Full Accreditation To Mercy Hospital

Full accreditation of Mercy Hospital, 1430 S. High-st, by the Joint Commission of the Accredation of Hospitals was recently announced by Charles B. Beard, chief administrator of Mercy Hospital.

With the accreditation of Mercy, Columbus has become one of the few cities in the U.S. in which every eligible general hospital is accredited. The 100 per cent Columbus record compares more than favorably with the national picture, as only 51 per cent of the nation's hospitals have been similarly accredited.

To assure the best possible medical care to patients, the Joint Commission has established high standards and regular surveys and evaluates all phases of hospital operation. Making up the commission are representatives of the American College of Surgeons, American Medical Association, American Hospital Association, and Canadian Hospital Association.

Working with the cooperation of the Columbus Hospital Federation, Mercy completed a two-year period of reorganization and requested the Joint Commission to resurvey its facilities. On the basis of the commission's report, full accreditation was granted.

The commission's representative, a physician, considered such features as the type and quality of surgery performed, general condition of the hospital's physical plant, quality and organization of the nursing department, maintenance of medical and administrative records, cleanliness of the hospital and quality of foods served patients.

Mercy was originally accredited by the American College of Surgeons in 1917, its reaccreditation by the Joint Commission replacing the former.

Re-accreditation by the Joint Commission came to Mercy in the 50th year of its operation, crowning the non-profit hospital's "golden jubilee." It was originally founded by Dr. Joseph Price in 1904 in a 12-room farm house on S. High-st, and is still the only institution of healing in the city's south side area.

Today, Mercy is a well-organized, efficient, modern hospital of 115 bed potential, providing the best possible patient facilities and medical care—with a little something extra added, a reputation for friendliness and personal concern over the welfare and happiness of patients.

Southwood CofC Edges South Methodist 32-20 In YMCA Junior Church League

In the South Side YMCA Jr. Church Tuesday Basketball League last week Southwood Church of Christ edged South Methodist 32 to 20 in the first game while Emanuel Lutheran stayed unbeaten by downing Ohio Avenue EUB 30 to 20.

With Frank Meadows and Thompson furnishing the scoring punch of 14 and eight points respectively, aided by some nifty floor work by Bayes and Cantor, Southwood Church of Christ turned back an improved South Methodist five 32 to 20. Bob Riffle and Jim Yockey were the big guns for South Methodist, each scoring eight points Southwood Church of Christ won the reserve game 8 to 0.

Emmanuel Lutheran had to keep plugging to down a scrappy Ohio Avenue team 32-20 R. Reall, D. Roberts, and Bobby Bateman sparked Emmanuel's attack, with Bateman's 12 points being high for both teams. Dave Long, with 10 points, and Sanner with eight points, led Ohio's attack, with Steve Rounds displaying some fancy floor work. Emmanuel Lutheran reserves and Ohio's reserves battled to a 5 to 5 tie.

Oakwood Methodist Bops Central Community In Wednesday Church Loop

In last week's South Side Jr. Church basketball Wednesday League, Oakwood Methodist, paced by Bob Secrist's 18 points downed Central Community 32 to 15. J. Fritz helped Oakwood's cause by playing a stellar floor game plus netting eight points. Lennox and Kenny Schumaker paced Central Community with Lennox netting eight points. Oakwood's reserves defeated Central Community's reserves 10 to 0.

St. Paul Evangelical and Reformed, paced by Bruce Gischel's 20 points, downed St. John's Evangelical and Reformed, 37 to 26 in a hard-fought battle. Ellerich, Flovin and Karrer each sank six points for St. John's. St. John's reserves won a 11 to 4 victory over the St. Paul reserves.

A cheery card would be a thoughtful thing to send to Ann Cashan daughter of Betty Yeakum 343 Sycamore st Ann is currently in room 931 in Mt Carmel Hospital

Too late for last week's column were the thanks due to Omega Sigma Sorority, which contributed to the Christmas project The president of the sorority is Dorothy Bennett 3740 Eakin rd

New Year—

(Continued from Page 1)

in England, representing the coming of the Magi to the Manger in Bethlehem — significant of the coming of a new dispensation

Planting, harvesting, what we call "superstitious beliefs" including voodooism, all belong to some group's observance of what we call New Year's Day

In a section of England for long years there existed, and now, in a limited way continues a strange observance which however, is considered more of "horse play" than a serious contemplation of the significance of the occasion Men from farms in a vicinity built a likeness of the head of a horse, hinged the jaws, which were controlled by pulling a string, and then put two or three men under cover to somewhat resemble the body of a horse Then they went on their way to visit and "scare" as many as possible

From Long Ago

Out of the cradle of mankind came an interesting story of the observance of a new year At the appointed day the prophet of Marduk of Babylon arose before day light on the first day of the new year, bathed in holy water brought from the Euphrates and the Tigris rivers, and went to a sanctified chamber Ysagele or High Temple, where he pulled back the curtain screening the image of Marduk god of the city, whom the priest praised in extravagant poetry as

Lord of all mortals ruler of divine
Marduk Light resplendent, who dost deign
Within this House of Light to set thy name

Jewish New Year

Within our midst among our neighbors and friends there is an illustration of the differences of New Year's observances among the people of the world. Whereas we date our beginning of a year from the birth of Christ, the Jews of the world continue, as from the beginning to observe dating from the Bible story of creation Thus, this year, for the Jewish people of the world, is Rosh Hashana 5716 Some of the natives of Greenland count the beginning with winter, which is the predominant fact in their living

On the other hand, in the past the Seminole Indians of Florida ignored all but summer, the predominant season in their life

As we pass from contemplation of these and other types of new year beginnings, we look to our neighbors with different New Year's observances and wish them all a "Happy New Year."

Popular music has passed from the groaning stage to the shrieking stage and now is headed it seems for the ec ec ou ah-oou level

Librarians Process 16 Book Tons Ere Moving

Librarians at Parsons Branch Library this past week felt like adopting the popular coal miner's song as their personal theme. Moving 15,000 books, estimated 16 tons in weight from the old branch to the new building seemed an endless task. Shown working on a pre move book inventory are seated (left to right) Miss Janet Letow, 1414 S. Fourth-st; Miss Roberta Dworkin, 960 Berkley rd, and Miss Marphyl Aleshire, 890 Bruck-st, and standing, head librarian Miss Margaret Bausch, 1258 E. Livingston-av, and Miss Katherine Bennett, 34 W. Tulane rd. Watch The South Side Leader for announcement of the opening date for the new building at 845 Parsons-av Details to be ironed out before the opening include work on the floors, obtaining hardware for the front door, and transfer of registration cards. In the meantime patrons can drop books in the book return slot of the new branch and their library card entitles them to sign books out from any other branch of the Columbus Library system.

Colorful Household Gloves Are Styled to Fit

BY EDNA MILES

THE grudge that most housewives have against household gloves is that they don't fit They grant that they're necessary, that gloves protect the hands and keep them from roughening But, they say, they're clumsy to wear and it's difficult to handle things with them on

Actually, they should fit So news of household gloves that are streamlined for fit (and pretty, too) is welcome You try on these gloves just as you do your dress gloves They're made of neoprene, are completely washable and resistant to oils, acids, caustics and greases

Styling has been added to fit There's a glove in ebony black, there's a fabric-lined glove in delicate pastels and there's a glove in celestial blue

You should make a habit of wearing your household gloves whenever you do dishes, whenever you do any housework hard on your hands In addition keep your favorite hand cream or lotion handy on a shelf in the kitchen for a good creaming several times a day No manicure can prettify hands roughened by heavy housework and lack of care

Fit to wear, that's the news in household gloves. Homemaker has chosen this pair, after trying on several sizes.

SERMONS IN SERIES

Beginning with Sunday, Jan. 8, Rev Otto F. Stolzenburg, pastor of Zion Lutheran Church, will, he has announced, deliver a series of sermons, each titled separately, but coming under the general head of "What Lutherans Believe and Teach."

Hello:

Since you have taken down your bright Christmas decorations, does your house seem bare and dull during these mid-winter days? One excellent way to brighten up is with **flowers**—either with fresh, fragrant **cut flowers** which will last for several days — or with green, growing **plants**. We have a nice selection of **planters** from $3.50 and up. Small pots of ivy, philodendron and other green plants range from only 25c through 50c. Come in and look around the greenhouse to see what you can find to interest you

Belated birthday greetings to many — Mrs. Sichler, Mrs Ely, Mrs. Joseph Price, Lena Poczik, Mrs Ruth Sharp — anniversary greetings to Mr and Mrs. Jerry Richardson who recently had their 47th. to Mr and Mrs. R. Adams, Mr. and Mrs. Ralph Ross, Dr and Mrs. William Sherard, Mr and Mrs Charles Smith and Mr. and Mrs Jim Ruffle

Get well wishes to Wood Park, Mrs. Jessie Smith, Mrs. Catherine Correll, Mrs. Arthur Barthelmas, Mrs. Elizabeth Metro, Almo Sayers, Mrs Imogene Curtiss, Mrs. A. E. "Puddle-jumper" Driving is KID STUFF

These wintry, rainy, puddly months may be fun for kids—but for drivers they spell D-A-N-G-E-R!

Expert drivers know it's just plain crazy to drive with smearing windshield wipers or to try to "make time" on wet, winter roads. But not "kid stuff" drivers!

These dashing show-offs rush recklessly along, forgetting that puddles often hide axle-breaking potholes . . . or that rain-slicked pavements can send cars skidding off the road merely from a sharp turn or sudden braking.

Winter driving offers hazards enough without childish drivers adding to the roadside toll. Maybe they'd drive like adults if they knew how surely they were numbering their own days.

An official public service message prepared by The Advertising Council in cooperation with the National Safety Council.

GREEN CROSS FOR SAFETY — CARELESS DRIVING IS KID STUFF — PLANES ALWAYS FLY INTO THE WIND

In Passing

By
Esther Weakley

ENIGMA

When I have wandered through a thousand years
Or more, when my dust is flesh
Will I be just as foolish as before
Or will I have grown strong and wise by then?
Will something of this former life be left
To guide me, where before I lost my way?
And will I—walking through a clover field
Encounter Love again one shining day
And pass him by, knowing his treachery,
Or boldly toss my unlearned heart his way?

Olive Marie Blough.

After Christmas — little girls passing, carrying new dolls; trying out Christmas roller-skates and wearing new coats and scarves and mittens . . . little boys in new football uniforms and helmets and trying out their new guns . . . men, self-conscious in new Christmas ties and shirts . . . motherr leading and carrying youngsters in new snow suits. I hope everyone had as happy a Christmas as we did at our house. Any day is happy when we have our children, grandchildren, relatives and close friends here. Guess it would be too much to expect the Christmas spirit to last all year, but wouldn't it be wonderful! (I'm aware that the last sentence is trite, and it has been written millions of times, but I still think it would be wonderful.)

• • •

From somewhere — "Yes, I'll give you a job. Sweep out the store." "But I'm a college graduate!" "O K then. I'll show you how." The woman's work that is never done is something she asked her husband to do . . . Within the perfect lawn's confines, dew's on the grass; don't on the signs . . .

Ten cents, when I was twelve or so.
Was quite a hefty hunk of dough,
But should I now attempt to make
It suffice for his weekly take,
My son would think me quite deranged
Of recent years, how dimes have changed!

• • •

My private Waterloo — Rita's sobbing . . . the Dean Martin Jerry Lewis feud . . . Dean Martin and Jerry Lewis alleged comedy . . . packing Christmas away for a year . . . pine needles down my back . . . Christmas bills.

• • •

Overheard in passing — I had decided to stop smoking but Santa Claus brought me two lighters and two cartons of cigarettes, so how can I? . . . In 10 years, how will anybody get anywhere? And where will everybody park?

Long Coast Line

The United States has a long general coast line, according to a recent count. Omitting Alaska, which has a coast line of 6,640 miles, there are 24 of our states which front on the Atlantic and Pacific Oceans. These give a total of 3,355 miles of running coast line.

Mother, Baby Care

The next class in "Mother and Baby Care" will be offered by the Home Nursing Service of the Franklin County Red Cross starting Wednesday, Jan. 11.

The course consists of six lessons within a period of three weeks, giving instruction in prenatal care, preparation for the baby's arrival, and the care of both mother and baby during the first year.

If you have anxieties about the baby's birth, knowing what to expect during delivery will provide the needed confidence. If there is timidity about handling, bathing and feeding the new baby, there are demonstrations, discussions, and even practice in holding a baby, giving an actual bath and in making formulae and sterilization of bottles and nipples.

The "Mother and Baby Care" class will meet Wednesday and Friday afternoons, 1 to 3 p. m. at Red Cross headquarters, 30 E. Town-st. The course will be completed Friday, Jan. 27.

Enrollment for the class may be made by calling the Nursing Service office at chapter headquarters, CA. 8-1511.

Chinese 'Slate Cleaning' Ritual At New Year Began Long Ago

By Staff Writer

Many of the habits practiced by modern-day people have their rootage in the long ago. And many of these habits border, at least, on the superstitious, having grown from the time when superstition had much greater influence in the lives of men and women than now.

One superstition which has been around since the world was in intellectual darkness is that of "cleaning the slate". The "cleaning" had to be done before the end of a season, or year, or period. This is indefinite, since time has not always been measured as we measure it.

One of these superstitions, or new year habits, came from ancient China and Mongolia and related areas. That is the habit of paying all debts not later than the day before New Year's. A traveler in China previous to the dropping of the Dark Curtain—when traveling was freely engaged in and was without interference as long as the traveler minded his own business and let others alone—could find stories unlimited about the past and about habits of the past

Limited Area

One of these stories heard in an "away-back spot" of China centered about a Chinese mandarin, and had its acceptance in a limited area — say a few hundred squre miles It was said that this mandarin "cleaned his slate" by killing those to whom he owed material goods or obligations—cleaned his slate and credited himself with what the person who was "cleaned" had claimed as his right.

The story, like hundreds of stories available in all undeveloped sections of the world, may have a foundation — or it may not. But, with variations, the story can be heard—or could be heard before Communist Darkness descended—over a large part of central China Modifications in the structure of the story and its dependability increased as one reached the coastal areas.

Take On Faith

In a country so vast and so lacking in integration of people and purposes, it was natural that beginnings could not be pinned down However one story heard frequently in the north and in the south, and with some degree of universality, is that of a Chinese god who, wishing to perpetuate happiness, chose a maiden to offer to the poorest yet worthy young man in the area as his wife The maiden, happy because of her good fortune, asked the god for one favor—that every virtuous maiden in the realm should be provided with a husband as fine as that one selected by the god for her

The favor was granted, and thereafter every marriage was a perfect mating and the god decreed that at every new year's beginning all gods should bestow greater loveliness upon every maiden and make every one a happy wife and mother

And some Chinese have said that's why (previously) every man and woman in the realm was happy even in the face of poverty.

Iroquois For "Strong"

Could you answer properly, "right of the handle," if you were asked the meaning of the name applied to our State of Ohio" Recently the question was asked of an even dozen people passing along the street Not one knew the answer. "Ohio" equals "strength" or "strong" in Iroquois language, hence the name of our state, Ohio.

Give "Y" Report At Appreciation Dinner

Monday evening, at the annual recognition and appreciation dinner of the South Side Y, industrialists and other business men who have made possible the Y program in Columbus will hear of plans and will learn the identity of the new board of management, to serve for the next 12 months, according to South Side Y executive M. V. "Cap" Hoover. The dinner is under the management of the South Side Branch Youth Councils.

The dinner, to be at 6:30 p.m in the Ohio-av EUB Church, at 1013 South Ohio-av at Stanley, will be a recognition and appreciation affair for the young people who have given of their time and energies to various activities associated with YMCA work, "Cap" Hoover told the Leader representative.

The board of management for the ensuing year was recently elected, but no public announcement will be made until the hour of the dinner Monday evening.

Entertainment

Joseph L. Davis, chairman of the program and recognition committee, and R. L. Hepner have had charge of developing the program, and the latter will present

JOSEPH L. DAVIS

the various speakers and entertainments. Among these will be several numbers and solo work by members of the Boys' Glee Club. Along with the Glee Club for the occasion will be former member William Galagher, who will give a special number.

The occasion was considered a fitting time for Y-Executive Hoover to make the annual report, which will be presented by a narrator, South High Y's Tom Welch.

Hopalong and Ebert

Two All-American OSU greats have been announced, the Y executive said. These are Paul Ebert, now a medical student at OSU, and the "great name" in OSU football 1955 records, Hopalong Cassidy

Lila Babbert, vice-chairman of Young People's Inter-church Councils, is expected to speak on the subject of the Councils.

Bob Dean, president of Young People's South Side Y Interchurch Councils, will preside at the evening's affair.

The entire program, Executive Hoover said, centers around the "Appreciation Night" theme.

Dinner is scheduled for 6:30, with the program developing in order after the dinner is finished.

Random Thoughts

From OG's Notes

A bit of the sweetness of life came in just now — over the phone. It was from Mrs. I. L. Bier, 742 E. Gates-st, about whom we had a holiday story a few weeks ago—about renovated dolls for needy little ones. Mrs. Bier said some nice things we were glad to hear. But it is she who deserves such nice words; we merely recorded an existing fact of selflessness. She dresses many discarded dolls for little ones in need — and through the renovated and newly dressed dolls Mrs. Bier pours out her love. Take some old dolls to Mrs. Beir, won't you?

Space Limited

Result of driving from the north of Columbus to the south of the city: in a few years, which will give way to the other, pedestrians or automobiles? It can't forever go on as it is. There simply is not room for both in the narrow things we call streets. Wider streets? No, there's no place to put wider streets; the buildings are too large to trim. Progress has its p nalties

* * *

Be Happy

South Side people will be interested in an expected early announcement by traffic authorities pointing out improvements in traffic speed-up. Our problems are serious, the desires and intentions of the traffic bureau officials good but the possibilities of great improvement are little. As Traffic Commission Chairman Otto Meier said not long ago, "The space is too small for the number of cars on the streets." We should keep that in mind as we get "het" up about the congestion—resolve to do the best we can and be happy in spite of traffic congestion.

* * *

Less Sadness

Tragedies plagued the holiday spirit. Men, women, children died while in pursuit of happiness. Would be good if we, all of us, could combine the pursuit of happiness with sensible caution. That way more people would catch more happiness with less sadness. How vulnerable is the claim of man to be of "superior" nature!

* * *

Happy Events

Two happy events — no, there are three—just YOU sit here and see what a news man has to unravel. Here I am trying to tell of two events — but there are three, and yet there are only two! What'll I do? Well, it's this way one thing has two parts—now, that's fine, and we can go on and sensibly tell about it: This Thursday and Friday nights Siebert Elementary School (got both nights in, you'll notice) P.T.A. will present "Siebert Follies"—and it's grand. I've had a look-see into their plans—and it's all good. Two evenings, the second a repetition of the first. Then, the next week, Heyl schoo has Open Night—dedication of the new addition to the school. All Heyl people will want to get into the beautiful building and hear W. W. Miller, assistant superintendent of schools There's a story about each in this issue of the Leader

Rally

A special missionary rally is to be held Monday evening, Jan. 16, 7:30 p.m. at the Whittier Street Tabernacle Guest speaker will be Rev. Orville Leonard, president of Caribbean Missions. This service is sponsored by the Missionary Department, Mrs. Gates Lawson, president. The pastor is Rev Walter Taylor.

Council To Meet

The Council of South Side Organizations will have its regular monthly session this Thursday evening. The meeting will be held at the South Side YMCA.

Heyl School Open House To Disclose Modern New Addition; W. Miller, Speaker

In the foreground, looking at the new Heyl addition to be dedicated, are left, Mrs. Ralph Ross, PTA publicity chairman, and Mrs. Harlin McCoy, PTA president. The ladies were having Leader Editor Godoist over to prove their claim that the new addition is "truly splendid."

Vendors Get Help In Tax Returns

For the convenience of merchants and others holding Ohio vendor licenses, the Ohio Department of Taxation designated Columbus Engine House, Parsons-av and Hinman-st, as the depot where vendors may make their returns for their next semiannual sales tax.

A representative of the department will be on the stated premises from 8 o'clock in the morning until 5 o'clock in the afternoon on each of the following days: Friday, Jan. 27; Monday, Jan. 30; and Tuesday, Jan. 31.

Vendors seeking assistance from examiners will be required to present all records necessary to substantiate the figures to be reported, such as a copy of their return from the previous period, a record of gross and exempt sales and a record of taxable sales of 41 cents or over for the period July 1 to Dec 31, 1955.

Vendors will also be required to bring copies of their purchase orders showing the amounts of stamps purchased during the last half of 1955.

W. W. MILLER of the Board of Education will deliver the dedicatory address of the open house Thursday evening, Jan. 19, at the Heyl Elementary School celebrating the completion of the addition of a wing to the school's facilities.

Parents and others in the Heyl-av school area will have an opportunity to view the new addition to the school when open house is held in the new building Thursday evening, Jan. 19, according to an announcement by Mrs. Ralph Ross, Heyl PTA publicity chairman

The occasion of the open house is the completion of the new modern addition to the school building. The addition is a new wing added to the northwest side of the building, providing for six new class rooms plus a kindergarten room.

Dedication of the new addition to the Heyl-av school building will be by W. W. Miller of the Board of Education, and will follow the musical program.

Innovations

Several innovations are marked in the new building, the publicity chairman told The South Side Leader. Quoting the publicity chairman, "the kindergarten room is a dream, done in green and rose. A counter with formica top in a soft rose color runs completely around one wall with a wash bowl in the center . . . and a private connecting toilet and wash room between the kindergarten rooms, everything being scaled to the little-people sizes of those who will use the rooms."

Publicity chairman Mrs. Ross described the modern, alluring new school facilities, but it was agreed that the open house will serve to give all patrons and friends of the school a first-hand opportunity to appreciate the grandeur of the new addition to the school building.

Parents Meet Teachers

At the open house, everyone, Mrs. Ross stated, will have opportunity to "go all over" and see all of the new, approximately $100,000 building and meet teachers in the classrooms of the children.

The Board of Education presented the new school kitchen with a new range and the PTA, of which Mrs. Harlan McCoy is president, has voted to buy and install a new refrigerator. The same group has previously purchased a coffee and tea service, dishes and silverware, for use at various entertainments and meetings. It has also been announced that the PTA will help to furnish the kindergarten room with needed supplies beyond that furnished by the Board of Education.

Teachers in the new section are Mrs. Ruby Gilliland, kindergarten; Miss Catherine McLean and Mrs. Helen Myers, first grade, and Mrs. Margaret Stanton, second grade.

Dedication Program

At the open house a week from now the Parents' Chorus will present a program of songs under the direction of Richard Wallace.

Mrs. Knight Was Right

In placing that classified advertisement in the Leader classified columns for "AMC refrig., 6½ cu. ft." Later, when again placing a classified ad in the Leader, this time for a typewriter, Mrs. James Wright, 1218 S. Washington-av, told Mrs. Henrietta Sabine, helpful classified ad taker: "Received 25 calls and people were still calling two weeks later. One call was from Urbana, Ohio." Of course, we hear so much like this that one might think we'd tire of it. But we love it—we love it because Leader classified advertising is a daily reminder that we are performing a genuine service for hundreds and hundreds of people at such a mighty low cost.

Attacker Of South Side Woman Unknown; Hunt On

A suspect in the brutal attack Thursday evening of last week on Mrs. Jenny L. Baker, wife of G. E. Baker, 641 Siebert-st, was released after intensive investigation of the case, according to a statement at Homicide Bureau Tuesday morning of this week.

Said to be one of the most vicious attacks on a woman reported to the police, efforts to apprehend the guilty person continue, the Leader was told, and will continue as long as there is a clue available

"Body" Landed

Mrs Baker, aged 62, a slight woman, was on her way to her home when the attack took place As told to the Leader newsman when he interviewed Mrs. Baker in her home, she was walking south on the east side of 17th-st, at 8 o'clock, when she suddenly felt a body "land on my back." The "body," she said, turned out to be a vicious "body"—evidenced, Mrs. Baker said, by flailing fists.

Results of the flailing fists were evident when the Leader newsman called on her Tuesday Restricted left-eye vision, which she had reported, was accounted for by the condition of the flesh around the eye and the discoloration and bruised eye itself Headaches, Mrs. Baker said, were constant, and her bruised body constantly reminded her of the battle she had fought with the attacker. He told her he would cut her throat.

Determined Opponent

Mrs. Baker was a determined opponent. As soon as her frail body caught the impact of the

Mrs. Jenny L. Baker

man on her back, she determined, she said, to fight as long as she was conscious, which apparently she did. The attacker dragged her into the alley back of 851 Reinhard-av, where she lost consciousness. The man was believed to have been frightened away by an approaching neighbor

Other evidence of the brutality of the attack was Mrs. Baker's left jaw which was badly injured. Shots of anti-tetanus medication have been made to ward off lockjaw, Mrs Baker said

The released suspect, the homicide bureau said, was exonerated from all responsibility after thorough tests of what had appeared to be blood on his clothing when he was picked up in the general vicinity of the attack Tests proved that the stains, if blood, were not the same as the blood lost by Mrs. Baker.

Mrs. Baker was on her way home from work, about 8 o'clock, when the attack was made. Now, Mrs. Baker told the Leader reporter the income stops and she is worried about the large expense being incurred It was said that it will be some time before she can return to her work.

The interview with Mrs. Baker was at the Baker home, where she had been brought from Mercy Hospital.

Leader Asks National First Baby Place

A claim by an Eastern television station of the title of "first father in the nation in 1956" for a Pennsylvania man last Thursday evening resulted in an effort by The South Side Leader to recover, if possible, a share of prizes, or funds, for South Side parents of the first baby born in Columbus' South Side, and apparently in the city of Columbus.

Members of the Leader staff saw part of the Eastern television program and reported it to the office. The New York station, WBNS, had announced prizes for fathers of the firsts in single, twins, triplets, and quads, some of whom were on the screen in New York, while the Pennsylvania man and another were delayed when their plane was grounded by a deep fog which blanketed the East for a number of hours.

An Injustice

Upon learning of the injustice to the South Side man and his wife, the Leader immediately dispatched a telegram to the New York station, calling attention to the fact that their "one second after 12-baby" was not the first 1956 baby, since we had one in our community, and stating that it was an authenticated birth, and at one second after 12 o'clock midnight, on the morning of Jan. 1, 1956, requiring a tie instead of a first.

Several days having passed without any communication from WBNS in New York, another message, a letter, has been dispatched by the Leader, urging that ratification should be made and national recognition be given on the television station of the equal claim of the Columbus South Side parents, Mr. and Mrs. William B. Bower, 657 Lathrop-st, who, of course, won the many prizes given by advertisers in The South Side Leader for the first area baby born in the new year.

Mrs. Bower was delayed several days in returning to her home, where four other children awaited her and the new daughter.

St. Leo Dance Saturday Night

Committee members having responsibilities in connection with the round and square dance sponsored by St. Leo PTA in the social hall this Saturday, Jan. 14, 8:30 to 11:30 p.m., are Mrs. Leo Martens and Mrs. Thomas Cahill, the co-chairman; Mrs. Donald Murnane, Mrs. Stout, and Mr. and Mrs J. P. Schmidt

Mrs. James Whalen, ticket chairman, stated that tickets are available from any member of PTA or at St. Leo's social hall, for 50 cents each.

Pastors Coming Here

Ohio ministers are coming to Columbus in great numbers, according to an announcement by the Ohio Council of Churches. They will descend upon the city for the annual convention of Ohio pastors, with headquarters and meeting place in the Veterans Memorial building. The convention will continue from Jan. 23 to 26. Many noted speakers are to present addresses, it was stated.

Big Scores Mark Opener In Cager Play

In the opening S.S.Y Church League games last Tuesday lopsided scores seemed to be in order In the opener the strong Southwood C. of C. cagers downed a small but game Emmanuel Lutheran squad 36 to 14 The score at the half was 23-3 For Southwood Hoke and Kirby scored 14 and 11 points respectively Larry Middendorf was high man for Emmanuel with seven points.

In the second game of the evening Hungarian E. and R. outscored Livingston Avenue Methodists 19-3 David Santo led the Hungarian E. and R. attack with 10 points. David Duerler was the big gun for the Livingston team, scoring all three of its points. Livingston has the smallest team in the league, but it played hard all the way

In the Wednesday League, Central Community downed a hard-trying St Paul E. and R. team 39 to 10. Six boys broke into the scoring column for the well-balanced Central Community attack. Kenny Schumacker's 18 points featured. For the St. Paul boys Gischel and Crary were high with 5 and 4 respectively. In the other game, Ohio Avenue defeated St. John E. and R. 25 to 15. The score at the half was 11 to 7 in favor of Ohio. Three boys with six points each carried the load for Ohio: Steve Rounds, Willard Miller and Larry Badger. Jerry Freibes scored best for St. John, looping in six points.

Two Straight

Barrett's Jr. Hi-Y basketball team won its second game of the season, beating the Starling cagers 31-9, giving Barrett a 2-0 record. Scoring for Barrett was as follows: Robert Jacobs 9, Jim Smith 2, John Castle 1, Frank Engle 2, Frank Bullock 17.

In Mode of Roaring Twenties

One of the fascinating phases of the "Siebert Follies" to be seen at 7:30 this Thursday evening and tomorrow, Friday, evening in Siebert elementary school auditorium. The two ladies in the strange looking costumes are Mrs. Tom Swisher and Mrs. Earl Snyder who appear in the "Flapper Style" of the nineteen-twenties—"only thing a well-dressed young women would appear in public in," to paraphrase a standard phrase for every period of dress history. The "Follies" is being presented by the Siebert PTA for the purpose of raising funds for buying supplemental reading for all grade levels in the school.

If we could let the worst of us depart with the past and replace it with good in our future, maybe we'd amount to something before it was too late.

If you are in the habit of getting "worked up" over elections and the campaigns before elections, just remember that many times wrestlers and boxers are good friends after as well as before "battles." Then turn over and go to sleep, in the sure confidence that all's well

Scioto Trail News

Distance has no qualms for Scioto Trail. Within recent weeks one of the additions to the school has been Rita Greenwood, coming from England to Miss Kochensperger's first-grade room.

Shortly before the holidays Mrs. O'Hara was called out of town by the death of her mother, but was able to return before the holidays began. During the vacation period Mrs. Snell visited in Coshocton O. Mrs. Willis journeyed to Buffalo. Mrs. Shahani, with her husband went to Cuba for a week and, upon returning went to Racine, Wis., for a brief visit. Our principal, Mr. Lowks, took a trip—to the hospital—two days before holidays began. His visit, too, was comparatively brief as he was able to return home for further recuperating.

The Scioto Trail Alumni Club has resumed basketball practice at the school gym since the Heimandale classes have gone to their own building.

Fred Sauls Mark 50th Anniversary

Mr and Mrs. Fred Saul 225 Robinwood-rd, will celebrate their fiftieth wedding anniversary this Sunday, Jan. 15, beginning with a mass at 9 a.m. at St. Ladislaus Church. A reception will be held at the Fiesta Club from 2 to 5 p. m. Mrs. Saul (Rose Roper) and her husband were married Jan 9, 1906, in St. Leo's church, Columbus. Both were born and reared here. Following their marriage the couple lived at 1288 S. Fourth-st for 32 years. Then they built a new home at 225 Robinwood rd, where they have since lived. Mr Saul is 69 and Mrs. Saul is 68. Mr. Saul was an iron moulder for 50 years before his retirement. The couple had three children, Ralph, recently deceased, Lillian and Alice. There are 10 grandchildren and four great-grandchildren.

Heimandale School

Jan. 3 marked the opening of the new Heimandale school at 695 Koebel-av. Both the faculty and the pupils were enthusiastic about the new building.

The building has eight well-appointed classrooms. Each room is well lighted, due to the fact that one complete wall is of clear glass construction. Another wall is almost wholly devoted to bulletin board space, an ideal situation from a teacher's viewpoint. The walls are done in different colors, attractive and restful.

All the furniture and cup boards are movable, allowing spacing and grouping into work areas according to the needs of the teacher.

On Friday, Jan. 6, open house was held for the parents and patrons. They met the staff and made plans for a PTA club

Three Jan. 18 birthdays listed close together seem to warrant special notice, so greetings to Helen Fisher, 1711 S. Third-st; Lona Schwartz, 1042 Lockbourne-av, and Rose Stewart, 242 Jenkins-av.

It's possible to list three more items together, and we think it's within the realm of possibility to find a connection. Clara Jane Karch, of Southwood-av and Beverly Weakley of 1440 Champion-av are now flashing diamond engagement rings since Dec. 25. The lucky young men are Don Luzader and Jim Bope, respectively. The third item tells us that Essie Buller, recently a 25-year anniversary celebrant, received sable furs from "Santa Claus" Glenn Buller. The moral is simple. Diamonds for the engagement, furs on the 25th year around. Gosh, Frances Paulus will have to find a new customer to rent her furs to, now! (We'll look for you, Frances)

A Jan. 8 birthday was that of Janet Elkins

Illness is an unwanted guest for Grace Brown, who is in Doctor's Hospital and for Ethel Spiker and Hester Brown, who are convalescing at home.

Late December birthdays were those of Danny Bayes, 47 Welch-av, and Frebis-av neighbors Buss McCaffrey and Jim Whalen.

Our best congratulations to Theodore A. Kundts, 42 E. Welch-av, who recently retired after 52 years of employment at the Hercules Paper Box Co., a subsidiary of the Federal Glass Co. We think such a long service record really deserves all possible recognition, so we'll do our best toward seeing that he receives some from this part of the paper. We hope that Mr. and Mrs. Kundts both enjoy the best of health and happiness, to better relish this "playtime" era of their lives.

Three birthdays about to be celebrated are those of Jim Hoptry, 280 Southwood-av, on Jan. 14, and one on the 16th of the month, the natal day of Carl Heil, 1121 Markison-av. Mr. Heil is the "Heil" of Heil & Scheiderer Hardware Co. The third birthday is that of Beulah Clark, a cousin of ye Gadabout.

Tonight and tomorrow night the students, parents and friends of the Siebert PTA will have a chance to enjoy the presentation "PTA Follies" at the school, at 7:30 p.m. Sounds like lots of fun, so attend if you can.

Many warm-hearted folks are readers of this wordage we know, so we hope to appeal to this group. A young girl, Carol Spires, is quite ill in Room 208 at Grant Hospital. She has undergone two brain operations and will be in the hospital for quite a while. She loves to receive pretty cards, so that's our appeal. Her home address is 1161 Linwood-av. Many of the younger readers would know of her, as she was active in baseball, being a member of the Corpus Christi League.

More honors to former South High student Bob Dunham. The young Marysville High School teacher had the pleasure of seeing his debating team win the first place trophy at the invitational debating state tournament at North High School. The team beat out schools from all over the state, so they really deserve a pat on the back. The students also won in competition against Upper Arlington when they met them in the debate clinic held at OSU.

Fifty-year wedding congratulations were the order of the day Jan. 9 for Mr and Mrs. Joseph H. Eberts, 149 E. Gates-st. The Eberts' celebrated with a mass at St. Leo's, breakfast at the Fiesta Club and an open house in the afternoon. An interesting side light to the celebration is the fact that Mr. Eberts is the fifth one in his family to attain the golden wedding status. There were originally 12 in the family, and we think the fact is quite newsworthy.

Another branch of the Eberts family, the ones living at 268 Southwood-av, merit two items. The first notation tells us that Bobby Eberts and his family were home for the holidays. They now live in Ames, Iowa. The second note tells us that Loretta will be exchanging "I-dos" very shortly.

After-holiday doldrums got you down? Maybe this bit of information will cheer you up. There will be a dance at St. Leo's School hall this Saturday, from 8:30 to 11:30. Harold Martin's band will furnish the music for the round and square dancing. The cost of admission is 50 cents per person and the women to call are Mrs. Jim Whalen, HI. 4-5437, Mrs. Jim Stout, HI. 3-1635, or Mrs. Donald Murnane, HI 4-3074. The dance is being sponsored by the PTA of St. Leo.

Two more January birthdays are those of Sharon Storch, on the 16th, and Harold Martin, a Moler-st resident

A very clever birthday card from Willa Davis, now a California resident, gives us two items to pass along. (The Davis household receives the Leader, so are pretty well "up" on happenings in the South Side of Columbus.)

Mr. and Mrs. Homer Doty, Willa's parents, will be celebrating their 46th wedding anniversary Jan. 20. The 24th of January Mr. Doty will be 75 years young. We know the Dotys have scads of Columbus friends and we hope they will remember these two days of celebration.

Has this ever happened to you? A South Sider, proud owner of a new car, found the workings of the wheel-type gear shift vastly different from the floor-type one of his old car. One day, he thought he was in first, and was quite perturbed when the man behind him was touching the back of his car. He rolled down the window to bawl him out, when it dawned on him that he'd put his car in reverse! (No names, naturally)

Guess we'll get in reverse and back off this here page. Till next week— and DO call us at HI. 4-1051—this is

Schools in the area supplying replacements for those moving out to high school are Southwood, Siebert, Stewart, Lincoln Park, Reeb Avenue and Heyl Avenue.

Barrett's principal told The South Side Leader that, unofficially, the number of students who move out and go to South High will be from 70 to 75. Another 70, the principal said, will enter Barrett's seventh grade on promotion

As a part of the general program, Barrett will have its court of honor recognition assembly Tuesday evening, Jan. 17. Then, on Jan. 20, the 9-A party will be given. These are the shoes of an Electric Company meter reader . . . and they cover about ten miles every day. They are worn by a trusted, reliable man who at various times has in his possession keys to more than five hundred private homes.

Each meter reader calls on about 6500 customers each month . . . and it's not unusual to see them doing such extra things as bandaging a little boy's finger or lifting furniture for a homemaker who needs a helping hand. Your meter reader is a friendly—sometimes footsore — man who performs an important job and helps you live better . . . electrically . . . here in Ohio's most progressive area.

A loaf of bread, an hour's worship—both are better shared

"Not by bread alone—"

You know yourself there's a good deal more
to keeping a home and a family happy than just paying the bills.

It's doing things together

Piling into the car for a day's outing . . . raking leaves on an autumn afternoon . . . having a barbecue in your own backyard.

Going to worship together every week is another of the good things in life which are best shared. Think back over the years. Remember when you were a youngster, how important and grown-up you felt walking into your church or synagogue with your folks. It was a nice feeling, wasn't it? Surely you want to do as well for your family, this week.

Without even trying, you'll provide a pattern, a foundation, a way of living, that will guide the lives of your children years from now. And if theirs is a happy life, what warmer tribute could you have?

He restoreth your soul... Worship together this week

Beck-st School

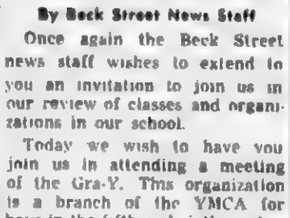
By Beck Street News Staff

Once again the Beck Street news staff wishes to extend to you an invitation to join us in our review of classes and organizations in our school.

Today we wish to have you join us in attending a meeting of the Gra-Y. This organization is a branch of the YMCA for boys in the fifth and sixth grades. It is our purpose to develop strong minds, bodies, and spirits and to live in a Christian way in our homes, school, churches, and neighborhood.

Every other Monday the Gra-Y holds a meeting in Mr. Dill's fifth grade room. Jim Wagner of the South Side YMCA and Donald Dill, Beck teacher, help us at our meetings. The officers of the Beck school Gra-Y are Bob Harris, president; Bob Miller, vice-president; Mark Hawks, secretary; Larry Merideth, treasurer; and Alfred Wellman, chaplain.

The Gra-Y has a recreational program too, for the boys. They have basketball and baseball teams which practice every week. Team-play helps the boys to learn the value of good sportsmanship and getting along well with one another. The teams practice every week after school at Schiller Park.



Later this month the teams will play regularly scheduled games with other teams of the various South Side schools.

On the way home from school, as I approach the corner a youngster says: "Don't cross yet. You must wait for the patrol boy's flag." "What's that?" I ask, and then I received a most interesting lesson on safety.

The school patrol is organized at the beginning of each year to help the children who must cross the streets at dangerous intersections. The children who are assigned to the patrol are from the fifth or sixth grades at Beck school. They are recommended by their teachers on the basis of leadership ability, dependability, and good sportsmanship. Donald Dill, a fifth-grade teacher here, supervises the patrol group. He listens to all complaints reported by patrol members of suspected violators, either children or automobile drivers. In turn, he decides, with the aid of the children making the report, just what type of correction is advisable. In cases of automobiles, the suspected violator's license number is turned in to the police traffic bureau for further action.

The patrol is striving to help all persons, child or adult pedestrian, or automobile driver, while school is in session. The patrol is doing the best they know how to do and ask only of you, while driving your cars, to obey the traffic rules. We believe in the following widely quoted safety slogan which has been paraphrased by our patrol group, "The child you save may be your own."

We hope you have enjoyed this visit to Beck St. School and that you will be looking forward to the next article when we will spend a day in Miss Gloria Collett's sixth grade class.

Opening Of New Branch Library Honors Benj. Franklin Memory

Opening of the new $99,000 Parsons Branch Library at 845 Parsons-av Tuesday, Jan. 17, will coincide with the 250th birthday of Benjamin Franklin, famed Colonial American who is often called the "father of the American public library."

Dedication rites for the building, which was constructed by Leo E. Ruisinger, Inc., will be held some time in March, according to City Librarian Will Collins. In the meantime, patrons of the old Parsons Branch at 1124 Parsons-av and those in the neighborhood who have never "cashed in on their rights to modern library service," are urged by librarians to visit and use the new branch.

All patrons who borrowed books before the closing of the old branch on Dec. 17 should return their books during the first week of operation. There will be no fines on these books returned in the period Jan. 17-24, according to Miss Margaret Bausch, Parsons branch librarian.

Started "Books For All"

Benjamin Franklin, whose memory is being honored in the opening of the new branch, is famed for pioneering the American post office system, his experiments in electricity, both in the laboratory and with the almost legendary kite and key, as a statesman, printer, and philosopher. Franklin is less known for the work he accomplished in advancing the idea of "books for all" through circulating libraries.

Under his auspices were founded the American Philosophic Society, the Library Company of Philadelphia, the Pennsylvania Hospital, and the University of Pennsylvania. Both the Library Company and the American Philosophic Company developed from Franklin's famous Junto Club, a mutual improvement society which met regularly to ponder morals, politics, social improvement, and related subjects.

Critics Wrong

Franklin, who accumulated much of his personal fortune as a bookseller, was ridiculed for establishing the Library Company as a "rival" to his business. Franklin argued that anything which stumulated reading was good for business. The books in the Library Company were circulated to persons who made small investments in stock in the company and paid a small annual fee.

Located on the southwest corner of Parsons-av and Columbus-st the new Parsons branch was completed last month. Constructed of concrete block, face brick and glazed brick, it is a one-story building with a floor space of 3621 square feet, exclusive of a large utility room in the basement. Besides a new children's section, which the old branch did not have, the new building boasts a special room for the staff, additional space for the adult collection, and a more convenient arrangement of the branch's nearly 15,000 books.

Architecturally speaking, the building can be described as modernistic and functional, according to Benham, Richards & Armstrong, architects for the building. Its 21 panes of glass, including large picture-type windows in front, enhance its beauty.

All Modern

Sound-proof ceilings, year-round air conditioning, and the most modern in illuminstion add to the comfort the building affords its patrons and staff. All the library furnishings are modernistic and of natural birch finish. A book drop near the front door makes possible for patrons to return books after hours and on Sundays.

A large display case in the entrance lobby will feature crafts and hobbies of South Side residents, book displays of community interest, and outstanding art and other collections, according to Miss Bausch.

Marion Local Schools Elect

The board of education of the Marion Local Schools met for its organizational meeting at the board of education office, 1547 Koebel-rd, Tuesday evening, Jan. 3. Frederick E. Meuser was elected vice-president. Rolland D. Hellwig was re-appointed clerk.

Meetings were set for the second Wednesday of each month at 8 p.m.

Cage Leagues Start Season At Schiller

Sixteen Gra-Y basketball teams, representing 10 elementary schools in South Columbus, begin play this week in the South Side YMCA Gra-Y basketball leagues.

Two leagues have been formed and play will begin Tuesday and Thursday afternoons at Schiller Park from 3:30 to 5:30 p. m. The leagues are under supervision of the South Side YMCA staff.

Sportsmanship and championship plaques will be awarded the winner of each league. The award will be based upon this point system: Up to five points each game per team for sportsmanship shown and one point for winning the game. Total points at end of season will determine sportsmanship-championship winner.

Teams are registered for the leagues as follows: Tuesday league, Siebert Owls, Siebert Eagles, Beck Globetrotters, Stewart Indians, Greenlawn Hornets, Beck Bulldogs, Livingston Buckeyes and Greenlawn Panthers.

Thursday League, Lincoln Park Scarlets, Deshler Lions, Heyl Buckeyes, Lincoln Park Grays, Southwood Eagles, Southwood Wildcats, Reeb Shooting Stars, Heyl Globetrotters.

South Side 'Y' Diners Hear Narrated Report On Year's Wide Activities

With the gymnasium of Ohio-av Methodist Church jammed to capacity last Monday evening, South Side YMCA celebrated its annual dinner, with industrialists, business men, and others participating

An interesting phase of the evening's program was the absence of "top echelon" managers, the whole proceedings being in the hands of the younger generation, "for whom the "Y" has its being, and what better time and place to let them run things," according to philosophy expressed by M V. "Cap" Hoover, "Y" secretary, to the writer a short time previously while talking about the affair in his office

Robert Dean, chairman of the Young People's Inter-Church Council, presided, and Thomas ("Tom") Welch was narrator for the annual report. An even, smooth-running program flowed through the evening

Notable was a songfest led by Rev. A. H. Heinz with Mrs. Heinz as accompanist, and, later, when the "Y" Glee Club was presented, it was under the direction of Rev. Heinz, who, several people remarked, "had wizardry in his every move", a wizardry which seemed to charm the youngsters into magnificent singing

E. P. Becker, chairman of the board of management of the "Y", reported on the results of the election for members of the board. The new board, having one change from the former board, is composed of the following members: E. P Becker, chairman; F. L. Lemmon, vice-chairman; C. C. Brown, second vice-chairman; R. L. Hepner, third vice-chairman; E. W. Boeshans, E. F. High; J. L. Davis; R. E. Leupp; C. L. Dumaree, N. E. Gatsch, R. E. Madden, A. G. Starrett.

"Y" staff personnel are given as M. V. Hoover, executive; J. L. Wagner, associate secretary; J. D. Honaker, associate secretary until Sept. 1; J. G. Kramer, part-time recreational director until June 1; Robert Bateman, part-time recreational director; Mary A Borror, office secretary. Staff personnel, Mrs. Grace Steward, director.

South Side Community Center advisory council was listed as having the following members: Arthur Wimbley, chairman; Marvin Bibb, Augustus Franklin, Eddie Milner, Rufus Moore, Robert Wilkey.

The South Side "Y" and its relationship to the physical and spiritual development of the South Side will be featured in a special story next week.

St. Leo PTA Meets Tuesday

"The Reading Problem of Youth", will be the subject for discussion when St. Leo's PTA meets this Thursday evening, according to Mrs L. J. Reis, publicity chairman. Entertainment for the occasion will be presented by Sister M. Aloysius' and Sister M Peter's rooms.

Refreshments will follow other activities, these being served by Mrs. James McGinnis and Mrs. Carl Crissinger

Announcement also was made that Cafeteria Mothers will serve luncheon Tuesday, Jan. 24 at 1 p.m It was stated that entertainment will accompany the luncheon. $1.00 per person, and the luncheon is open to the public.

Chairman Mrs. CClifford, Mrs. Joseph Zuborich and Mrs. Robert Burkey are in charge of arrangements.

New Heyl Area On View Tonight

Heyl Avenue School PTA has planned for substantial social goings-on following a brief business meeting and the dedication of the new addition this Thursday evening, Jan. 19, according to an announcement at the week-end by Mrs. Ralph Ross, publicity chairman.

Following these two events, business meeting and dedication, a committee of six will take over, they having made previous preparation to make the evening pleasant and interesting, Mrs. Rose said. W. W. Wilson of the board of education told the Leader his remarks will be limited.

The committee in charge is composed of Mrs. Clarence Hartman and Mrs. Peter Kielmeyer, chairman and co-chairman, respectively, and Mrs. E. L. Hunt, Mrs. Norton Cox, Mrs. James Walls, Mrs. Orin Hastilow.

Refreshments will be served to the parents in the individual classrooms, the statement indicated, while parents meet their children's teachers. There will also be a general inspection of the new building, it was said.

came in the other day. And you know what? The editor heard Mrs. Lott telling Mrs. Henriette Sabino, happy, helpful, polite ad taker (she helps word them, too, as so many of you know), about how quickly she sold a couple of coats no longer needed. It was the old but ever-appreciated story — that the coats were sold on the same day the Leader "went on the street." There's no secret about it, of course: the Leader is the best medium you can find to tell THOUSANDS AND THOUSANDS of other people about things you want to buy or sell. YOU try it and find out for yourself, and make a profit for yourself at the same time.

Scoutmasters, Assistants, Brave Winter's Blasts In Winter Camp

These scoutmasters and assistants recently attended winter camp in tents at Camp Lazarus, completing a six weeks' training course. Subjects studied in the workshops for six consecutive monday nights at Central Ohio Area Council Headquarters, were programming, troop and patrol meetings, hiking, camping, finance methods, and development of boy leadership. Leaders participated in "how sessions" and operated as two scout patrols, in order to bring these tested and successful methods to reality in their own troops. The Mohawk District, comprising Southeast neighborhood troops, rates high in the Council for trained leadership.

Bob May, Mohawk district executive, and Ed Adolph, leadership training chairman for Mohawk district, conducted the training course. Morris Jordan assisted as senior patrol leader, and took this picture showing, front row, sitting, left to right, Robert Parsons, Troop 106; Edwin Adolph, L.T. chairman; Charles Reed, Troop 237; James McIntyre, Troop 38; James Barbee, Jr., Troop 237; Guy Straight, Troop 260; John Waibel, Troop 260. The Gadabout

Priscilla LaRue Lenox
HI. 4-1051

Received too late for last week's column was an item about a "jinx" birthday, so we'll use it as a starter today. Vernon Carpenter, Jr., was seven years old on Friday the 13th. The first time he had such a combination was on his first birthday. Vernon's little brother, Bobby, had a fourth birthday yesterday so a double share of greetings to the Carpenter offspring is indicated. The Carpenter address is 909 S. Wall-st.

Mrs. Grace Brown, 374 E. Whittier-st, rates mention for two reasons, one not as pleasant as the other, however. She will have a new age to "own up to", as of the 25th of the month and, unpleasantly, she has been ill.

The Southwood PTA study group has charge of this evening's meeting at the school, with a timely topic to be discussed. A four-member panel will discuss "New Viewpoints on Discipline," a subject worthy of every parent's consideration. Meeting time is 8 p.m. Chairman of the study group is Mrs. Walton Barnhart and her assistants are Mrs. Charles Dayton and Mrs. Paul Clark.

Our sympathy at this time to the Newlon family at the loss of their mother.

Sunday, Jan. 15, was the date for a three-way birthday celebration in the home of Mr. and Mrs. Elmer Zirkle, 217 E. Moler-st. Celebrants were Elmer, with a Jan. 15 birth date; Cora Zirkle, whose natal day is an event of Jan. 18; and Margaret Taylor, a Jan. 14 birthdayite. The folks present at the three-way celebration were Mr. and Mrs. Charles Khorbach, Mr. and Mrs. Isaac Kalb, Mr. and Mrs. Williams, Mr. and Mrs. Elmer Zirkle, Mr. and Mrs. John Kramer and children, Judy, Jacky and Jim; and Miss Alice Kramer.

A new son is the "lullaby" material for Mr. and Mrs. Gene Hedrick, 480 Forest-al. The date of the new arrival was Jan. 8.

The sick list for the community includes these folks: Johnny Alton, 183 E. Welch-av, and Mrs. Borror, Sharon and Karen McCoy had tonsillectomies last week, so are not as "peri" as usual.

Sharon Rumsey acquired a new year today. A buffet dinner at her home, 222 Frebis, will be her celebration and will take place tomorrow evening. Guests invited are Rosemary Nicholson, Dixie Hopkins, Ann Whalen, Jane and Susie Wycoff, Mr. and Mrs. Bennett, Larry Rumsey and Jane Ellis. Sharon is the youngest child of Larry and Frances Rumsey.

The South-North game was certainly an exciting game, with that 63-60 score and South coming back from a 12-point "arrearage" to win. Even ye Gadabout was yelling and screaming, same as the teen-agers! Awfully exciting, and we'll never be the same!

A young brother-sister duo has birthday celebrations this week, so congratulations to Darlene and Maurice Leach, Jr., 1508 Parsons-av. Darlene was seven years old yesterday and Maurice will be six this coming Sunday. Some of the Leach's school friends will help them to celebrate on the 22nd of the month.

Guess we're at the end of our list of things to write about. Don't forget to call us at HI. 4-1051. It makes our chore much easier. Till next time then, this is

Scioto Trail News

Mrs. Nettie Swormstedt, Reporter

Announcement has been made of the winners in a pre-Christmas "try-to-be-quiet" campaign inaugurated by the Student Council. The winners were Mrs. Logan's fourth-grade room and Mrs. Willis' fifth-grade room. The awards were $2 to each room.

The boys' intramural basketball games are in progress, starting Monday, Jan. 16. There are two teams in each of the fourth, fifth, sixth, and seventh grades, chosen according to rooms. The tournament regulations require that each team be beaten twice before it is eliminated. When the different grade champions are found, then the all-school champion play-offs will start. The games are being played at the noon hour lasting from 11:45 to 12:10. There are two ten-minute halves with a half-minute rest period between halves. General manager of the tournament is Mr. Ary; outstanding referee is Mr. Lowks. The girls are doing their share by practicing cheers. Pupils of grades four through seven are invited to watch all games. "Good citizenship" being their ticket.

Heimandale School News

The "Whispering Cafeteria" at Heimandale School is quite successful. Everyone can converse with his or her neighbor, yet the noise is held to a minimum.

The junior group of the Camp Fire organization, who call themselves "The Bluebirds" have started a new project, making "tissue tykes." They plan to do many worthwhile things this year. The object of the club is to carry out the "Bluebird Wish"—to have fun, visit worthwhile places, to make beautiful things and be happy.

South Slides Over North

The South Bulldogs managed a mild upset over North Friday night by defeating the Polar Bears 63-60.

The Bulldogs trailed during three quarters and then, sparked in the fourth quarter by the swift and shifty playing of George Devlin, managed to tie the score with two minutes 34 seconds remaining in the game.

Ron Ward hit a push shot from the foul circle and Devlin followed with a rebound shot to put the Bulldogs in the clear.

The North Polar Bears were sparked by the quick action of Dick Wherry.

High point man for South was George Devlin with 28 points.

Patch 'Em Up For Hard Times Corpus C. Dance

Mr. and Mrs. Fred Schmitt, tickets; Mr. and Mrs. George Rohr, prizes; Mr. and Mrs. Richard Gehring, refreshment; Mr. and Mrs. Joseph Fleishman, decorations; and Mr. and Mrs. Jack Krauss, publicity.

Prizes will be awarded for the most original costumes, according to an announcement by Publicity Chairman, Mrs. J. Krauss, who also stated that tickets will be available at the door.

PROFESSIONAL CLOCK-WATCHER

Here's the man who gets paid for watching the clock. He's the system-operator for the Electric Company, and one of his jobs is checking to see that electricity is generated at the proper speed to keep your electric clock accurate. There's a lot of electrical know-how in this job, but briefly it means the huge generators must produce electricity at sixty cycles per second. This keeps your electric clock accurate . . . keeps you on time for dates and appointments . . . and is one more way you live better—electrically—here in Ohio's most progressive area.

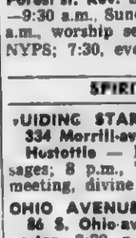
Hello:

There are many names on our sick list this week. We are sorry there is so much illness, and wish for everyone a quick return to good health.

Best wishes, Mrs. Gene Knies, Albert Malherde, Mrs. Raymond H. Uhl, May Hannon, Helen Kimble and Dorothea McKinley. Also to Laura Anderson, Mrs. Larry Funk, Clara Unverzagt, Mrs. Ada Ash, Mrs. John Slagle, Mr. Theodore Manos, Sam Gallione, Mrs. Charles French, Mr. James Tapia and Mr. Stanley Beckett. Special greetings to Mr. and Mrs. Beckett, who had their anniversary while Mr. Beckett was hospitalized.



Happy birthday to Mrs. Henry Pogue and Ann Wymer . . . the Chan Conleys, the Paul Haymans and William Lowers have new daughters . . . Rev. and Mrs. William Raper have a new son. Our congratulations to all.

A great part of our daily work is the designing of funeral flowers. We make these last tributes to the memory of the deceased with great care, knowing that the beautiful flowers bring comfort to the bereaved. We grow most of the flowers we use and only the freshest go into the baskets and sprays. Call us the next time you need flowers for any occasion. We will be pleased to serve you.

ONLY THE NAME'S BEEN CHANGED!

FROM THE DESK OF JOHN GAGER

Mr. Potter has had no connection with the Company for over 20 years. During the nearly 35 years that "Potter-Gager" has dealth with Columbus and Central Ohio, we've seen many changes . . . new faces, new names . . . more powerful cars. Yet the loyalty of our customers remains unchanged. Many of them have come back, time and again, since we have first opened our doors in 1922.

To these customers and friends, and to the new friends we know we'll make during the coming years, "GAGER-KEIM" will give the same consideration, the same courteous service for which "Potter-Gager" was famous. I would like to emphasize . . . only the name is changed . . . the Corporation, otherwise, remains the same.

JOHN GAGER

Yes sir, a new name to start out the new year and a new era of low overhead prices to YOU! With our new name go all the fine traditions that 'POTTER-GAGER' stood for

TOGETHER, WITH FAITH...

...YOU'LL BUILD A RICHER LIFE

"No man is an island —"

The really important moments of a lifetime are moments shared with your family.

These are the hours you remember

They are the ones which linger longest in the memory of your children.

Surely one of the greatest gifts within your power to give a child is your belief in God. And what more natural way to do it than by worshiping with your family each week at your church or synagogue. As they find God, so will your own faith grow.

Joining together in worship is more than an act of faith. It's a link with the future ... a point upon which you and your family can build a better tomorrow.

He restoreth your soul... Worship together this week

Man In 'Partnership With God' To Speak In Livingston Church

A man who considers God his senior partner in a $200,000-a-year business will explain to Livingston Methodist Church why he turns 51 per cent of the annual profits to missionary and other Christian work R. Stanley Tam, of the Stales Smelting and Refining Co., Lima, Ohio, will speak at four services: Jan 22. Sunday morning worship at 10 30 and at evening service, 7 30, and Monday and Tuesday, Jan 23 and 24 at 7 30 p. m. "It is simple," he says. "I give more than half of the profits to religious work because that is the covenant I made with God in 1940. He lived up to his bargain twenty-old, and I will live up to mine."

Tam's business is reclaiming silver from photographic solutions. He began his unique enterprise after reading that emulsion used on film contains silver and that over ten tons of the metal are washed away each week, over the nation, in photographer's mixing baths

At first try in 1936 the business failed He learned that four others had also tried it and had failed. It happened in Columbus when turning home, - defeated, driving along in his car, Tam was praying to the Lord about his disappointment. Suddenly he says the spirit of God spoke to his heart "It doesn't need to be a disappointment," came to him "You don't have to go broke Turn the business over to Me and I will make it succeed." This, he said was three years after an Ohio farm woman had converted him to Christianity. He tried again and determined to work in partnership with God

Then Tam borrowed $100 and set up a "factory" in a spare bedroom in his home to manufacture "silver collectors" for the wasted silver concentrate Photographers whom he visited happily agreed to his proposal to split fifty-fifty on any silver he retrieved from the collectors he placed in the photographer's darkrooms

Today' Tam's collectors are installed in some 8,000 photographic establishments across the country in every state in the Union

What he calls God's share of the business is distributed to some nine organizations through the Stanita Foundation, a word manufactured from the first syllable of Tam's first name and the last portion of his wife's name, Juanita

Tam's religious partership with God is legally recorded on incorporation documents in Ohio His will specifies that half of his business goes to God on Tam's death

Feeling that money alone is not sufficient contribution, Tam fulfills speaking engagements as many as five in a week-end—in cities across the country, stressing the importance of Christianity in everyday work He has traveled around the world speaking as a Christian layman and recently conducted a speaking tour through four countries in South America.

Women On the March Tonight

Put on the porch light for the women who will be on the march Thursday evening, Jan. 26. They are "mercy" women, helping to make help possible for your children and mine if dread polio strikes. Put on the light Thursday night—by 7 o'clock. Ten thousand will be on the march in Franklin County. Let's squeeze out the extra dollar . . . but let's put an s to make it DOLLARS!

Apology, Rev. Buckley

A most excellent man and minister was "taken" from the church where he is the shepherd, and put into another denomination—just like that, and we hadn't asked his permission. So we say to Rev. Howard Buckley, pastor Ohio Avenue Evangelical United Brethren Church, "Sir, our deepest apology!" Now, the excellent pastor is out of the Methodist Church, where unintentionally I put him. He gave the benediction, closing the YMCA recognition banquet and meeting Monday evening of last week. He and his church were hosts to the YMCA happy evening.

Letters

Newspapers have their peculiar problems. One of these is to get their readers to write letters about things—important things—to let others know what a goodly number are thinking. If you want to "just burst" some time, don't burst: sit down and write a "letter to the Editor." Not necessary that your name be published, but it is necessary that you sign the article and give your street address. Have your say, but please say it so no one can bring in libel laws. Otherwise, say it your way.

• • •

Another Item

Many times news items are received by this and every other newspaper containing items that an editor wants to publish. But there's a catch: the writer forgot to give first names or initials. And a newspaper just simply can't say that "Mary Jones (who may be Mrs. X.Y.Z. Jones) will preside at the meeting." Too, without the married name or initials often the editor cannot call the person to verify an important fact. And please do not write "Mr Smith gave an interesting talk." Give initials and tell what he talked about.

An Evil Occurrence

Last week Barrett PTA was unable to hold the meeting at which Hanna Ghalib of Lebanon was to speak. To me the snow which prevented the meeting was an evil thing, because the man from the land of Lebanon would have given a highly interesting talk. Men like Mr Ghalib are able to do much to promote international understanding. To meet well-informed people from other land, to most of us, little known countries can be a major contribution to international good will—and peace.

Mrs. Wilkerson stated that all committee chairmen and co-chairmen will make full reports.

South Side School Building Additions Proposed To Board

If recommendations made to the Columbus Board of Education are carried out, three elementary schools and a junior high school in this area will have additions made. The recommendations were made by a three-member committee previously appointed to study the developing needs now and in the future of the schools in the city.

The board, having heard the proposals of the three-member committee, will be given cost estimates on the whole city-wide program at a meeting set for 8:30 next Monday at the board rooms. Action is expected at the first February meeting, Tuesday, Feb. 7, when they would propose drawing up a bond issue for decision by Columbus voters at a special election tentatively set for next June.

Recommendations

Recommendations for school changes in the South Side area included:

1. A 4-classroom addition to Beck-st school and a 4-classroom addition to Siebert school.
2. A 6-classroom addition to Deshler school.
3. A six-room addition to Barrett Junior high school.

Expanding on these recommendations, the report, prepared by M. J. Conrad of Ohio State University, Francis T. Rudy, and W. L. Beere, both of Columbus public schools, stated:

"A new school center in the Beck-Siebert-Stewart area, especially in that section north of Stewart and west of Beck, seems preferable to additions at Beck and Siebert, but the survey staff has been unable to find any suitable sites in this congested section. In view of this fact, and the belief on the part of Columbus school officials that the additions will suffice and that if necessary future additional expansion could be provided at Stewart school, the expansions of the older buildings have been recommended.

"Additional junior high school capacity at Barrett Junior high school will provide classroom space for an anticipated increase in the number of junior high school pupils in the southeast part of the city. Projected enrollments indicate the possibility of an increase of approximately 400 pupils above the present junior high school capacity."

The report, before making its recommendations, listed school improvements in this area since the last survey taken in 1952-53. They included construction of new Deshler and Mohawk schools, additions to Deshler, remodeling of Beck, Livingston and Stewart; expansion of Siebrt, improvement of heating plant at South, completion of Mohawk in 1953, remodeling and additions at Barrett, additions in the planning stage at South.

Financial Aspect

In figuring the amout of the bond issue, the board may take into consideration the finding of the report that:

"Ohio law permits a school district to incur indebtedness up to nine per cent of its tax valuation, estimated at $900-million. This would permit an additional debt in Columbus of $52.5-million."

Judge Walcutt Brings Light Humor To Induction Of Steelton Group Officers

The last surviving Steelton civic-business organization, the Steelton Merchants Association, last Tuesday evening heard Franklin County's Probate Judge tell of ancient local street names and the high desirability of retaining names of city highways which have become honored through age. The occasion was the annual meeting and dinner held at the Fiesta Club.

The speaker was the Hon. Roscoe Walcutt, whose main mission to the merchant organization's dinner was that of imposing the obligation of office and inducting recently elected officers of the association.

Approaching the installation of the new officers, Judge Walcutt imposed upon the in-going officials a sense of high responsibility, a "devotion to every responsibility." At the beginning he urged the elected persons to have a serious thought about the pledges being given—that serious and important responsibilities were ahead.

At the conclusion of the ceremony, and before the judge had gone into his talk on street names of the past and present, he appointed retiring President Emil Horowitz as sergeant-at-arms to escort each official back to his seat as he was obligated.

Regrets Changes

With warm humor intermingled with serious mien, the speaker recounted names of streets and places long gone because of a modern desire to have everything new, wiping out historic marks and memories which should be carried on into succeeding generations.

The speaker referred to the old Steelton trolley and some of the things and people associated with it, creating a nostalgic regret that these are gone. As an example of a city highway victim to the name-changing habit which he regretted, was Rogues Harbor Road, a name which adequately fitted some of the people who escaped in one way or another from "durance vile" or from officers hoping to place them there. The speaker pointed out that while the name fitted some of the street's occupants, and that of the immediate area, the fact of its being descriptive of undesirableness indicated its historic position, justifying the retention of the name and history for the information of succeeding generations. He indicated that there have been many other undesirable name-changes, to the disadvantage of historicity.

Judge Walcutt, however, had no criticism for the name now applied to the former Rogues Harbor Rd., nor to the source of its name. The "harbor" for many miscreants of the past is known as Cleveland Ave. The judge hopes future changes will be made slowly and after long deliberation.

The Association

While Steelton Merchants Association is the sole remaining civic-business organization, it is a husky organization of approximately 55 members—a group strong and active for the welfare of the Steelton area, which undoubtedly accounts for its strength, its long life, and its popularity among the people of the area.

New Officials

Pictured in the photograph is Judge Walcutt wiving the obligation to the newly elected officials of the organization during the induction ceremony. From left to right are Judge Walcutt, Otto Meier, second vice-president; William Bighouse, treasurer; Thomas W. Sharp, secretary; Jack Shore, first vice-president; and the new association president, Frederick C. Finke, M.D.

'Fun Frolic' To Raise Funds For Choir's Robes

Hours for the carnival of merrymaking are from 4 to 11 p m it was said.

Reeb Mothers 'Needle' Selves, Others To Sew

Reeb Avenue School PTA room mothers, report that school patrons, including the room mothers, have been "needled" a bit about sewing accomplishment between now and the March meeting, according to the "committee."

One of the suggestions to the mothers is to make aprons for themselves and their daughters "and also perhaps shirts and blouses for themselves."

A style show is the reason for the urging, it was stated, and the show is to be held in March, and therefore the mothers want the mothers and others to get busy with needle and thread in preparation for the PTA style show.

Then an unnamed lady, a PTA-er and room mother, too, it was said, came up with this grand stimulant to sewing—a bit of needling — mothers could make spring coats for themselves and their daughters and show these at the PTA style show at the Reeb Avenue School in March. After the show they may wear their coats, it was said.

Graduates Tell South East Lions About Future

Two 1956 South High graduates were guests of the South Side Lions Club weekly luncheon Tuesday of last week, where they told something of their outlook on life from the standpoint of graduation time.

The two seniors were Alice Roland and Robert Telfer, who explained the thinking of the graduate and the hopes for the future. An essential was discoverable through their presentation: that theirs was the making of the future by application of intelligent and unremitting effort.

When their remarks were concluded, Lions' enthusiasm was shown in their applause.

OSU Student Is Owner Of Old Floral Business

One of the five largest businesses in the city, according to its newest owner, a young man in Ohio State University, has its community frontage 'way back when it was popular to have dandified equine transportation long before the horseless carriage made its debut upon the streets of Columbus.

It was in 1882 that the floral business known as the Cottage Rose Garden at the rear of 1269 S. High-st, was established by August Drobish, who had bought a nursery business known as Hanford Nurseries. Nurseries were scattered over a large section of the South Side and under the Drobish operation the extensive nursery acreage was broken up and sold in lots. The business by Drobish included mail order shipments into many states.

Robert Blomquist

In 1913 the business was bought by H. W. Kropp, son-in-law of Drobish. He changed the character of the business, making it a retail institution, which it has been ever since. Recently celebrating his eightieth birthday, Kropp sold the business to Robert Blomquist, who is a student at OSU, majoring in floraculture. Mrs Kropp, commenting upon the time when her husband took over the business, said, "It was really country when my husband took over. They had rail fences around the lots. There were no improved streets, but there were street cars that came down as far as Stewart-av."

The oldest employe is Fred Kumpf of 166 E. Welsh-av, with 46 years' service, while Allen Heintz, present designer and manager joined the business 30 years ago.

Scioto Trail News

Between snowfalls the sixth grade in Mrs. Shahani's room got in a trip Tuesday, Jan. 17. This was in connection with an astronomy unit the class is studying, and it took them to the Ohio State University campus. They observed the religion and art display bowling rooms, and other things of interest in the Ohio Union, but the main points of observation were the McMillan Observatory and the Planetarium, where they got a sort of close-up view of the stars.

Mrs. Shahani had to learn to be interested in Ohio State, for her bachelor's degree was obtained at Wisconsin and her Master's degree in psychology at Illinois. Perhaps her husband is partly responsible, for he, formerly from India, is specializing in dairy technology at Ohio State and plans to become a citizen of the U.S.A.

The next meeting of the Parent-Teachers Club will be Tuesday night, Feb. 7. The program is to be a talent show, the performers to be chosen from pupils in the schools. Auditions will be made at a time previous to the program. Any boys and girls who have a specialty in song, dance, or other art are welcome to try out for a place in the program.

Rev. Montgomery Named Associate Council Director

Rev. J. W. Montgomery

Rev. J. W. Montgomery, director of church extension for the American Baptist Church in the Columbus area and pastor of Lincoln Village Baptist Church, has been named associate director of the Columbus Area Council of Churches. The appointment will become effective Feb. 1.

Rev. David W. Witte, director of the council of churches, made the announcement at the annual meeting Tuesday night at Capital Cottage. Rev. Witte will direct the general administration of the council and Rev. Montgomery is assigned to the departments of religious broadcasting and finance.

He has been working with the council in those departments, in addition to his duties with the Baptist Church, for the past several months. Among his regularly scheduled broadcasts is the Sunday afternoon panel show, 'People's Problems," seen over WBNS-TV.

Rev. Montgomery will continue to serve the Lincoln Village Church until a new pastor is assigned. The establishment of another Baptist Church, already in development in the southeast portion of the city, will also continue under his general direction.

He has already scheduled more than 1000 religious broadcasts, both television and radio from all outlets in this area. This is an increase over the 250 such broadcasts made last year.

Free time is donated for this purpose by the stations as a public service. The time for these 1000 broadcasts, if purchased, would cost more than $80,000.

Future plans call for the creation of another type program, to be known as "Who's Who In The Churches." Interesting laymen as well as pastors will appear with stories of their individual accomplishments. Designed as a contrast from the "People's Problems" show, this program will emphasize the manner in which others have resolved their problems.

"Ancient of days" is a biblical praise and to be regarded highly, especially when applied to our years honored South Side.

Six Lady Moose Groups Here

Six chapters of Women of the Moose will meet in a winter conference Sunday, Jan. 29, at 1:30 p.m., when representatives of chapters in London, Springfield, Urbana, Delaware and Worthington come to join with Chapter 206 of Columbus.

Senior Regent Mrs. Wilda Spratley of Chapter 206 will be general chairman of the conference, while Mrs. Flora Mae Dorsey of Worthington will be conference leader.

During the afternoon, it was stated, there will be a social hour with refreshments.

Announcement also was made that Chapter 206 will have its regular meeting this Thursday evening, Jan. 26, 8 o'clock.

Mrs. Scheel Hostess To "Serving" Group

Mrs. Frank Scheel, 242 Thurman-av, will entertain members and prospective members of Wing 43 of Children's Hospital, Jan. 24, at 8:15 p.m. Mrs. Guy Palmer, superintendent of Nightingale Cottage, will be the guest speaker for the evening and will show slides and pictures of the children at the cottage.

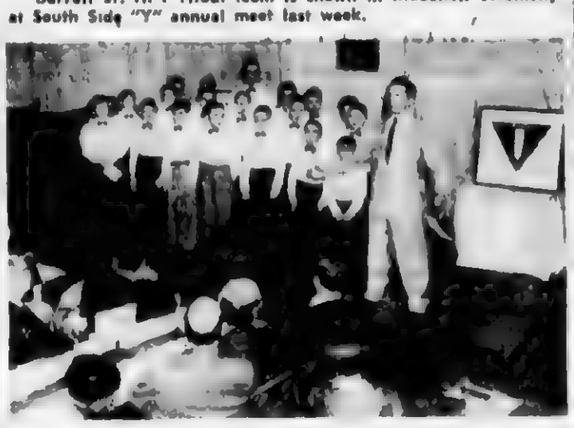
'Y' Annual Meet Demonstrates Basis Of 'Dividends' On Youth

Narrator

Thomas "Tom" Welch of South Hi-Y gave the South Side "Y" annual report in narrative at the recent "Y" meeting.



Back To Sing

William Gallagher, former Glee Club member, returned for a solo and share in the evening.

Barrett Jr. Hi-Y ritual team is shown in induction ceremony at South Side "Y" annual meet last week.

William Gallagher, former member of Boys' Glee Club, returned to assist in the "Y" festivities.

"Dividends" was the significant word heard at the annual YMCA recognition banquet and meeting at the Ohio Avenue Evangelical United Brethren Church of which Rev. Howard W. Buckley is pastor. The meeting was held in the basement of the church which was filled to capacity.

That word "dividend" was nowhere more adequately justified than when applied to a former athlete who climbed the stairs in YMCA activities, and who called attention to the younger fellows who "can also be dividends for those who invest in youth and youth's success through the instrumentality of the YMCA."

This was the thought penetrating a talk given by Paul Ebert, Ohio State University All-American, who was to share the program with "Hopalong" Cassady, who was called to Detroit just before the dinner and was unable to attend. The business meeting to which he was called was the only thing which could have kept him away from the banquet, he wrote to Executive M. V. "Cap" Hoover.

Product of "Y"

Paul Ebert told of his "Y" life and how it gave him confidence and understanding in entering upon the responsibilities of adult life. Like "Hopalong," Ebert said "I am a product of the YMCA and those who give their means to support the "Y" can expect many dividends in the lives of the boys who go through the youthful years with the YMCA."

Then there was a little fellow, Jon Streatly, a Reeb Avenue School Gra-Y Club son of Rev and Mrs. Robert H. Streaty, 293 E. Barthman-av, who told of the meaning of the Gra-Y emblem. John thought the emblem was something good, for "it helps me to understand the good things that I ought to do, and that I must respect authority, and be honest and fair."

Every person participating in the activities of the evening was a young person, still active in "Y" affairs, like Edwin "Ed" Boquist, treasurer of the Builders Club, who opened the evening's program with the invocation. Also, like Thomas "Tom" Welch, who gave the annual report of the "Y" in narration, and like William Gallagher, former Glee Club member who returned to bring happiness to the large audience with his excellent singing voice, a bit of service, it was said, in line with the spirit of the YMCA.

Joe Davis

To continue calling a bit of the roll of those who have gone through the "Y" was Joseph L. Davis, chairman of the program and recognition committee and who with R. L. Hepner, had charge of developing the program. R. L. Hepner made introductions.

Youth groups representing the wide range of "Y" activities were Gra-Y Clubs, Co-ed Gra-Y Clubs, Jr. Hi-Y Co-ed Jr. Hi-Y, Tri-Hi-Y, Hi-Y South and Marion Franklin

Little Fellows

The following list represents a wide area and extensive activity it was shown, activity beginning with the very little fellows and following up until they have become adults and began paying the dividends so often mentioned in "Y" circles—consecration to helping inspire newer "little fellows" to the high road of usefulness of service—on the "dividend" road, that is.

Then there were David W. Wilson, Right Angle Club; Lila Babbert, vice-chairman Young People's Inter-Church Council; Miss Ruth L. Storch, advisor, and finally came Larry Robinson of the Jr. Optimists Glee Club, to sing a solo, "One Little Candle," to finish Miss Storch's consecration service, one little candle being lit, then eight others, until over 200 "little candles" had been lit, making a sacred mood for Rev. Howard W. Buckley's benediction.

Dividends had been declared.

K. Schumacher Nets 31 Points In 'Y' Church Loop

(From last week)

In the South Side "Y" Junior Church League, played on Wednesday nights, Central Community and Ohio Avenue EUB lead the way with two wins each. Kenny Schumacher had a hot night, netting 14 field goals and three foul shots for a night's total of 31 points, to lead Central Community to victory over a good Oakwood Methodist team 50 to 22. Sears and Anderson had eight and six respectively to lead Oakwood. John Schumacher and George Poppy helped the Central Community team, netting nine and six points.

Ohio Avenue had too much height for the small but game St. Paul E and R five, scoring an easy 30 to 10 victory. Larry Badger with 12 points and Steve Rounds with eight led the Ohio Avenue EUB team. For St. Paul Tom Lyle and Jim Buel hit for four each.

With Jerry Frebis leading the way, St. John E&R outscored Washington EUB 28 to 19 after a close first half. During the first quarter Washington jumped to an early 5 to 0 lead before Frebis decided to take matters into his own hands. Fourteen-year-old Frebis hit for nine straight before Washington could score again. Frebis was high man of the game with 18 markers. Washington EUB scoring was evenly divided among six boys. Jack Cook and Jim Cripe were high with four each.

In the Tuesday Night League Bob Huginoil's Southwood C of C team gained the league lead by nosing out the Hungarian E&R five 24 to 21. The game was nip and tuck all the way. With two minutes to go, Cramer broke a 19 all tie with a basket, then Kirby's fast break basket put the game on ice. Kirby with 13 points and Cramer with eight were the big guns for the Southwood team. Butsko had 13 for Hungarian E&R and Santo eight.

Emmanuel Lutheran scored an 18 to 0 shutout over the small but hard fighting Livingston Methodist team. Tom Lewis and Bob Middendorf led the Emmanuel cause with five and four points respectively.

Les Redifer Is Honored

Les Redifer, Inc., of 1200 Parsons-av, has again been singled out for a special training award from the Chrysler Corporation. Les Redifer, who received the award, stated that it marked another milestone in his efforts to keep up-to-date on all car owners' service needs. He said, "We continually take an active interest in keeping our mechanics up-to-date on the latest service techniques because it eliminates guesswork from our service operations and helps us serve our customers better."

Cage Contests Range Slow To Highly Exciting

(From last week)

The first full week of the regular season got underway at Schiller Recreation Center. The action was fast and scores varied from close games to some which were runaways.

There were three games in the Young Adult League Monday night. Roy's, runners-up in the pre-season league, beat Lefty's 39 to 26. Roy Rouenbeck scored 21 and Tom Trumbull 18 for Roy's, while Bingmer, T. Gentline, and C. Gentline netted eight each for Lefty's. In the second game, Dick's edged out the Jets 30 to 25. While Dick's were badly off form, Dick Salver did score 16 points to help in the victory. Quillen was high man for the losers with 13. In the last game, Joe Taylor and Phil Sickel scored 13 and 11 points respectively to help the Blue Birdies in their win over Wilson-ay. Underwood of Wilson was high with 21 points for the losers.

Fast Action

On Wednesday teams in the Senior Boy's Church League swung into action. Four games were played, all of them resulting in lopsided scores. Hilty and Alexander scored 21 and 15 points to lead their team in a well balanced attack; an easy victory over Central Community. Dick Schumacher scored 9 points for the losers.

St. Leo's Aragon's, led by Tom Turner with 16 points, coasted to an easy victory over St. Paul's by beating them 33 to 14. Foulk scored 9 points for St. Paul's in a very slow ball game.

In the third game, Enderle scored 29 points for the second week in a row to lead Eastminster to an easy victory over St. John's 62 to 24. Eastminster did not play in the pre-season league but have two victories against no defeats for the regular season. Custer was high man for the losers with 8 points.

In the last game, Thurman who was badly off form, outlasted South Methodist 31 to 25. Jack McNash of Thurman took scoring honors with 20 points while Straub was high for South Methodist with 8.

On Thursday night the Senior Boy's League got underway. In the first game Kock's beat the Five Aces 40 to 23. Don Valentine scored 15 and Dersom 10 for Koch's while Kenny Gilhhan was high scorer for the Five Aces with 7 points.

Exciting

In the second game, the Mustangs and Eagles furnished the crowd with one of the best games of the week. In preseason play these two teams battled into an overtime with the Mustangs winning by a margin of one point. This game was as exciting and almost as close with the Mustangs winning again 36 to 33. Sells netted 15 and Fort 10 for the Mustangs while Jim Ritchason scored 13 and Bob Parfitt 12 for the Eagles. In the last game the Blackhawks playing way off form beat the Thunderbirds 53 to 33. Tom Richard scored 23 points for the Blackhawks while Dan Cassell netted 12 for the Thunderbirds.

The Intermediate Boy's League which plays on Wednesday, Thursday, and Friday nights, had several close and exciting ball games. Wednesday St. Paul. Squeezed by Southwood 19 to 18, to remain undefeated in two starts. Spanner was high for St. Paul with 9 points. Meadows also netted 9 for Southwood.

Good Game

On Thursday one of the best games of the week was played in the Intermediate League between Brookwood Presbyterian and the Eagles. The Eagles, winner of the preseason league and undefeated in five starts, jumped off to a commanding 14 to 3 lead in the first quarter, only to loose in the final minutes 32 to 31. Browning scored 10 points for the Eagles, while Noethlick was high man of the game with 14 for Brookwood.

Wonn's played the Mifflin Wildcats Friday with a lopsided score resulting. In an evenly balanced attack paced by Dempsey, Robinson, and Keller, Wonn's won 37 to 7 over the boys from Mifflin. In the last game of the week, Sr. John's E&R beat St. Leo's 45 to 14. Karrel netted 19 for St. John's while Robotta scored 8 of his team's 14 points, all on long set shots.

Girl Cagers

The girl's basketball league at Schiller Recreation Center has completed another week of play. In the Senior League, Corpus Christi defeated the Aragonettes 22 to 19 in a battle of undefeated teams. The second game went to the Sugar Jets 2 to 0 on a forfeit from St. Mary's.

The Intermediate League played two games also with St. Mary's Gold defeating the Aragonettes No. 1, 22 to 13. The Aragonettes No. 2 team then defeated Corpus Christi 20 to 8. The scorers were paced by Conner of the Gold team with 14 points.

Ruskin and Education

Education is the leading of human souls to what is best, and making what is best out of them; and these two objects are always attainable together, and by the same means; the training which makes men happiest in themselves also makes them most serviceable to others.—John Ruskin.

Have you ever noticed how family birthdays seem to congregate in one month? The Treneff family, 1167 Lockbourn-rd, have their "heavy" month in January Here are some of the natal days they must remember at this time of year Chris Treneff, Jan. 11; George Treneff, Jan. 26; Mike Traikoff Jan. 8; Mrs John Torski, Jan 5. John Torski, Jan 23; Helen Treneff, Jan 29 Happy remembering, Alex and Trudy"

Some of the Barrett mid-year graduates had a memorable night last week. They went to Valley Dale for some dancing, then on to WLW-C to visit that TV station, and then they wound up the evening's activities with a jaunt to the Far East Restaurant The brand-new 10th graders were Bonnie Jackson Virginia Leo, Joan Carter, Betty Cordle, Billy Lewis, Ted Nixon, James Smith and Ronnie MacDonald. Chaperones were Mr and Mrs. Monford Burns and Mr and Mrs. Robert Jackson

School is out for a few days, but the teachers are at work as per usual. Taking this opportunity to visit with the faculty, the members of the South High executive board are having a potluck luncheon for the high school teachers at noon

The departing days of January bring birthdays to these nice people: David Wiechers, 256 E. Moler-st. Jan 30, Milt Bonnette, 1640 S. Third-st Jan 22; Don Brunton, 1280 S Fourth-st, Jan. 27; Ruth Smith, 28 W. Markison-av, Jan. 28 and Edna Siebert, 1588 Parsons-av, Jan 31

There's "comings and goings" on the high seas for some of our South residents these days, so we'll tell of the "coming" one first. Sgt and Mrs W. A Willey were expected home last week by Mrs. Willey's daughter, Mrs. Jean Wirtz. The sergeant and his wife have been in France, where he has been stationed. They have been overseas 16 months. While on the continent, they visited Spain and Germany and also toured France as much as possible

Glenna Michel is the South Sider who is leaving these shores, to join her husband, John, who is stationed in Schweinfurt, Germany. She leaves this Saturday on the U.S.S. United States and will be met in LeHavre, France, by John The two plan to spend a week in Paris before making the trip to Germany. Both Glenna and John are 1951 graduates of South High School. Glenna's name was Noble, should her old school chums care to get in touch with her folks and get the German address of the young couple

Congratulations to all the American Legion award honors of the South Side schools. Two of the youngsters we know personally, so we feel especially proud of them The two who made us so proud were Shirley McCaffrey and Don Ball, Barrett ninth graders.

Birthday greetings to Johnny Komives, Jr., 294 Hinman-av, who will be nine years old Jan. 28, and to little Kathleen Whalen, 224 Frebis-av who has a Jan 30 birth date It seems to ye Gadabout that Ronald Dunham of Bruck-st is in a "birthday" time of year, also

We'll remind you again next week of this item: The Needle and Thread Guild is sponsoring its annual Valentine dance and the date will be Feb. 11. Pete Kocsis' band will play for the event, scheduled to be held from 8 p.m to 12, at the Sachensheim Hall 323 Woodrow-av

Visits to hospitals have concerned two Morrill-av families just recently One patient is home and doing his recuperating while the other one was still hospitalized at the time of our writing. "Red" Murray, 252 E Morrill-av, is the convalescent, and Jeff Phillips 233 E Morrill-av, is in Room 359 of St Anthony's Hospital. We're sure he'd enjoy receiving cards from his Reeb-av schoolmates

Three more birthdays to acknowledge are those of Mrs. William Burns, 298 E. Morrill-av as of Jan 12; Mrs Katherine Brooks 1600 Linwood-av, as of Jan. 24 Mrs. Brooks makes her home with her grandchildren, Katy and Paul Shelton The third birthday is that of John Shick, 238 E Markison-av, who has a Jan. 28 birth date

Our sympathy this week to the Heilman family, at the loss of Mr Heilman

Cleo Harden, 540 E Markison-av, is a very proud mother these days, and little wonder! Her son, Doug Harden, has written the words and music of a tune, "Dig That Ford" that is receiving wonderful notices in "Billboard," the bible of the theatrical world. In addition to writing the tune, he sang it on the record. The recording, a Liberty Bell one, is available at Bob's Record Shop 276 E Main-st. Doug is a Columbus boy and received his schooling here. He now lives in Phoenix, Ariz The talent isn't a one-generation affair, for Doug's 13-year-old daughter is a tv and radio star in her own right. Doug's aunt and uncle are keenly interested in the success of the record, too, and naturally, for they are actively interested in the entertainment world. Who are the aunt and uncle? None other than Mr. and Mrs. Ott Gall.

Guess that finishes up this week's pleasant task. Remember, we need YOUR cooperation in helping us to write an interesting column. We can only write what we hear about, and we don't "hear" if you don't dial HI. 4-1051, so remember us, won't you?

Judge Dismisses Charge Against Barrett Junior 'Paddling' Teacher

Donald E McCualsky, 30, Barrett Junior High School instructor is free of a charge of assault and battery brought by the parents of a Barrett student.

The climax to the alleged "excessive punishment" growing out of an alleged "whipping" came when a municipal court jury acting upon instruction of Judge Fred L Donnally returned a verdict of "not guilty"

The charge leading to the trial grew out of a paddling of Paul Collier 15 of 154 Hoaglet when he was late for a class

Instructor McCualsky was charged by the boys parents with using excessive force in punishing their son and that the inflicted punishment had caused serious injury in the shape of being struck three blows on the buttocks with a paddle wielded by the instructor

Dr Frederick E Finke who was called upon to treat the boy testified that it was failed to show sign of permanent injury He added that the buttocks showed some discoloration and "were very tender"

The punishment was inflicted Jan 11 and the x-rays were taken Jan 16, which, he said, was a precaution if the incident should get into court

The punishment it was said resulted when Collier was found in the halls late for a class conducted by McCualsky who when Collier was brought to him, lectured the boy and then used the paddle

The boy refused to take further punishment, it was said and was taken to the office of Principal Nash, where two more blows were reported struck with a large paddle

The case concluded abruptly when city prosecutor completed presentation of the case Then Robert Dunn, defense counsel argued that claimed 'excessive force' had not been proved there was no 'permanent' injury and no 'malice" was shown

Judge Donnally approved the attorney's move to dismiss

The "Stuff"

Falling snow although in light some fashion reminds me as an escape from some "stuff" I don't like, of a book published many years ago Its title "When winter comes Spring cannot be far behind" When the "beautiful" white crystals fall I look, avidly for the springtime that's sure to come but which seems so long in arriving

Happy Sequence

Happily there is a happy sequence to even uncomfortable forerunners In some areas of our very widespread country no season is pronounced enough, for the better to provide anticipation for the early future Fortunately that's not so here in our beautiful Ohio While we have little of the extremes of temperatures there is sufficient variance to give us who look not happily upon winter to escape from present discomforts into the warm comfort of spring and the more vigorous warmth (O yes occasionally only "that" can describe it) of summer Heat however is necessary in growth to buildine as well as to so many pleasures — why think now of a plunge into the blue shimmering water, next June That somewhat reduces the pain of today's sleet or snow or biting wind Bless the change of seasons although I'm one-tracked — summer is MY time"

Business CAME!

Charles F. "Chuck" Nimbs had just a little while previously opened a television repair service. He wanted to insure himself a good business from the start. So, naturally, he called the Leader classified department and put in the following advertisement:

CHUCK'S TV. Service calls, $3. Nights, Sundays. HI. 4-9718.

Let Mrs Nimbs finish the story: Telephone calls began immediately and business is good. "Chuck" is working hard, but that's what Leader classified ads are likely to do for a fellow. YOU try it, for service, to sell something, to buy something.

Because of its contributions to the field of automotive safety in its 1956 automobile, De Soto has been selected as the pace car this year," Les Redifer said. He quoted Tony Hulman, chairman of the board of Indianapolis Motor Speedway, in commenting on the choice of the pace car, who announced:

Remnant Of Old Dutch Windmill Starts Quest For Aged Story

Some things can be proved, but in this instance the seemingly logical story surrounding the pictured remains of an old Dutch windmill have been substantiated only slightly—mostly on a hearsay basis. The building, which is square and which tapers inward as its walls reach upward, is believed to have been brought from Holland perhaps close to 100 years ago. Certainly its life in the present location dates 'way back—long, long before Columbus "reached out there."

The pictured building is recalled by a number of people who remember it "when they first went to the community." For most of these, however, dates go back 25 or 30 years, more or less. But there is one person who bought and sold lots in the section long ago and whose memory goes back many years: Mrs. Ann Kaiser, 734½ S. Third-st. Mrs. Kaiser remembers seeing the "old" mill turning in the wind and pumping water, with the overflow carrying surplus water away.

Some other people, too, could have told the reported even more if he had been just a few weeks earlier — the Edward Spencers. Illness and death have closed this door to information.

The remains of the old windmill, the house only, is used by the owner of the property as a storage place. He is James W. Graves, 1387 Lockbourne-rd, whose property runs through to Studer, the Studer lot holding the ancient building. He has had the property for 13 years, but knows only what has been handed down in the way of history of the old building.

Maybe the winds that blow establish a tie-in between the base for the old Dutch windmill and its early environs in the land of too much water, many dykes, and the constant threat of innundation.

Beck-st School

By Beck Street News Staff

Hello, friends of the South Side Leader! Time marches on, and here again the first semester of our school year is over. As we reminisce over the first half we wonder what each child has learned. Have the children enjoyed their learning? Learning can be fun — that is, if you make belive and use your imagination.

Let's go into Miss Gloria Collett's 6th grade classroom and see how the children go about learning. As we enter we see interesting maps, pictures, and books of early times neatly displayed. This material helps us to learn, today. You see, we are preparing to go into the land of yesteryear and imagine that we are Roman and Greek boys and girls.

Today we are going to the Coliseum (school) to hear a lecture. A great student is reading from a scroll (rolled paper) about the life of a Roman or Greek boy or girl. Early training and his schooling have played an important part in his development and in training him to become a good citizen.

The ancient Greek or Roman considered health and physical activity very important. In fact, we've found out that physical activity was stressed from early youth — the care of the body, a healthful way of living were more important to them than the need to care for the mind. Our class thus has the physical activity and health lesson of the Roman outdoors. We've learned to breathe in deeply the fresh air about us; we have races and tournaments just like the Roman and Greeks. We likewise are learning to take care of our minds, and bodies.

English, spelling and reading in the Greek and Roman life were discussed today also. We wrote letters, stories, reports, etc., about our lecture today. In this manner we are using our knowledge of sentence structure, using correctly subjects and predicates. You see, we know it is important to write good sentences and correct ones. Spelling, likewise, is equally important. However, the Roman or Greek may not have worried too much about it. We have found out that our spelling is essential to correct writing and reading.

Papyrus

In the Roman and Greek school we've discovered that papyrus and ink (paper and ink pen) were little used, since they were difficult to obtain, so much of the learning was done by listening to the oral speakers and remembering. We learn orally, too. We demonstrate this frequently by having spell-downs in our classrooms.

Our class (34 strong) is divided into two groups for the spell-downs, and belive it or not, we can beter understand how important it is to pay attention and listen to each other. Just like the Roman and Greek children did in learning.

Arithmetic is more modern today than in the Greek and Roman times. In our class we have learned many ways of mastering figures. Miss Collett patiently explains all new material and shows us the correct methods for working the problems on the blackboard. Do you think the Roman and Greek teachers were as patient as our teachers?

Arithmetic

I do not believe that arithmetic has the important place in their learning as it does in ours. In a Roman or Greek education racing was quite the thing. Contests of many kinds were provided. We race too. However, our racing is done in arithmetic for speed and accuracy. Accuracy is stressed more than speed. This is our way of racing — six children go to the blackboard at one time. A problem is given to them and as quickly as possible the children work the problem; the first one finished will turn around and face the class. If his problem is correct he remains at the board and races five other children. When one child stays up there three times he receives an "O" (outstanding) for the day.

Must Listen

I've discovered that in Rome or Greece one must listen to others to get his knowledge as only a very few books were available since all books were done in script writing. Let me tell you, friends, our class has an easier way of learning, thanks to the invention of the printing press. We are fortunate to have at our fingertips books, books, and more books! Our reading is of a variety since one of our projects is collecting sales tax stamps. The money received from these stamps is used to buy books for our classroom library. We have bought 40 books so far this year. When we receive a check our teacher takes four of us to the store to select our own books. We select the people to go by drawing names out of a hat. We've learned to be very democratic and also to assume some responsibility in our class and toward our school.

Preferents

Do you know, friends, I've had it! I prefer to be an American boy or girl, going to school today in our Beck-st school, in this, the 20th Century. It is much more fun and the teachers are trying to help us by giving us everything possible to make us the best person, citizen, and statesman he or she can.

School is over for the day and the boys and girls put on their coat, hat, and boots, ready to go home for work or play.

We've tried our best to give you a picture of our 6th grade; we've had a most interesting day as a Roman or Greek, but are glad to be back to reality.

See you soon, friends, when we pay a visit to Miss Margaret Schulenberg's fourth and fifth grade classroom.

Group B Of South Side Is Active In Good Works; Named 'Social', It Adds 'Service'

Group B officers of the South Side OSU Mothers Club in attendance are, left to right, Mrs. Wilbur Martin, treasurer; Mrs. John Michel, chairman; Mrs. Franklin Krescheck, co chairman; Mrs. Edward Bellman, secretary; Mrs. Louis Saile, first chairman; Mrs. Faye Redding, advisor.

Committe chairmen of Group B are, left to right, Mrs. George Schleppi, membership chairman; Mrs. David Wilson, Sunshine chairman; Mrs. A. J. Sauve, social; Mrs. John Anthony, hospital and welfare; Mrs. Philip Schneider, telephone chairman; Mrs. Russell O. Wagner, publicity chairman; Mrs. H. H. Harrison, hospitality chairman.

Group B is the designation of one of the interesting and unique social groups in the South Side and, indeed, in all sections of Columbus.

Although group B is a social organization, it seemed to gravitate over to the social service classification, for its members and the organization have gone beyond the basic purpose: the banding together of the mothers of Columbus students in Ohio State University OSU Mother's Club.

Wider Range

One of the committee chairmen is listed under "Hospital"—indicating a wider range of activity than is suggested in the name. Many hours are given to hospital work, especially to making bandages for the cancer clinic, according to Mrs. Russell Wagner, publicity chairman, who also recorded 12 layettes given to a hospital last year.

Another of the activities of the group is the "White Elephant" sale each February. At this annual event, Mrs. John Anthony acts as auctioneer, and it is rumored in the group that she can get that "last squealing dollar" for items sold in the sale. And what is done with the money so secured?

The Answer

That question may be answered thusly, "They're OSU mothers, aren't they? Then it is not surprising that they use funds for educational purposes." That is a good answer, too, since the OSU Mothers Club—this is South Side, please understand—awards scholarships in the college of medicine, school of music, and a Mrs. Roger L. Jones memoriam to an outstanding high school student in Franklin County.

International House was supplied with a subscription to a Columbus daily newspaper and a subscription to a famed magazine. However, while there are other benefactions, the ladies are known for the delightful social hours they spend together. One of these moments made the newsman momentarily, at least, wish he could join, for he arrived on the scene to take the pictures just as what is known among the ladies as "dessert luncheon" was in the way of being served—and newsman not having had lunch! O, yes, the ladies suggested that the newsman have a share in the luncheon, but—well—that is, he said he had to go to work.

Membership

Group B, South Side OSU Mothers Club is composed of the following women of the area: Mesdames Paul Arn, Mayer Alexander, John Anthony, C. Babbert, R. H. Bartel, Edward Bellman, ans, F. H. Foster, W. B. Garwood, A. H. Bergener, Russell Boquist, William Garhard, Walter Gould, J. E. Brockmeyer, Henry Caves, Kenneth Groves, John Gwynn, W. W. Campion, Frank Confer, Charles Hammon, H. H. Harrison, Frank Dougherty, Clarence Dolby, Ray Echenlaub, Godfrey Ev- Roy Horcher, Millard Hussey, Marshall Houghn, E. J. Klein, A. C. Krause, William Kreck, F. C. Kresheck, Floyd Lemmon, Wilbur Martin, Henry Maser, E. E. MacAtee, J. E. McMahan, John Michel, Leo Neugebauer, Edward Pfeifer, E. H. Pugh, Richard Rowley, Don Ryan, Kendrick Redfern, Louis Saile, A. J. Sauve, George Schleppi, Phillip Schneider, E. J. Scott, A. A. Sebastian, Oliver Tate, Carl Teeters, Otto Vick, R. O. Wagner, W. G. Wagner, Dorothy Weekley, David Wilson.

Officers

The present official roster is like this: Mrs. John Michel, chairman; Mrs. Franklin Kresheck, vice-chairman; Mrs. Edward Bellman, secretary; Mrs. Walter Martin, treasurer; Mrs. Russell Wagner, publicity; Mrs. Phillip, telephone; Mrs. John Anthony, hospital; Mrs. Anthony Sauve, social; Mrs. George Schleppi, membership.

Ohio State University Mother's Club was organized in 1922, according to the records, and the South Side club, known as Group B, was organized and entered into the city organization as an integral part, in 1938.

Group B, like other groups, is more than a "social" organization. It's a social service organization too.

Nazarene Church Occupies New Building On Wilson Avenue

When the congregation of the Parsons Avenue Church of the Nazarene vacated the old building, the pastor, Rev. D. E. Clay, commented that "the building is still there, but the church is going."

Shortly after that the Leader newsman went along with a camera to get a picture of the congregation at worship.

Moving into the church building for services was attended with some difficulty, the pews having been delayed in shipment. But the pastor and other members got busy, hauled in what chairs were available from the Sunday school and other sources, and went on with services They were glad to be in their new church home and it was said no one complained for having to stand.

The picture shows a bit of the congregation at the front of the sanctuary, and Rev. Clay, the pastor, and organist and choir as the Sunday morning worship service began

Notable is the nursery shown where mothers may take their babies and see and hear the service, while those out in the sanctuary cannot hear the babies

Work is not fully completed—indeed, one member said it will be a long time yet, because the growth indicates the larger addition previously mentioned to the newsman by the pastor But it was said too, that the present obligation must be paid before the next building program is started.

The new location is at 1650 Wilson-av.

Here mothers see and hear the service while babies' cries are confined to the room.

The object of Goodwill Industries is to rehabilitate the handicapped; to train in trades suitable to their aptitudes those capable of receiving training; to provide sheltered workshop facilities for persons requiring that service; to provide opportunities for self-support through regular wages paid to the client; to provide certain recreational, social and educational opportunities.

In conjunction with the Bureau of Vocational Rehabilitation, a Work Evaluation Center serves the severely handicapped, who cannot be rehabilitated with existing facilities, but require a preliminary specialized institutional period of pre-vocational study. Through the cooperation of the Columbus Board of Education, a school for Multiple-handicapped children is conducted with the aim of aiding the adjustment of the child between the ages of 14 and 18.

The program of the Industries is financed by earning from sale of reconditioned articles, as well as earnings from sub-contract work for local business and industry.

Goodwill industries operates six retail outlet stores in Columbus In which the public may shop. Some additional money is received from gifts, fees and the Community Chest.

Your filled Goodwill Bags are the main basis of support for the 160 handicapped people now being helped by Goodwill Industries. At this time of year, we especially need your contributions to keep our people busy. Look around your home — fill a bag. Call us today.

The Gadabout

Priscilla LaRue Lenox
HI. 4-1051

Down, but not out, ye old "flu" bug has had the Gadabout a little groggy, but we're still perking along.

We knew about two items concerning the George Swisher family, 33 W. Gates-st, but an unexpected item popped up that takes precedence over the annual celebrations in that household. George Swisher has a Feb 6 natal day, and the wedding anniversary date for him and Thelma occurs on the eighth of the month. The unexpected event was not so nice, for Thelma suffered a fracture of the foot, in a fall down the steps at their home. She fell as she was starting out on the "Mothers' March on Polio" last Thursday. She continued on, but pain forced her to go to Mercy Hospital where the x-rays disclosed the break. Thelma knows too well how dreadful polio can be, for she lost her daughter that way eight years ago. We hope folks will help her on to recovery with lots of cheery greetings.

The Dover family, 512 Jackson-st, had double cause to celebrate last week, for Jerry Lee graduated from South High on Jan. 24 and his brother, Jimmy, became a year older on the 25th

Austin and Donlyn Guirlinger have a new daughter now, as of Jan 21. This makes their second daughter, with a son sandwiched in between

Two cute little sisters have birthdays one week apart at this time of year and the new ages are three years and one year, respectively. The girls are "Honeybunch" (Donna Marie) and "Baby Sister" (Anna Lynette) LaRue Honeybunch celebrated her third birthday by being on Aunt Fran's program, Jan 27, and Baby Sister reaches her first birthday on Feb. 3. Ah, yes, the girls have a cousin who will be 14 years old on Feb 6. Who? Our own tomboy, Priscilla Ann Dicke' The LaRue girls' maternal grandmother has a Feb 5 birth date also, so greetings to Mrs John Colvill.

The ill folks of the community are Milt Bonnette, 1640 S. Third-st Ben Williams, 229 Southwood-av the genial proprietor of Southwood Market, and James Ritter, 336 E. Jenkins-av

Received a news letter from the Parents Volunteer Association of Orient State Institute last week and in the letter the officers asked for Eagle Stamps, S & H Stamp Books, Buckeye Stamps and state tax stamps For those folks wanting to help worthy causes, but who lack time to "belong" to a group perhaps saving these things will help as much as active participation in a charitable organization It's a thought, and should you care to help send the books or stamps to ye Gadabout and we'll get them to Mr Fyler president of the PVA The group is trying to raise enough money to purchase 10 or more Picturolas for the cottages. (A Picturola is a record player with a colored kaleidoscope on the front)

Early February birthdays: Barbara Biete, 1120 S. Pearl-st, Feb 1; Stella McAdow, Feb 8; Margaret Zellers 89 Collingwood-rd

The Needle and Thread Guild members are busy making last-minute preparations for their annual Valentine Dance, Feb 11 to be held at Saxon Hall, 323 Woodrow-av, from 8 to 12 Music will be furnished by the Pete Koscis orchestra

Two well-known South Side men have early February birthdays, so greetings to Herb Germain 252 E. Gates-st Feb. 5, and to Bernard Shick, of Shick's Market, Feb 8

Mrs G H. Gruber 653 Stanley-av, is back home again after a pleasant month spent in E Lansing, Mich. Mrs Gruber left Columbus right before Christmas and visited her daughter, Wilma Farmer, and Wilma's two sons Mrs. Gruber's son, Ralph, 1516 Ellsworth-av, is visiting the opposite end of the continent currently. He left recently for three weeks in Ft. Lauderdale, Fla., to visit another member of the Gruber family. His hostess for the three weeks will be his sister, Mrs C. L. Rupp

Late January birthdays were those of Mrs. I. Frazziotti, 1396 Moler-st, and her grandson, Jimmy Buchan. Also belated greetings to Eddy Day, 489 Southwood-av, and Franklin Dunkle, 93 Frebis-av, and to David Wiechers of 236 E. Moler-st.

Agnes Keadey Planck, 190 Hunon-av, had the misfortune of slipping on the ice and breaking her ankle recently. We're sure she'd appreciate cards, calls and visits very much, so, remember her, won't you? Her hospitalization was in Mercy Hospital. Agnes' son-in-law has been on the ailing list too, and his name and address are Robert Dens of 3175 Watkins-rd

Guess that ends our weekly output of words for this time. Remember, this is really YOUR column: we just assemble the items together If your news doesn't get in, it's because HI 4-1051 was silent when it should have been ringing. Till next time, then, this is—

For the Emmanuel attack Bob Middendorf with nine points and Tom Lewis with six were the big guns. Dale Creamer with nine and Mowbray with four markers led the Southwood C. of C. boys.

Bill Gishel scored eight points to lead the St Paul quintet, while Jerry Frebis and James Herd paced St. John's E. and R with 8 and 7 respectively.

Mrs. Nettie Swormstedt, Reporter

At the end of the first half of this school year the pupil enrollment has hit a new high mark of [illegible]

The fifth grade in Mrs. Swormstedt's room had just finished reading about the founding of New Amsterdam at the mouth of the Hudson River in those long ago days Across the street the promoters had just erected the sign for the New Amsterdam Village So we took a trip down the stairs, grouped at the big window facing east, and watched the ship "Half Moon" (the steam shovel) making its way through the Hudson River (the ditch being excavated); saw the river extend north and south (the ditch goes north from Southgate Drive; saw the windmill and the tulips which told us of the Dutch; read the item "2 bedroom houses" and remembered the Dutch built 2-story houses instead of cabins as other pioneers did.

'Fun Frolic' Managers Have Saturday Carnival Plans Set

Marion-Franklin school students, teachers—about everyone attached to the school, according to just about anybody one could talk to, as the Leader news man found out the other day — all are giving of their energies for the "Fun Frolic," which, according to Joel B. Snyder, Marion-Franklin Booster Club, will set a new high for entertaining.

The big date is Saturday of this week, Feb. 4, and the "things that are to be there and that are to happen" will get underway at 4 p.m. and last on through the evening until 11 o'clock.

Asked to define "Fun Frolic" so we could tell our readers what it meant, there was a chorus of "It's a Fun Frolic!" However, when the group put out its publicity, it defined the affair this way " . . . will provide a full evening's enjoyment for fun-lovers and school boosters in the Marion Local School District." And then the publicity was like this: "the carnival of merrymaking"

High Court OK's Marion Twp. Areas Annexation

Annexation of three disputed Marion Township areas into the City of Columbus became a definite fact yesterday, Wednesday, morning, when the Ohio Supreme Court handed down a decision sustaining the claim of City Attorney Chalmers Wylie that annexation acts were legal

Original court action began when petitions were filed and an injunction was sought against proceeding with the efforts on the part of a group of citizens to annex to the city To this effort the city attorney filed a demurrer, and this was sustained by the Court of Common Pleas

Other petitions were filed and numerous actions undertaken leading to the action of the Supreme Court in sustaining the position held by the city attorney

The three areas involved, the city attorney told the Leader reporter, were the Schneider, Forrest and McLeod petitions. The attorney declared that the three areas are now an official part of the City of Columbus

More Parking Space Is Aim

Steelton Merchants Tuesday evening decided that more parking space along Parsons-av is an immediately important need. A committee of two, Bob Horowitz and William Finley, was appointed to make a thorough investigation and report to the association with recommendations for action

The thought, it was said, is that it is believed there exists many opportunities for increasing parking space, the group suggesting that alley buildings, serving in many instances, no useful purpose, might be torn down and the space converted for parking, even providing more parking for one's own customers.

The action of Tuesday night indicated a determined effort to solve the problem, which, if stressed, is of increasing importance to the business community.

Fanciful Thinking

Oftentimes fault is found with the absence of the power of educational material and educators' presentation and influence to evolve complete acceptance by students to the full values intermingled in the life we live, and to a degree which will create voluntary compliance with all the niceties and rightnesses in human relationships

Of course, perfection is impossible, and is not expected. But sometimes we think there should be at least some way to inculcate a deep appreciation for the intense values in full honesty — automatic, happy, unrestrained appreciation for the rights of others, adherence to the axiom "do unto others as you would have others do to you." Of course, I know this is merely indulging in fancy. But the spirit gets an uplift as I briefly delude myself.

Juveniles' Troubles

Woes besetting many of our youth create a blanket of gloom over the minds of thinking (and interested) people. Others care nothing about the poor little fellows in distress, and are not disturbed by their troubles. Assessing responsibility for our youth becoming involved with the law is difficult. But now and then an illustration sticks out like the proverbial "sore thumb" and shows somewhat why so many boys and girls are in trouble while still in their early teens.

There comes to my attention the case of a youth—14 years of age—for stealing. The judge asked him why he took the stolen item. "I did not steal it; I just took it," he told the judge. "But you took what did not belong to you; was not that stealing?"

"It was not stealing. My father brings home towels and other things from hotels and trains

New South Side Industry Spreading Over Country

An idea developed out of "cogitations" seems destined to add a substantial new business to the industrial and commercial activities of the South Side, according to the two men most intimately associated with its origin and development. A new national organization is being built.

In an interview with the originator of the idea behind the business, the reporter asked how the idea developed—where the germ originated. Richard Conn, being interviewed, said the idea originated in his own mind as a food distributor as he heard increasing complaints by housewives because it required so long to "cash in" on their stamps, and then had to send them away to a premium house for redemption.

It was then, Conn said, that he decided to do something about it. He told the reporter that it seemed to him then, and he says he is now confirmed in his conviction, that there would be greater interest in trading stamps if the purchaser of goods could put the stamps into almost instant use and at the spot where the purchases were made.

That was the basis for the beginning of the new industry in the South Side, Conn said, a beginning which has been given publicity by the Wall Street Journal and other publications in the country

Foreign Grocery was the focal point, or distributor, for the beginning. "Sponsor," Conn said, is a better word When the infant industry started with its idea, Foreign Grocery, Foodtown, Store, 1956 Parsons, became the sponsor for stamps known as Steelton stamps.

The difference, the reporter was told, between these stamps and other conventional stamps, is that the customer receiving stamps from the merchant need not wait an indefinite time to "cash in" on the stamps. The reason for this it was explained, is that the stamps are like spending money—they may be applied to other purchases at the value stated. Here is the way it works: when a customer has filled a book with 1500 stamps, the book may be turned in for $3 in trade or for $2.25 in cash

Locally the stamps bear the name of Steelton, and a list of merchants who have joined the new organization and the new stamp plan totaled 11 at the time of the interview a week ago, but it is learned that there is a much larger list now, although it will not be made public for a short time

The new industry is operated under the name of Sanco Sales, and, in addition to Conn, Fred R. Nutis is associated with the business. He is the firm's general manager

South Side merchants listed in the rapidly growing sales stamp business at the time of the interview are the following.

Mako Market, 4345 Groveport-pk, where the new stamp procedure has been received with enthusiasm. The quick use of the stamps makes an appeal it seems.

Foreign Grocery, the sponsor in this area, acting in the capacity of wholesaler for the stamps, at 1956 Parsons, where the stamps are acknowledged as having a strong appeal.

School Break-Ins At Week-End Have Not Been Solved, Reported

Three South Side schools had to "dig" themselves out from the after-effects of vandalism last Monday morning. For Barrett this was the second in a period of about three months. For South High and Reeb-av elementary schools this was the first of the season.

As in the previous raid on Barrett Junior, the vandals apparently found pleasure in destruction rather than in the search for things of value

Entering South Hi through a cafeteria door which had been broken, the raiders, seemingly bent upon minor destruction, smashed glasses, littered the floor with records, which seemingly had been tossed roughly to the floor with breaking a desired result, and then tore telephones from the walls. Books were scattered over the floor. The arrival of a janitor at 11 a.m. Sunday morning is thought to have scared the raiders away, although he reported that he saw no person, neither did he hear any person.

Barrett's visitation was by two boys on Friday night, scared away by the janitor, Anthony Berendt, who said one of the boys held a crowbar. Saturday night there was another break-in, but Principal Nash has not found evidence of theft or depradation

Half-a-gallon of milk was taken from the refrigerator and spilled in a doorway at Reeb Avenue Elementary School, it was reported. Here the vandals rifled desks and hand cream was squirted over the litter they left. Principal Howard Williams said the break-in was either Friday or Saturday night.

Late Wednesday no solution to the personalities had been made and it was believed that clues were so slight identification of the miscreants would be difficult

Factual evidence of the honor conferred was in the form of a certificate of "Honorary Life Membership" in the Deshler PTA.

Interesting People

There have been happy hours with friends — a couple from "down under" — from New Zealand. They are Mr. and Mrs. John Small. He is an international exchange student and is working on his doctorate at OSU. He has brought me up to date on a number of interesting things within the British Empire and particularly on relations between New Zealand and Australia and the Mother Country — England. He is an intensely interesting man, a good speaker — and that last is what I have in mind in telling about our friends — within the Leader area the New Zealander be available, upon my request, for talks before PTA's and other educational groups Call the editor. cutting cost with the cash-redemption stamps

Nubeck's Confectionery, 216 Thurman-av There's a carry-out service here and a lot of stamps are being saved up for future spending, especially among the young crowd

Laff's Coffee Shop and Bakery, 193 Thurman-av, where the prospect of more cups of coffee and rolls, perhaps, is sure to add to sales.

Greater Columbus Hardware, Inc., 1991 Parsons, an institution where stamps are not strangers, was among the first to enter into the new and what has been described as the more modern method of using trading stamps

Peer's Department Store, 1918 Parsons, lends itself nicely to its position as one of the early business houses to recognize the greater value in Steelton stamps with a cash value.

Hoermle's Appliances, 1894 Parsons, a big business, naturally would be one of the "beginners" in a new and modern system of doing business. It's likely that many gifts will be paid for with stamps here next Christmas — and before.

Seneca Appliances, 195 Thurman, another progressive business house, was in the line-up early and has been using the new trading stamp system since its beginning.

Twins Wee-Wash-It Laundry, 1951 Parsons, was assured of the appreciation of a lot of housewives when they learned that, with a book full of stamps, it was like having that much more cash to spend.

Long's Pharmacy, always a busy store, is passing out a lot of the new South Side stamps to its customers, who seem delighted with the most modern trading stamp method.

The new trading stamp plan is copyrighted, it was stated.

This is a nice time to think of Florida jaunts, so since we can't go there personally thoughts of others going there will have to suffice A family trio making the trip are Mr. and Mrs. Arthur Swisher and their son, Ray. While there, they will be the guests of another son, Harold Radcliffe, who recently moved there. Upon their return to the Buckeye State a daughter, Ruth Swisher, will be moving to California. Lucille Walston, another daughter, will help in the driving department for Ruth's exodus Mrs. Swisher has a rare event this year, for she gets to celebrate a birthday' She's only had 17 in her lifetime, dut to the Feb 29 rarity This birthday will be saddened for Mrs. Swisher, as she's always celebrated it in years past with her twin sister, Mrs. Cook, and Mrs. Cook died a year after their last celebration.

A new boy became part of the household of Mr. and Mrs. Don Stertzer on Jan 27, so congratulations to all three members of the family

Illness is the lot of Ed Lemmon, Sr., 1049 Jackson-pk, and Betty Bradford, who was in Room 811, Mt. Carmel, at our last knowledge of her.

We heard some additional information about the windmill picture that was shown last Thursday, so we'll pass it along. Mrs. Clarence Miller was our kind informant, and one of the interesting facts we learned was that three members of her family were born there, close to the turn of the century. Mrs. Miller's parents, Mr. and Mrs. Leo Portisch, came to America in 1901 and moved into the windmill in 1904. The three children born there have birth years ranging from 1905 to approximately 1908, and they are: Sister Stephanie, a Notre Dame nun in Reading, O.; Sister Anna Frances, also a Notre Dame nun, in Columbus; and Louis G. Portisch, 819 Chelsea-av Relatives of the Portisch family lived in the front part of the property They were Mr. and Mrs. Charles Sahr Mrs Miller said that the property belonged to the Zirkle family, who later sold it to Mr. Spencer. The thought occurred if additional information wouldn't be recorded on the deed, for some of those deeds sound like a slice of history when read. It is fascinating to hear and read about such landmarks, isn't it? And we're thankful to Mrs. Miller for telling us more about a South Side landmark.

More February birthdays for remembering: Mrs. Willie Davis, 1480 S. Fourth-st, Feb. 9; Barbara Riley, 1411 Bruck-st, Feb. 15; Gary Eichel, 1341 S. Third-st, Feb. 3; Jane Wycoff, 1216 S. High-st, Feb. 16.

Mrs. Don Ryan and Mrs. August Busse want to thank all their volunteer workers and the contributors on the Mothers' March on Polio, held two weeks ago The incomplete return showed a collection of $3,536.09 and the co-leaders were very well pleased.

Ill members of the community who are at present hospitalized are Mrs. Suttner and Mrs. Larry Rumsey. We hope both women receive many cheery cards. Addresses are 68 E. Welch-av, or Mercy Hospital, for Mrs. Suttner, and 22 Frebis-av, or Doctor's Hospital, for Mrs. Rumsey

Two-thirds of the Ware family have February birthdays. The two are Mrs. Ware, who had a "ground-hog" birthday, and Judy, who has a new age on Feb. 19.

Debbie and Sandy Beaver, four and three year-old daughters of Mr. and Mrs. Lyle Beaver, 591 Frebis-av, had the thrill of their young lives last week, and we know Mommy had a big one too! The two little girls were invited to meet Gene Autry and to have their pictures taken with the cowboy star, during his Columbus appearance. Not only that, our city's chief of police was part of the picture scene too, so their souvenir photo is really different from the average. Mrs. Beaver reported that Gene is extremely nice, and that she's a fan of his from here on in.

Here's news of a Jan. 25 newcomer that has South Side relatives and friends who might like to know he arrived hale and hearty and would like to have visitors now, we betcha. The eight-pound 5-ounce "buster" is the son of Mr. and Mrs Berwin Allen Drake of Thornville. Young Master Drake's grandmother, Anna Drake, is a resident of 670 E. Gates-st and his daddy is a South High graduate. The youngster made his debut at Mt. Carmel Hospital. Perhaps some of Berwin's classmates were also unaware that he also has a 27-month-old daughter, Linda Sue. Linda Sue can claim Florida as her birth place. Mrs. Drake was a resident of Grove City before her marriage.

Herb Hampton combined business and pleasure last week. He was in New York City on a convention of the Associated Merchandising Corporation and while East had the chance of visiting relatives on the seaboard. We're so glad to hear that he's able to do such things, for he was an ailing man last summer.

Donna Grunkemeye, attained her voting age on Feb. 6 and this is a good year to get there, isn't it?

The Karch family of Southwood-av had a real pleasant surprise last week. Their air force son, Jack, had occasion to make a jet trip to Columbus so stopped by to see the home folks. Jack is stationed in Greenville, Miss. We lost out on wishing Ruth a happy birthday in January, but "we know that she knows" that our best to her anyhoo!

Holiday celebrations that are "doubly" so belong to Becky Leonard, who has a Feb. 12 birth date, to Sally Paulus and Lorraine Itskin, who think of Feb. 14 as birthdays, and to Mr. and Mrs James Coslett, who chalk up another year of wedded life on the 14th of the month. Oh yes, Mr and Mrs. Paul Lenox have a Valentine's Day anniversary also.

Betty and Al Green will have a Feb. 18 anniversary and Betty has a birthday tomorrow.

Trudeau Guild 10 met last night in the home of Mrs. Glenn Buller, 326 Frebis-av. Co-hostess was Mrs. William Paulus.

Two more thanks from grateful folks: Thelma Swisher, for cards received after her fractured ankle sustained on the night of the Polio Drive, one particularly that contained such helpful messages. Another thanks from South High PTA president, Lillian Ryan, for the school mothers helping to make the teachers' potluck such a fine success. We can attest to the success of the meeting, for we were there. Our luncheon companion was Mr. Fearing and we'll report that at least two of the diners got very stuffed.

Response was real fine last week, so please keep up the good work by keeping HI. 4-1051 a'ringing, hm? Thanks, and till next edition, this is

S.S. Council Gives Approval To Slum Clearance Plan

Following a presentation of South Side slum areas at a meeting of the Council of South Side Organizations last Thursday evening, it was announced that the organization had given its approval to the campaign to be carried on to redeem large areas in this section from the desolation into which they have fallen

The occasion was the appearance of Lawrence M Irvin, director Slum Clearance and Rehabilitation before the council which had accepted an invitation from the new Parsons Library to hold its meeting in the new building

The director, showing with slides the physical depreciation of large segments of South Side housing, traced the lowered tax take by the city as the property decreases in usefulness through delapidation

"Slum clearance," the director said, "has an unhappy sound to many people who are unable to provide better habitation for their families." But, the speaker reminded the Council, when property is tumbling down, becoming a threat to the health of the community adding to juvenile delinquency, "it is not a disgrace to recognize the fact and do something about it."

Startling Figures

Director Irvin presented to his audience some startling figures ono the financial side of the subject of slum clearance, which he pointed out, is merely the prelude to the setting up of residences to provide comfort for those who are inadequately housed Until old, crumbling, degenerate buildings are eliminated the speaker declared, there is a continuing decrease in values and in taxes received by city, county, and state, because values decrease when buildings are not fit for human use

Showing pictures of properties which many years ago were elite" properties, worth a lot and paying substantial taxes, he showed them in their present stages, in many instances former taxes bringing in totals amounting to only 20 per cent of taxes received even 20 years ago. He pointed out the loss to the owners, to people who now occupy the delapidated buildings, and to the public treasuries through the lowered taxes

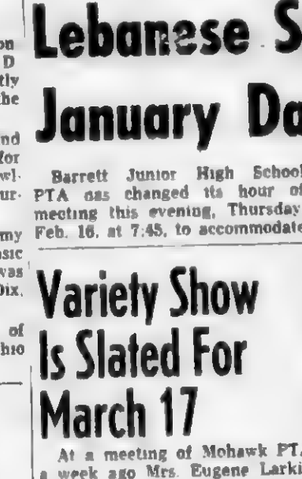
Another Factor

There was another factor the director attached to the existence of slums as dwelling places, and that was the loss of human respect for themselve and others, since the slum areas do not "promote high thinking" and incomes do not permit even comfortable living

Director Irvin had another phase in his presentation: what to do about the situation. Under Federal legislation and appropriations, the Federal Government will help a city to clear away slums and provide decent living conditions As in another instance here in Columbus, where slums now exist, it is planned to tear down and build, not as charity, it was stated, but as a reasonable business program.

Because the question of where people will live between the time of clearance and the time when buildings will be ready for occupancy, the director stressed that every one will be guaranteed a place to live at prices they can afford, while the new developments are under construction.

Same Protection



The same protection, it was stated will be thrown around every family until the last family has been provided with homes at prices within their incomes

Shopping centers, parks, and other adjuncts to comfortable living seemed tied up with the planning

"Our Expensive Slums" was the subject of the director's talk, and members of the council expressed the thought that they had seen that slums are expensive—in many phases

A bond issue must be approved in an election in September of this year to finance the program. On this and other phases the South Side Leader will from time to time present additional facts.

Barrett Junior High School PTA has changed its hour of meeting this evening, Thursday, Feb. 16, at 7:45, to accommodate an interesting program according to Mrs. Paul Barton, publicity chairman

Hanna Ghalib of Lebanon, Near East, will be the highlight of the evening. Scheduled to speak at last month's PTA meeting, the snowstorm at that time prevented the holding of he meeting. Arrangements were then made for the appearance this evening of the International exchange student from Lebanon, a country on the shores of the western Mediterranean Sea.

With extensive experience in various parts of government, his own as well as internationally, it is expected that the Lebanese speaker will draw a full house at this evening's PTA meeting at Barrett, it was stated

At a meeting of Mohawk PTA a week ago Mrs. Eugene Larkin was named to have charge of producing the variety show which previously was announced

Committees were appointed for the various details incident to the preparation of such a show Mrs. Lakin reported, and the groups immediately got underway in preparation for the Mar 16 production in the Mohawk school auditorium

Rehearsals have started, it was learned, and those familiar with the efforts being made report that the show will be "tops," to quote one of the school patrons.

Erv Got Results

Erv Cook, whose confectionery emporium is a mere two doors from the Leader office, became tired of the dirty "look' of Parsons-av in our vicinity and called—SOMEBODY. Next morning at seven o'clock we were surprised by the sweeper cleaning a dirty street Erv, what's your secret?

More About Juvenile

Circumstanced—warpage of the mind brings destruction into the lives of many children who deserve better. The other day I sat where a youth—one of a dozen—was being questioned. He was arrogant, he feared nothing, not even a jail, where, I am told, he spends a good bit of time, as does his father, with whom he lives when both are out of jail—a 14-year-old, intelligent youth, stifled with the impact of unhappy bringing up—and poverty and poverty's counterpart, ignorance and resentment As I looked at him my heart yearned to be of help. In his eyes still remained the light of the love of God' Shall we let millions, over the years, sink into degradation while we bask in the sun of prosperity and happy living" Slum rehabilitation could go a long way to give the divine light in a boy's countenance a chance for happy, useful living

Appreciation Appreciated

Several beautifully appreciative notes from PTA groups whose activities have had Leader news support make us feel quite happy. We are grateful for letters and the spoken words—they give us much pleasure The pleasure, however, is not for just the satisfaction of our human desire for recognition, it is on the other hand, gladness because we have learned that our efforts have been of help In helpfulness is the greatest joy one can experience. Ladies—lovely ladies—we thank you and ask for further opportunity to be of community assistance

Tom Sharp, popular Leader advertising manager, just came from Heil & Scheiderer Hardware store, where Alex Fuleky of the store staff gave him the name of the man-with-the-longest name — a Mr. Wolfeschlegelsteinhousenbergerdorf, a small Philadelphia merchant. He has "made the papers" many times because of his name, a combination of several German and low country family names

My Mystery

"Seek 55 Million" for program, said the headline. From the time several pieces of change were too much for "mind" to total. I have wondered how they put the figures together to be sure the 55 Million" is correct. Or, can't any body figure it out?

'Brotherhood' Gets Assist From Mayor

Mayor M E Sensenbrenner met with a group of teen-agers of the city at the first of the week and helped them start the program for "Brotherhood Week" throughout the city

One of the important events of the special week will be a city-wide meeting of young people at Schiller Recreation Center this Saturday evening, Feb 25. There a panel of teen-agers will discuss the problem of prejudice. Bud Bond, athletic director of Glenwood Recreation Center, has been named as moderator for the panel

Following the panel discussion it was announced, a dance will be held, with South High School providing music for the dancing.

Began in 1934

Brotherhood Week, it was stated, has been observed since 1934, not, it was stated, because it is the most suitable week in the year, since "brotherhood" is in need of practicing throughout the year. The date was set, however, just to make it a permanent institution as a reminder to all that in brotherhood there is more happiness and achievement" than in prejudice. The drotherhoob involved Catholics, Jews, and Protestants, it was said, without weakening any loyalties to faith

It was stated that Brotherhood Week has the hearty approval of the President of the United States.

Committee

The committee is composed of Miss Rosemary Lattimer, Godman Guild; Thomas Caldwell, Columbus Academy. Merchants Project 'Germ' Of Hope In Parking Plan

Action taken by Steelton Merchants Association at its meeting last week looking to a solution of the pressing car-parking problem is in line with the general high character of that organization

By vote the organization put into effect an idea which, developed, could lead to a solution while setting an example for other places with seemingly insolvable problems like our own.

The idea, or germ of an idea, approved by Steelton Merchants in a meeting was the recommendation that "alley buildings" be torn down to make way for customer parking space. We call this the "germ of an idea" because in itself it is, as we are sure the merchants know, totally insufficient for the purpose But it IS a germ which, expanded through all difficulties and brought to fruition, would mitigate greatly the problem, even though it might not completely solve the problem

We consider a warning necessary. So many difficulties block the path of progress in this direction that a warning against over-enthusiasm, exaggerated optimism, is made. In the first place, according to information gleaned from conversations with a number of merchants and other business houses in the South Side, there are an insufficient number of "alley buildings" in the Steelton area or, for that matter, in the entire South Side, or South Side Leader area, to create any substantial car-parking space. But this does not lessen our appreciation for the germ of an idea which may lead to a solution, or modification (since complete solution is impossible) of the plaguing problem

Steelton's developed idea concerning the "alley buildings" suggests a program which we belive the merchants intended to go further than the germ implied in the term "alley buildings." To us it seems that there is an implied purpose to survey, through their own efforts or through the efforts of purchased expert service, or perhaps through voluntary legal, financial, realty and planning authorities

This suggests, as undoubtedly Steelton Merchants know better than we, that this idea to which they have given initial wings goes further than mere resolutions —further than anything less than a concentrated attack, study, and planning by competent authorities

Members of the Steelton Merchants know that since the "alley buildings" are insufficient in their acreage occupation to provide for more than 15 or 20 parkers each daily, additional space is needed to make the effort more than a mere gesture Indeed, it seems that the accomplishment of the desired purpose presupposes a substantial financial program, probably of a self-liquidating nature

This, then, might mean the acquirement of additional low-priced ground (if there be such), or ground at as low a price as possible, an underwriting—a financing program which would permit two or three or more parking facilities within the organization's area. That the idea could then move up on Parsons at several points with profit to merchants would be a blessing initiated by the Steelton group.

The point we make is that the solution, or the amelioration, of the parking problem cannot be solved by resolutions or by little motions. Big, constructive MOVES must be made if parking space, which is life to the merchants, is to become an accomplished fact. Ultimately, lacking reasonable parking space, we will have time to stand in our doors and watch our customers going to the out-of-town parking-provided marts.

The South Side, all of it, can well give support to the Steelton Merchants and any others joining in, in their effort to preserve for the South Side that which properly belongs to the South Side.

The reason why we are happy about this is this: Mrs. Elmer Frebis had used the classified pages of The South Side Leader on previous occasions, and "with excellent results." You can understand, then, why it was so natural for Mrs. Frebis to call the Leader classified ad taker (and all-around helper in wording the ads just right) and tell her to put in . . .

Three birthdays occurring in the middle of February are those of Garnet Campbell, 1710 S. High-st, Feb 10, "Grandma" Johnson, 1713¼ Pearl-st, Feb. 18; and Joyce Crary, 256 Deshler-av, Feb. 20.

A 1956 Valentine's Day wedding will be the remembrance of Judith Mae Thomson and William Simons Judith Mae was a resident of 612 Mohawk-st and Mrs. Simon's home is at 1188 S High-st. The marriage was performed in St. Mary's Church

The south unit of the League of Women Voters will meet Tuesday Feb 21, at 8:15 p.m. The hostess will be Mrs. R E. Robertson, 531 E Moler-st. Since this is an important year, election-wise, all interested women are urged to attend the L. of W.V. meetings

Our sympathy at this time to the families of Bessie Burkhart, Sophia Kraner and Robert Walters.

South High School's principal, Lester Huber, is the guest speaker tonight at the Oakland Park PTA meeting. His topic is "Moral and Spiritual Development of a Child"

Cleo Conter has been a patient in White Cross Hospital during the recent past. However, she should be home by now, and cards addressed there would be a nice "welcome home" gesture.

A former South Sider who's deserted to Whitehall (tsk, tsk!) is about to have a birthday, so should I mention it? Oh, well, might as well wish Ed Lemmons, Jr., a happy George Washington's Day at least Yep, his natal day is the 22nd as is that of our young friend, Martin Mitchell. Martin's a good South Sider and lives on Gates-st. The 23rd of the month brings candles and cake day to Mrs. Leontine Lamberson, 622 Hanford-st.

Congratulations to Jake Sibert, 1600 Bruck-st, and Ethel M. Cravens, 1020 Ellsworth-av, on the exchanging of wedding vows. February is a real nice anniversary month, Ethel and Jake.

As we do when we hear of the desperately ill folks, we again ask for cards from kind-hearted readers Grace Hunt Kasler is a former South Sider who now lives at 3191 Leap-rd, Hilliards. She had worked at Owens and at the Swan Bowling Alley. Her residence in this community was at 465 Southwood-av. Birthday cards are also appropriate for Grace, as she has a Feb. 26 birth date.

The Livingston Avenue PTA holds its annual Founders Day program this evening at 7:30. Guest speaker for the evening is Mrs William Hoptry

The men of the Fidelis Class of Southwood Church of Christ will don chefs' aprons Feb. 25 and do the cooking for their wives, when the class assembles on that date (Howard Ebert, better have a good supply of bicarb on hand, and Mercy Hospital, keep the doors operating easily. You may be needed!)

Mrs. Sergio of Gilbert-st is a convalescent these days, since her arrival home from White Cross Hospital

The music department of South High is a'buzzin' with activity these days. Lots of playing to do. Some of the groups will be playing at PTA meetings and the salon orchestra will appear at the Ohio Union Feb. 20, before a group of educators We'd bet a used all-day sucker vs. a Landon button that Mr. Near feels like he's on a treadmill at this time of the year

Phyllis Cooke, 80 E. Woodrow-av, should be almost back to normal again, if her tonsillectomy was like most of the ones we've heard about

Jack Mason's orchestra plus Jack and Gene Speakmon are the featured entertainers tonight at Benjamin Franklin Hospital. Our regular plea goes out for any suitable type of entertainment (16-year age limitation, however) to perform for the patients at the Sanitarium. PTA skits, variety show acts, established bands or orchestras, church choirs, choral groups, dramatic groups, —gosh, just anything presentable will about fill the bill. Just call our number, the oft-given HI. 4-1051, and we'll make connections.

This could be an absolete item, we had no chance to check before hurrying the column to the Leader office, but we'll put it in nevertheless. "Pickles," an English bull, brindle with white, is lost from the Leonard residence, 316 Forest-st. The phone number is HI 4-6552

Here's couplet that struck our fancy and unknowingly, our motto when writing this column Quote "I'm careful of the words I say, to keep them soft and sweet. I never know from day to day which ones I'll have to eat!" (Thanks to Straight Magazine)

Guess we've checked all available items, so we'll check off the page too. Our near brush with pneumonia kept us from doing much gadding last week, and we'll "clip" our writings" temporarily. Your phone calls are doubly welcome this week, so help us out, won't you? Per-usual, the number is HI. 4-1051. Till next week then, this is — The Gadabout

"BE PREPARED"

MOTTO OF THE BOY SCOUTS OF AMERICA

Be Prepared... motto of the Boy Scouts ...your sons and mine. Last week, as The Boy Scouts of America celebrated their 46th Anniversary, and received honors due them ...we all take renewed hope in the symbol of effort they represent.

Not all of the Scouts received outstanding decorations ... many earn only a few merit badges ... but we can be sure that each and every one of them tries to the best of his ability ... to make himself proud in the eyes of God and his community. Perhaps, we as citizens of the finest country in the world, should take a little more time, exert a little more effort, that we, too, may Be Prepared.

SCOUT OATH:

ON MY HONOR I WILL DO MY BEST
TO DO MY DUTY TO GOD AND MY COUNTRY
AND TO OBEY THE SCOUT LAW;
TO HELP OTHER PEOPLE AT ALL TIMES;
TO KEEP MYSELF PHYSICALLY STRONG,
MENTALLY AWAKE, AND MORALLY STRAIGHT.

ADVERTISING AND HARD WORK SELL REAL ESTATE

Years of working with many of Columbus' leading real estate brokers, while I was an advertising salesman with the Columbus Dispatch, has given me the experience that will enable me to sell your property. These same associations have clearly shown me the importance of hard work and I will spare no effort to insure your satisfaction.

You are welcome to call any time to discuss any questions you might have, in regard to the sale or purchase of your home. I especially invite my former friends and associates to call and talk over old times.

Mrs. Marvin Lewis Honored At Deshler PTA Meet

Wednesday evening, Feb. 15, was a time of surprises for Mrs. Marvin Lewis, who recently became a past president of Eshler Elementary School PTA. New president, Mrs. Charles Greiner, and Mrs. Vincent Walker, program chairman, had quietly laid plans to bring surprise and joy to the recently retired president of the organization at the Founders Day program.

Things moved along, with invocation by Dan Kelch, music by the South High Instrumental Ensemble, and a vocal solo by Mrs S. W. Lipson, accompanied by Mrs Louella Holstetter at the piano. Then several Roosevelt Junior High School students put on a skit called "Mister Facts," hugely enjoyed.

Everything in order, Mrs. Griener, the new president, reviewed the past two years with the new past president, Mrs. Lewis. At an appropriate spot in the proceedings, the new president surrised the retiring or past president by presenting her with an "Honorary Life Membership" in the Ohio District, while highly praising her for an excellent administration.

Mrs. Lewis deeply touched by the occurrence, expressed her thanks with a heart full of emotion

The two previous years had been highly successful for the school and its PTA, the reporter was told.

Hoermle Starts Parking Space Program With Offer Of Help

While a committee of two members of Steelton Merchants Association are investigating the overall Steelton area parking problem and seeking a solution for the problem, William P. Hoermle of Hoermle Appliances has offered concrete help in "beginning" the program tentatively set up by the organization two weeks ago

The concrete action taken by Hoermle was an announcement that he would help to supply labor to tear down any "alley building" the elimination of which would add some extra parking space for customers, regardless of whose customers will be benefitted. "Let's get started!" was the gist of the meaning of Hoermle's announcement

A Job Done

Investigation disclosed that this action and offer were the result of a not-so-long-ago incident in the Steelton Merchants Association area. It was reported that a merchant asked his landlord to tear the "alley building" down to make valuable parking space for his customers. It developed that the landlord was not in a position to spend the money for the work, and Hoermle joined others in moving in and supplying labor to demolish and remove the old building

While the "alley buildings" space cannot in any substantial degree provide adequate parking in the area, every additional "car parked is an asset to the shopping area," it was said, and the offer of a prominent merchant to give such aid is expected to enlist others who will give of time or provide help to get rid of other buildings in favor of space for customer parking

In the meantime, the members of a "how-to-do-it" committee making a thorough study into the situation, William R Finley, food merchant, and Attorney Robert Horowitz, will, it is expected, make their first report at the next meeting of the association. However, it is not thought that a definite program can be established soon, and that continuing investigation and study will be required for a large and effective action

O Ye of Little Interest

That fittle sentence up there may sound familiar to you. If we traded the word "faith" for the word which I have put there, "interest," many more would recognize it. In my mind and heart at this moment is the complaint made by many school parent groups that one of the PTA's most effective accomplishments is neglected almost to the point of suffocation. I refer to the study groups, wherein parents are brought up face to face with problems each has to face with school-age children. I am told in all sections of Columbus that in meeting after meeting half a dozen parents is considered a good response, to the discouragement of those who give time to planning. You mothers and fathers have done much for the financial care of your offspring: please build up insurance against moral failure by mingling your interests and child problems with those of your neighbors in the hope that you own protege may climb the heights available to youth and gaze throughout life upon the blessings resulting from achievement. You'll feel much better that way than knowing that neglect of group finding-out about-problems (and their correction) resulted in YOURS stumbling into the abyss of "juvenile delinquency."

S. E. Lions Club Gift Has Brightened Many Patients' Lives During Past Five Years

A gift from the Southeast Lions Club to the Columbus Public Library has brought happiness in the "wonderful world of books" to an estimated 100 Columbus residents in the past five years, according to Miss Ruth Trautman, hospital services head of the library system, who reports that the two ceiling book projectors given by the Southeast Lions Club through the Parsons Branch Library have aided immeasurably in her department's job — "to make life pleasanter for bedridden folks in the community."

Value Beyond Price

The Southeast Lions Club and other civic and service organizations in the city have given a total of eight of these atomic-age versions of the old magic lantern, valued at about $300 each, to the hospital service That is what was spent for each, but, it was recalled, human joy created is worth immeasurably more

The device weighs about 25 pounds and projects two pages of a book at one time on the ceiling. When the reader has digested the contents of the pages, he merely flicks a button at his fingertips and two more pages instantly take him away from his sickbed into a world of adventure, inspiration, and knowledge

Currently the library has about 250 books on film. They range from the ever-popular "Tom Sawyer" for youngsters to such titles as "The Robe," by Douglas, "Encyclopedia of Sports," and the entire Bible for adults. New titles are added at regular intervals

High Ceiling Helps

Ordinarily the projector is set on the floor at the patient's bedside. The higher the ceiling, the better the results. Perforated ceilings, such as those of acoustical tile in some of the local hospitals, ruin the picture, according to Miss Trautman Ceilings of white or light neutral shades provide the best screen

Like everything else at the Columbus Public Library, the ceiling projectors are loaned free How long they can be kept depends on the particular patient and his needs as well as the current demand for use of the devices. Some are kept for months, others are back in a matter of days

Here are some of the grateful users of the projectors in the five years since they were presented to the library by the Southeast Lions Club.

A middleaged woman, cruelly stricken by arthritis in almost every joint, who has read 67 books "off the ceiling" of her home

A young boy in Children's Hospital, whom the ravages of polio in its most virulent form have made into almost a living mummy He was young when first stricken and has learned to read entirely through practice with juvenile books on film. The projector has allowed him to live just a little in the same wonderful swashbuckling world of imagination all our more fortunate youngsters enjoy.

BOOKS ON THE CEILING—Miss Mary Jo Zink, a member of the hospital services department at the Columbus Public Library, demonstrates the button which effortlessly flicks the pages of the ceiling book projector films.

Eight-Year-Old

An eight-year-old girls, who has been confined to her bed the past six months with the terrible aftermath of rheumatic fever In that time she has read all the juvenile books on film. And now that she can sit up a little each day, she's graduated to regular books furnished by the library's hospital service

An 83-year-old man, who never had the time before in his life of hard work to read. He's been especially interested in reading the Bible and has almost finished the last chapters of the New Testament. "It's a shame I had to be flat on my back to find time to read the Holy Word," he says, "but it's been a great experience. People who have given these projectors to the library can't possibly realize how much happiness they're spreading," a hospital official told the reporter.

'...Including Service'

The cost of a funeral represents much more than the mere value of the casket and the other merchandise supplied. It includes the personal service of the funeral director — a service which covers a large number of details and relieves the family of many irksome tasks. It includes the advice and counsel of a man who knows all the legal and social formalities surrounding this period of trial. It also includes the facilities of our establishment and the services of our carefully trained staff.

The Gadabout

Don't know whether Gov. Lausche received his basket of Florida fruit yet, but he is due to receive one and this is why: The Methodist Church of Tavares, Fla. "counts noses" once a year of the out-of-state church-goers. The state that has the most attending decides which governor will receive the Florida fruit. This year's census put Ohio on top, the second year in a row for this honor. Guess that proves that our roving Ohioans don't forget to attend church, doesn't it? We're indebted to Mrs. Oscar Jenkins for the news from Tavares, so we thank her for remembering us while on her Florida vacation. Oscar is having a fine time fishing and is catching lots of finny things, we hear.

We always dislike having to report the moving of a favorite person, so we'll reluctantly announce that Louise and Glenn Fulton won't be residents of 691 E. Gates-st. much longer. Their new address will be 280 Dennison Grove City, O., after Mar. 1. Happily, Louise plans to continue with her Columbus affiliations, such as Trudeau Guild, church, and other organizations she belongs to, so we'll still get to see her occasionally.

Doctors Hospital is minus two patients that have been there recently, so welcome home to John Mallory, owner of ABC Carpet Cleaning Co., and to Frances Rumsey, of 2222 Frebis-av. Frances wants to thank the readers of the column who sent her such nice cards, so we'll pass her thanks along. For those wishing to send Mr. Mallory a card, his address is 1215 S. High-st.

Frances has a good reason for wanting to get well and strong, for her son, Larry Rumsey, Jr., will be one of this year's bridegrooms, come April 7. The bride-to-be is Jane Ellis, 118 Alcott-rd, and she is a graduate of St. Marv's High School. The wedding will be performed in St. Ladislaus Church.

February birthdays are those of Opal Bonnette, 1640 S. 3rd-st, on the 25th; Elizabeth Brunton, 347 Southwood-av, the 26th; Irene Wolfe, 38 Reeb-av, Feb. 27; and Ethel Spiker, 67 Southwood-av, Feb. 28.

As happens occasionally, news appropriate at one time becomes outdated a day or so later, especially when writing weekly and so far ahead of publication time, so we'll give the latest news on Cleo Canter, 57 E. Morrill-av. She is in White Cross Hospital, Room 239, and underwent serious surgery. She appreciates cards very much, so if you haven't sent her a card, will you do so this week? One of Cleo's nurses is her daughter, Barbara, so we know she's getting the most loving care possible.

Three schools in this area are active today, one doubly so, it seems. Southwood PTA presents a Founders' Day skit, the meeting scheduled for 8 p.m. South High School PTA members will convene at 7:30 p.m. Members of OSU's speech department will present "Tomorrow is a Day," and the instrumental department will furnish the musical entertainment. The Parent - Education meeting of Heyl Avenue will discuss "Is Gang Business Wise?" at the 1:30 p.m. meeting. Tonight and tomorrow night we'll find Heyl Avenue PTA members and pupils busy with atheir production, "There's No Business Like Show Business," so try to attend if you can.

A grandfather and two of his grandchildren move on to a new year in February, so greetings to John Nader of 968 Wilson-av with a Feb. 20, birthdate; to Margaret Rehl, 970 Wilson-av, who became four years old on Feb. 16. The aforementioned grandson is Bobby Eberhard, with his birthday still to come, Feb. 25.

Nancy Ann Dingledine is quite a busy young bride-to-be these last few days before she becomes Mrs. Thomas Beck. The wedding will be an event of Feb. 25, and will take place in the parish hall of St. John the Evangelist Church. Both Nancy and Thomas are South High graduates. Nancy is a junior at Ohio State and Thomas is attending Capital University. Nancy lives at 1216 Wilson-av, and Thomas resides at 851 Linwood-av.

Our sympathy to the family of Raymond Minnni, 272 Hanford-st.

New officers of the South Side Day Nursery are as follows: Mrs George Ne Nucci, Mrs. D. O. Hankinson, Mrs. Lydia Plenkharp, Mrs. C. A. Keesey, Mrs. Herman Kropp, Mrs. A. H. Kropp and Mrs. W. A. Schneider.

We certainly hope that Martha Gaulke's Feb. 26 birthday will bring her increased health for she has been one of the ailing members of the community. We'll remind her friends that the address to send cards to her is 1267 City Park-av. The best of everything, Martha.

Southern Way Chapter 467, Order of Eastern Star, meets tonight at 7:30 p.m. at the South Ga'. Masonic Temple. Honored guests will be members of the Mares Social Club.

Another South High graduate who will have a 1956 wedding is Patricia Elaine Hegedus, daughter of Mr. and Mrs. Joseph Hegedus, Jr. The wedding will take place Mar. 24 in West Jefferson Methodist Church.

Ailing members of the community . . . Mrs. James Robison, 1471 S. Sixth-st; Helen Judy, who is in Doctor's Hospital; Norma Mascola, a patient of White Cross Hospital, and Deanna Brewer, a "flu" bug victim of 823 Sheldon-av.

You Can't See a Crippled Heart

She doesn't use crutches, and, except for a drawn and listless expression, looks very much like any other little girl. But she is crippled. She has a crippled heart—the kind of disability you can't see.
And it may surprise you to learn that the tragedy of congenital heart disease affects more than 500,000 children of school age in the United States. For them, as for people of all ages, heart disease is a leading health problem.

Fortunately, medical research has scored dramatic victories in prevention, care and treatment of the heart disorders of young people. Some congenital heart defects, for example, now yield to surgical correction. Both initial and recurrent attacks of rheumatic fever, forerunner of rheumatic heart disease, now may be prevented in most cases.

But more research is needed if young hearts are to be saved—the kind of research supported by the Heart Fund. Indeed, the chances of many thousands of children for a full, rich and happy life depend on this research.

HELP YOUR HEART FUND — HELP YOUR HEART

Women Seek Beauty Secrets From Show

Mildred Stewart's Fayette Beauty Shop has been extra busy this week outlining to many South Side women the new methods which the Fayette owner discovered at the 28th annual state convention of the Hairdressers Guild of Ohio

While convention affairs are important, the exhibits, the lectures, the demonstrations—these, the South Side Fayette Beauty Expert emphasizes, are necessary, but the real values come in the lectures and demonstrations—the disclosures of new and startling procedures in hair and facial beauty work

Among those who lectured and demonstrated was the noted Vernon Isbell, practicing beautician, salon owner, lecturer, writer, turer," whose talks and demonteacher, inventor, and manufacstrations, Mildred Stewart told the Leader, were a sky full of beautiful ideas and methods whic' she and her operators will introduce to the women of the South Side and, of course, for those from other sections of the city as well, she said

When the reporter looked in it seemed that a lot of women wanted to hear first hand what Mildred Stewart had seen and learned at the convention

from..... OG's NOTES

A bit of thought brought to the editor by a young man who is bashful and does not want his name in the paper too often. The thought is not bashful indeed, it seems to be bolloxing to be allowed to get to you here it is: "Engage the brain before using the mouth." It was seen posted at the naval base.

Frog Beware!

I would call to the notice of John B. Tabb, and to the snake here he makes that fatal grab, there was never a frog with a wrinkled skin about back to the pole, where a frog begins.

Beauty In Words

There is a beauty in words unlike any other beauty in the world. With words we may fence ourselves in a fairyland of loveliness: we may take a ride on the magic carpet of phrases made of words — into the brooks and the gardens and the glens and the thoughts which nature so bountifully provides as we turn our hearts, ears, eyes, and thoughts to the beauty growing out of the ground. Just try letting your thoughts go down by the rippling rivulet listen to the gurgles of tumbling water, gaze upon the flowers and the green leafy things as they reflect the life giving nectar surrendered by the trickling brooklet on its way to the far-distant river or lake. Or with words and thoughts stroll up the mountainside on a late spring day and find the glory and the majesty of the rocks hillside blending with the violets, the rugged roses and other flowers natural to the hills — and then look into the sky and see the glory of earth reflected back to you! It'll be a happy day! — with words! — All is yours in words without leaving your chair.

Kresge Leases Large Unit In New South Side Mart

The 665th unit in the S. S. Kresge Co. chain of retail stores in the United States and Canada will come to the South Side.

Confirmation of this report came to The South Side Leader Monday afternoon when a spokesman for Don M. Casto and Don M. Casto Jr. stated that the nationally known retail concern had signed a long-term lease for a store room 130 by 200 feet in the new Great Southern Shoppers City at South High-st. and Williams rd.

According to the Castos developers of the new center the newly leased storeroom will have 28,000 square feet of floor space on one floor.

In Major Building

The new Kresge unit a Casto spokesman told the reporter, will be in the major building of the new shopping center. In the same building, it was stated, there will be a department store, another variety store, and other merchandise outlets. Leases, it was stated, are now being processed.

A large modern soda fountain and snack bar will be a feature of the new store which, it is said, will be highly departmentalized.

A Michigan Kresge spokesman, in telling of the number of stores operated by the company in the United States and Canada called attention to the recent closing of the Kresge store at 87 N. High-st. saying that with the opening of the new unit Kresge will have 10 stores in Columbus.

The High-st. store closing it was said, is in line with the company's policy to close stores doing an inadequate volume of business.

Construction work is expected to get underway on the Great Southern Shoppers City early in the summer. Date of occupancy of the new place by Kresge is unknown, because of the length of the intervening time until the building is ready. But it is thought that early fall-time may be opening time.

Barrett Cagers Take Two Games

Barrett Junior High School's basketball team won last Thursday's game from West Junior High and the Thursday before last the game from Starling Junior High.

The score in the Starling game was Barrett, 33 and Starling, 27. In the West game it was Barrett 50 and West 39. Marshan was high scorer for both games with a two-game total of 21 followed by Cummings with 19 and Daily with 18. Miller, Kerns, and Crow, with lower point scores made it possible to win by their efficient handling and placemen of the ball.

In the Starling game the Starling scoring was very evenly distributed. In the West game Pritchard for West scored higher than anyone else on either team and played a good floor game besides. The West game was close until the last quarter, when Barrett broke out and scored 13 points while West was making four.

S. High Grads Are Wanted

Graduates of South High are being "hunted" by the Alumni Board of South High School, according to Mrs. William Camp, the organization's publicity chairman.

That's a lonesome word, isn't it—GONE!—? Too many times whatever's lost IS really gone! That is until it's advertised in The South Side Leader. Look-a-here! Read this classified ad which Mrs. Mary Decker wrote when she lost her purse . . .

"PURSE LOST on Frebis bus about noon, Saturday, Feb. 11. Contents and keys valuable only to me. Reward. HI. 3-2972."

13-Year-Old Is First District Scout To Get 'Ham' License

KURT MEYERS

Kurt Meyer, son of Mr. and Mrs. A. J. Meyer, 1783 S. Champion av., is the first Boy Scout in the Mohawk District to be certified as an Emergency Service Ham Operator by the National Boy Scout Council. The award was presented to him by Robert Mes, head of the Mohawk District of the Boy Scouts of America at a district meeting at the Brnfield Avenue Church of Christ on Jan. 19. Kurt was eligible for this certification because he is able to amateur radio operators license and is a member of Troop 157 sponsored by the Brotherhood of Emmanuel Lutheran Church.

Began by Listening

He began his interest in radio as a short wave listener, using an Oze 9 Hopper receiver which he and his father built in January of 1955. Later in the year he took the examination to become an operator and received his license Nov. 28 from the Federal Communications Commission, which assigned to him the call letters WN8IBX. The equipment he uses in operating his station includes a National NC 98 receiver, Viking Adventurer transmitter and Multimatch antenna. He has been on the air less than three months and has made contact with 36 states and with France, England, and three provinces in Canada.

Kurt is shown as he was "sending" this time in Kokomo, Ind. At his left is a "receiving" machine, while at the right is a card indicating his right to amateur status. Still further right, but not in the picture, Kurt has many cards uniform in size from those who have "received" him—and some of them are across the oceans. Others are within the United States. He explained that it is a custom to send the cards when an operator has "received" from another for the first time. Others call each other just to visit and happy acquaintances are formed this way, it was stated.

Honor Student

Kurt is 13 years old and an honor student in the eighth grade at Marian Franklin, where he is a member of the Projector Club and Marion Franklin Hi Tube Busters Radio Club. At the present time he plays first chair clarinet in the Marian Franklin band. He is active as a member of the Emmanuel Lutheran baseball team and the Youth Choir at the church. Marksmanship is another of his interests and he is a member of the National Rifle Association. He is also a paper carrier for the South Side Leader.

Authorities Point To Human Gains, Values In Slums' End

by Staff Reporter

Slum clearance today is more than a subject for light discussion. Recognizing, without unkind implication, that many subjects are developed in the course of a lifetime as a passing fancy, with no constructive basis for growth or accomplishment, even a brief investigation into the program outlined for Columbus this year will prove that there is a determination to "get something" done so people "can talk about what has been done" rather than to ask and ask why "nothing has been done."

Slum clearance is coming into its later. Those who bundle all the projects together in their thinking are determined "to get going in the elimination of buildings and conditions which contribute to low health, low moral standards, violation of law and high on the list of reasons juvenile delinquency was declared.

Another Factor

There is another factor, too, which must be brought into the picture as we have finished looking into the foregoing reasons why slum clearance should have the support of every person in the city, even though they are not victims of the slums.

Some of the leaders interviewed have stressed the financial gains to accrue from slum clearance above the moral, physical, social values in cleaning up run-down areas. But there is a real value affecting every person in the city — the heavy loss in revenue when property decreases in value. Spiritual health, social values must come ahead of the financial consideration, several leaders agreed, but the financial value cannot be overlooked.

Tax Loss Heavy

Spokesmen were quick to point out the enormous loss sustained by the city treasury as property ages, property depreciated with consequent loss in taxes to the city. This loss in taxes, it was related, became so great that the city's service expense in one area has been $122,158 more than the city received in taxes from the area. It was also pointed out that the assessed value of land in that area has dropped 75 percent since 1924.

The major part of the forgoing figures came from the Goodale area which with Market-Mohawk will share first in the reconstruction program proposed and upon which the citizens of Columbus will vote (for bonds for financing the expense) come September.

Let's take a look at Market-Mohawk . . . just an item or two, it was suggested. Here, 93 per cent of the structures are dilapidated or are substandard. Forty-eight per cent of the occupants must share toilet and bath with other families. More tuberculosis is here, the highest crime rate and THE HIGHEST JUVENILE DELINQUENCY.

Here's the financial side again: Real estate taxes have decreased to $125,000 less per year than 30 years ago, in 1926.

Getting the money: "The bond issue will be voted on at a special election for bond issues Sept. 25. The bond issue for 5 million dollars will affect a property tax — but, it will not raise your city taxes," authorities pointed out.

Additional information about the slum clearance plans will be presented from time to time in these columns as a public service by The South Side Leader.

Reeb-av School News

By the Children

On Feb. 9 our class rode the Neil-av bus to Lazarus and transferred to the Sullivant-av bus. We invited Mrs. Webster to go with us. We got to the health center where we met Mrs. Jones' class and went through the building. We saw fine health posters and they gave us tooth brushes and paste. Then they served us boxed milk. Mrs. Woodin was given some health books for our class to color. Afterward we saw the new Veteran's Auditorium and across the Scioto River on West Broad-st. We passed Columbus statue and caught the parsons bus for home.—By Christine Williams, Mrs. Woodin's room.

Our class went to Hoover Dam on a trip on a school bus. We took our lunch. Our guide, a city engineer, showed us the instruments to measure water and took us through the tunnel, which was ten feet under the water. It was 685 feet long. We climbed 113 steps inside the building. The project cost $7,300,000. We would like to go again.—By Alice Dalton and Mrs. Woodin's Class.

Last week our class went to the new Parsons library. We took the city bus. It is a beautiful building. The tables are round and very shiny. The librarian first showed us where all the books were. They had separate shelves. Some books were about geography with large colored maps. Other books were about health of our city. They have books for very small children. The library is open after school and evenings and Saturday. You can take the books home if you have a card signed by your parent.—By Catalyn Robonet of Miss May's room.

Fifth and sixth graders left the school at 2:30 p. m. Feb. 9, for the Veteran's Memorial Building to see and hear the Detroit Symphony Orchestra.

Name Never In Leader Before: Bert Messmer

By Staff Reporter

Bert Messmer is a man who has been around quite a while but has never had his name in The South Side Leader. It is not known why, except that he has been quite active in minding his own business, including properly taking care of his job during his working days, and not being "society-minded."

Bert decided to change the record and visited the Leader office recently, and it was decided that Bert's name ought to be in the paper, and here it is.

The man-without-his-name-in-the-paper until now was born in Wittenberg, Germany, Nov. 7, 1879. Bert remembers only hazily of his coming here when he was four years old. The reporter was interested in the reasons leading to their coming here—relations of his father were here, and the father "just brought his family here, too."

But Mrs. Messmer (Katherine) ought to have her name in the Leader too, and now it is. Mr. and Mrs. Messmer have lived in the house where she was born for 54 years. The home is at 611 Markison-av. They are the same age 76, Bert said.

For a long time, for many years, he said he was employed at the water works, where he was satisfied and which continues to provide happy memories of other employes and his superiors—they were all fine peop'.. Bert Messmer said.

Asked if he had ever regretted being brought to this country the reply was an emphatic NO! However, he thought Germany must be a nice place, a feeling implanted by happy memories of his father and mother.

The South Side Leader salutes Good Citizens Bert and Mrs. Katherine Messmer.

Guess we've exhausted our supply of news for this edition and keep on calling at HI. 4-1051, won't you? It sure helps! And thanks to those who sent us get-well cards, for they were appreciated, every one!

Part of last week's column is missing and one of the items we wanted to get in was the 50th wedding celebration of Mr. and Mrs. Joe Donahoe of Southwood-av. An open house, hostessed by daughter Betty Stinson, was held Feb 26. The actual date is Mar. 1, so there is still time to get a congratulation card to the 226 address of Southwood-av.

A family get-together helped Mrs. Ray Ellis, 411 Welch-av, to celebrate her Feb. 25th natal day.

Congratulations to Ralston Ogier II for being one of the candidates appointed to West Point by Representative Vorys. Ralston's home address is 1178 S 22ndst.

A birthday card and get-well card are appropriate at this time for the Davis family, former Buckeyes now living in California. In Passing

By Esther Weakley

MARCH

Time of plowing; of gusty winds
that pull old nests and clouds apart;
Of frail spring beauties and maple buds
and promises . . . and hope in the heart.

Strange that ears that are tin when words like "basement-cleaning" and "screen doors" are shouted suddenly turn from tin to whatever ears are made of when the faint whisper of "golf" is heard in the land.

• • •

My private Waterloo—passing up all those goo-y cakes and things the bread man tries to sell . . . spring's first ants and bugs . . . winter-weary curtains . . . just thinking of spring-cleaning.

Mail — From Columbus: "I cleaned an old chest in the attic last week and one of the papers in a drawer was The Hilltop Record of 1935. It doesn't say much of my housekeeping does it? But the paper was one in which your first column appeared. In case you have forgotten, it was all poetry written by somebody else. I just counted on my fingers and that is 21 years ago. Have you really been with the Record that long?" My answer is yes. If finding the paper doesn't say much for my friend's house-keeping, the fact that it has been 21 years does say a lot for Mr. Hartley and his patience and forbearance with this space. For this seems like a good time to thank him and his editors from Dr. John N. Wolfe (the cat fancier) to the present editor, Mr. Snover. They have all been wonderful, so Thank You, Gentlemen.

ENTER AT YOUR OWN RISK

As we approach and enter Miss Schulenberg's fourth and fifth grade classroom a sign posted on the door may easily have been hung today, reading:

After opening the door we saw newspapers, paint maps, pictures, crayons, puppet heads and all sorts of materials on the floor. The children were working on the floor, trying their skill at painting pictures, coloring pictures, and other things to show what they have learned about their material for their report on the United States.

Local Scenes

The fourth grade children were working on materials dealing with Columbus in both early times and today. Columbus has many interesting places to visit. Also a large number of famous places, such as the Capitol Building, Franklinton, the original location of our city of Columbus, and the Ohio State Archaeological Museum at Ohio State University. If we were to visit the Museum we would find a number of things found in our city, or throughout our state.

Each child will give a report on what he has learned about Columbus and about our United States at a later date. In this manner the boys and girls will know about our city and the other cities of the United States.

Letters Written

English and spelling were used, too, through the medium of letter writing, to all parts of the U.S.A. We felt in this way we could receive firsthand information. Children are learning that letters, correctly written, are important! Letters represent the writer, and in business or industry a messy or incorrectly written or spelled letter may be the difference between the firms' receiving an important job or losing it. Likewise we've learned that a sentence must have nouns and pronouns things that name persons, places, things. Pronouns are words that take the place of a noun In order to show ownership we've found out how to write nouns and pronouns possessively, since they are often used in sentences too.

Learning Arithmetic,

Arithmetic, likewise, has a part in our study, too. We've used the yardstick, ruler, and compass You see, we find that the fifth grades need to know fractions Our rulers are divided into parts, so this is one way to learn fractional parts of a number. While we study fractions our fourth grades are learning how to divide and multiply correctly We realize our multiplication tables are important and make some complicated problems easier.

Music, too, is heard in our room Just recently 10 members of our class, with the teacher, visited our new Veteran's Memorial Building to hear the children's concert played by the Detroit Philharmonic Orchestra.

People and Places

Besides reading about our particular state and other states we find time to learn about famous persons and places. Several reports have been given by the children on Abraham Lincoln, St. Valentine, and the origin of Valentine's Day, and George Washington.

One very important threesome we cannot overlook is safety, cooperation, and willingness to share with one another getting along with our fellow classmates If we are growing in this respect we are becoming grown-up boys and girls. We belive we are growing up and do our utmost to work cooperatively with each other

Learning Neatness

We try to clear things up after we finish our work so that our room will be neat when we leave for the day, and so that if we need to leave the room or if some one comes into our room the person needn't be afraid You see, we like to have visitors in our room

The bell has rung! Books are put into desks! Off we go! The traffic boys are racing to their posts, so we will say "so long" until three weeks from now, when we will visit Mr. Dill's and Mrs. O'Day's classrooms.

From O.G.'s Notes

It's easy, in a sort of dream-like mood, to imagine myself in the tropical kindness of Florida where the warm waters lovingly lap the hospitable shores and make one feel that here, truly, is the elixir of life. However, we awaken from the dream, perhaps because we were excited when we learned that Mr. and Mrs. Ezra Cook of the funeral home are in Florida living a new life for a while. Likewise Mr. and Mrs. Harry Babbert, as well as Ed Finley and Ray Phillips S. E. Lions Club president and the Clarence Duffees . . . O well so you're SOUTH' 'Scuse, please just a bit of jealousy!

Smugness Harmful

Another thought brought upon the wings of words as given in a lot of statistics: We'd better not be too smug about our position as Caucasians (or Aryans) in the world Granted, a lot of people believe what they want to believe, regardless of FACT They'll be the first to bellyache when the vise is squeezed down upon us Natural forces will squeeze it some day—OUCH! That's right it will hurt.

• • •

An Object

I have an object in presenting that thought We ride in high prosperity, as a whole people Throughout the world there are hundreds of millions who never rode higher than a hopeless wish. These are underdogs in the economic scheme. We could help them to at least a glimpse of economic happiness. Just takes brain and willingness. We are big enough and powerful enough and have the brains to find the way to giving a helping hand to the poverty-stricken areas, arranging currencies so we may continue our prosperity while giving a large and friend-making lift to the non-white two-thirds of the people of the earth.

• • •

Very Short

Time is short. We may pay no attention New power rises in the world Soon, cohesion will develop, and more and more rapidly will the world's MAJORITY achieve power, politically, financially, and physically, at heavy cost to those of us who have been egostically opposed to scattering our prosperity into the possession of the so-called "backward" peoples of the earth An easy example is something I have seen often in Mexico and other parts of the world. Mexico is next door to us, so let's use our neighbor and our neighbor's currency and our neighbor's inability to purchase much from us with his cheap currency

Entering Mexico

If you 'know your way around" you will, at your point of entrance, get 11 Mexican (dollars) pesos for ONE DOLLAR of U S money. Officially, the exchange is about EIGHT pesos to the one U S DOLLAR! If Senor Mexican earns a dollar an hour in his money, or 12 cents plus in OUR MONEY, how much can he spend with us? This Mexican problem is duplicated over too much of the world

Less than a year ago a Mexican banker told me that with his people's earnings at or near our own money values Mexico would spend AT LEAST 14 BILLION DOLLARS more annually in the United States That would mean thousands of new jobs and hundreds of millions of dollars in wages. Worth while?

IS IT SHAMEFUL?

Recently in a group conversation there arose a heated discussion about vocabulary The group was average most had gone through high school and college but ALL had finished high school When the word "vocabulary" was used one member of the group declared that the user was a "high brow" because he used "big words." Then started the argument, with sixty per cent taking the position that the "average person cannot understand such "big words." Of large importance is this: Shall we be ashamed of learning? Shall we be ashamed of heritage? Shall we pride ourselves on our ignorance? May I suggest to those who take such a position that they spend a few weeks among aborigines, where gutteral grunts compose much of the speech. There's a good bit of this in this country, a lot more in sections of Africa, Asia, and in our neighbor countries to the south. A few days to a few (very few) weeks will suffice to make make one appreciate good working erudition in speech!

Shall we consider [illegible] speech shameful?

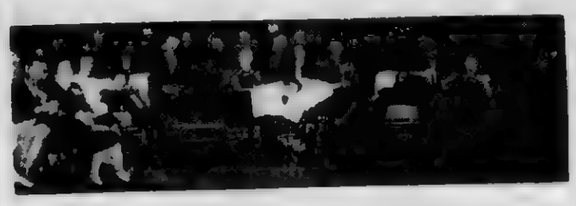
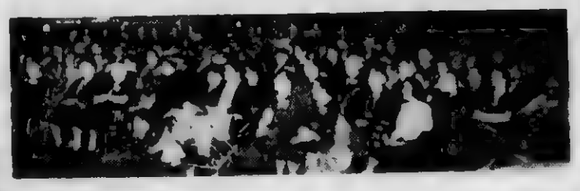
COURAGE INCORPORATED

BOX 1942, COLUMBUS, OHIO



An Organization Dedicated To The Cause Of Promoting Courage, Confidence And Cooperation Among Handicapped People



Origin

In 1941 there was a program on the radio known as "Courageous Handicaps," conducted by a Columbus minister. On each broadcast he related the story of a handicapped person. This was the beginning of a vast telephone "grapevine" which is an important part of the group today. Through this telephone network many friendships have been formed and much good has been accomplished.

Since the first party in 1948, there have been many parties for Courage Incorporated. Countless individuals and organizations are responsible for the happiness of the members of this group and for the group as a whole.

Pictured here are individual members and two groups of Courage, Inc. members as they attended an annual party and variety show.

Annual Affairs

Mrs. Nettie Swormstedt, Reporter

The sixth grade in Mrs. Roose's room has been pursuing a study of Mexico. From pictured sheets of figures the pupils have cut out, colored, and mounted quite a Mexican scene. A red-roofed house with balcony and pet green parrot is prominent, plus two other buildings, village well and fountain. Burros with their country-lad riders are coming into town with their baskets of vegetables; merchants display their wares; common people walk the streets; and even the fancifully-dressed senor and senoritas are ready for the ball.

Mrs. Roose says she has always enjoyed the study of the Spanish language and Spanish-Mexican customs. She enjoys other studies too, for besides teaching double classes in her room (sixth and seventh) she has found time all winter to take classes at Capital University. She formerly taught at Chillicothe. When Mr. Lowks has to be absent from the school Mrs. Roose is his assistant in charge.

The Board of Education of the Marion Local Schools has been informed by Representative John M. Vorys and Senator George H. Bender that the Marion Local District's application for federal funds for current operation has been approved at $15,114.83 for the year and $9,824.00 has been certified for immediate payment. This money is paid under Public Law 874 and because of students whose parents are employed on Federal property.

During the polio fund campaign a total of $446.13 was contributed by students of the Marion Local Schools.

Schiller Closes Tumbling Classes; Badges Awarded

Tumbling classes at Schiller Recreation Center for the purpose of passing skill tests are now closed, according to statement.

From Last Week

Volleyball tournament has followed basketball, the competition being girls against girls and boys against boys, first within each grade and then between grades. Those taking part are grades seven, six, and five. Mr. Ary is in charge.

Valentine parties were "all over the place" on Red Heart Day. Room mothrs were generous with hearts of candy and cooky. There must have been at least a "million" valentines exchanged among the boys and girls. Even the kindergarten made great fat hearts and presented one to each of the other rooms. And that was quite an accomplishmepl, considering that there is one "shift" in the morning and another in the afternoon. Mrs. Helen Greene manages both shifts. A graduate of Akron University and with postgraduate work at Ohio State, she taught art in Akron schools and then in Cincinnati before coming to Marion Local, where she has just completed her third year. Her husband is specializing in plant physiology at State.

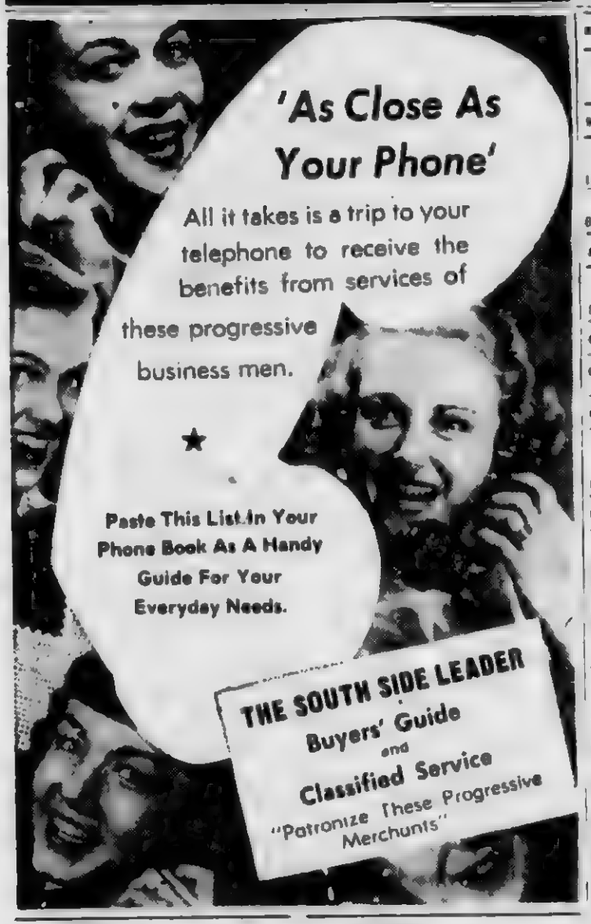
Our movie projector gets a great deal of use, mostly in connection with things being studied in classes. Some of the films shown recently are "Sugar," "Bananaland," "The West Indies," "The Bus Driver," "Are Good Manners Important?," "Flatboatmen on the Frontier," and "Johnny Appleseed."

Final awarding of badges took place with the following children receiving a reward for the "clown test:" Shirley Freisland, Marilyn Meier, Brenda McCallister, James McCallister, Mike Rutherford, Edward Stanley, Johnny Williams, Jerry Roadcap, Danny Hoppus, Ronnie Roadcap, Roberta Kelso, Betty Slavens, Janie Slavens, Jeannie Kelso, Barbara Hill, Albert Reed and Gerald Michael. The children who received "elephant badges" are Allen Green, Jerry Kehlmeier, Eddie Durenburger, Diana Harmon, Shirley Freisland, Marilyn Meier, Brenda McCallister, James McCallister, Mike Rutherford, John Williams, Helen Hill, Tom Foley, Roberta Kelso, Betty Slavens, Jeannie Kelso, Ronnie Roadcap, Danny Hoppus, and Jerry Roadcap.

"Panther Badges" were given to the following: Billy Prince, Curtis Marcum, Larry Danflous, Sammy Schneider, Loraine Boden, Ralph Archer, Bob Schneider, Allen Green, Jerry Kehlmeier, Diana Harmon, Shirley Freisland, John Williams, Helen Hill, Marilyn Meier, Donald George, Jerry Roadcap, Danny Hoppus, Ronnie Roadcap, Betty Slavens, Roberta Kelso and Jeannie Kelso.

Raymond Sells, Donald Lanfear, Curtis Markham, Ralph Archer, Loraine Boden, Shirley Freisland, Diana Harmon, and Betty Slavens passed the "Monkey Badge." Butch Sells, Karen Purdy, Shirley Freisland, Curtis Markham, Loraine Boden, Betty Slavens, Susan Bobo, and Barbara Bobo went on to get the final badge, the "Tumbler's Badge."

Roosevelt Loses



Roosevelt Junior High School cagers played Crestview Thursday, Feb. 23, Crestview winning. In the first quarter with the score at 10 to 12, Crestview started to pull farther away and in the third quarter the score was 33 to 48. Roosevelt made a good try, the final score being 51 to 60. The top scorers for Roosevelt were Doug Childers, Mike Boyer and Kenny Wears.

CUBS HELP

Boys of Cub Scout Pack No. 303 helped their mothers last Sunday in the Heart Fund Drive, according to reports from the pack. They were Mrs. Frank Hottenrott and son, Frank, Mrs. Marshall Kraft and son, Glen, Mrs. Botley and son, Jack, Mrs. Lipp and son, Robert, Mrs. Wendell Lust and son, Gary, and Joe Tedrick.

The boys are planning a paper drive this week-end, it was said.

Stewart PTA Founders Day Is Social Event

Ready For Birthday Party

Founders' Day at Stewart Avenue School Thursday evening, Feb. 23, gave present-day PTA's a chance to admit admiration for the "PTA fathers," as some one in the crowd suggested to the reporter-photographer. Perhaps it was this spirit which led to Founders' Day being a gala affair in the evening The part included a candle-lighting ceremony and the cutting-of-the-cake ceremony

Founders' Day chairman was Mrs. Paul Melrose, with other participants and their titles as follows: inspiration, Mrs. Harold Poeschel; knowledge, Mrs. Russell Watkins; cooperation, Mrs George Walters; humanity, Mrs William Schall; wisdom, Mrs Dale Baum, community, Mrs. Austin Woodward; vision, Mrs. William McDonald; recognition of retired teachers and past presidents, Mrs. Mary Ott

Following refreshments the evening was turned over to square dancing

The committee on arrangements are shown a short time before cake-cutting time arrived Members are, left to right, Mrs Dale Baum, Mrs A. C. Woodward, Mrs. William Schall, Mrs. Russell Watkins, Mrs Jane McDonald, Mrs Harold Poeschel, Mrs Paul Melrose

Music for the dancing was supplied by Jack and Gene Speakmon and Bill Tustin. Lawrence Bukey was the square dance caller.

VFW Kite-Flying Contest Arranged For March 30

Boys and girls of the grade schools of the South Side will have an opportunity soon to try out their skills at building kites for the annual kite derby under the sponsorship of Harrison Post 180 VFW, according to an announcement by Post Adjutant George Hughes this week The date of the contest is Mar 30, at 1 p m

An annual affair which enlists the active interests of many boys and girls of the South Side, it is expected that kite-manufacturing will quickly get underway following this publication in The South Side Leader.

There will be six prizes, it was announced These will be season tickets for Crystal Swimming Pool. There will be the following classes in the kite-flying derby.

Build Your Own

The slogan which must be observed in entering the kite-flying contest is "Build Your Own." Each entrant in the contest, to be held Friday, Mar 30, 1 p.m., must build his own kite, and this must be certified by the principal of the entrant's grade school. No one without such certification will be entered in the race, the committee announced

Consolation prizes will be awarded, it was stated

Plans have been made to serve refreshments to all participants in the kite flying contest

Directing the planning for the contest for Harrison Post 180 VFW is a committee composed of Adjutant George Hughes, Past Quartermaster Hart, co-chairman, Youth Activities Committee; Neurzling chairman St Vincent's Orphanage Project, Past Quartermaster Thomas and Woody Woods

Principals will have full information, it was stated, and they will provide such information for boys and girls desiring to enter the contest

Extravagant Thoughts

In some college curriculums students are required to write an "evaluation" of oneself That, it seems to me, is putting it right up to the student to be fair and it must be quite a chore to write the "evaluation" as it should be instead of what the writer thinks Hey where's that first grade?

To Preach Sunday For Pastor Lang

Eugene Bensch, a senior in the theological seminary at Capital University, will preach two times Sunday morning, Mar 11, at St Paul's Lutheran Church, of which Rev John O. Lang is pastor The services are at 8 and 10 30 a m

The speaker, son of a minister at Reading, Ohio, has been a regular attendant at St Paul's most of his tenure as a student at Capital

Car Title Need Told By Roy King

In order to secure your 1956 license plates you must have your Certificate of Title or Memorandum Certificate of Title, Clerk of Courts Roy King has warned

New Titles, replacement titles for lost originals, or memorandum titles for cars on which there are mortgages can be obtained at Roy King's office in the court house on the first floor

Long lines are already beginning to form, so check on that title now and avoid the last minute rush King urges

Ah! 'SNIDE' ATTACK IS THROWN BACK!

Barrett Junior High School's Ninth Annual Variety Show was on the boards for four delighted audiences last Wednesday, Thursday (twice) and Friday, February 29, March 1 and 2.

The occasions were enlivened by a character of disreputable appearance who wandered on and off stage during the program and through the audience at other times. There was talk of having him ejected from the school premises or of having him arrested for vagrancy and disturbing the peace He was not a South Side person, but came from an outlying community in the North Side.

The cast and direction with the help of enthusiastic audiences made the Variety Show project a financial, entertainment and social success.—Written by —Oh, well, let's not uncover the rep-rep-ro—or whatever we say

Editor's Note: I know the culprit who wrote the above attack on Principal—I mean on the fellow who made so much merriment, and I want to tell the WRITER that I ALSO LIVE IN THE NORTH END, AND BY Gosh, I'll volunteer to be the clown next year if such attacks or made on the good Mr. N——, that is, the clown of last week. He surely was a Lu-lu!

It's Not "Mom"

Last week the telephone rang often at a Lockbourne and Whittier business place. Really oftener than Wanda Campbell and brother, Jim Seiders, expected it even after having an advertisement in The South Side Leader When we, editorial department, received the names we thought they were husband and wife (we'd just had a mother-son program) Finding our error, Thursday, we called, and learned that their friends really learned about the "new business." It was good advertising, Wanda told the editor. They have "Wanda's Dry Cleaning" business. They are brother and sister

Too—Too—Much

Reading a bit of Greek mythology the other evening. Know what I found? It was about our simple word "tantalize." Seems like some scamp of the long ago got to messin' around with the wife of another mythological figure — and did he get it! He was tied in water up to his chin, with a bunch of fruit hanging over his head. When he reached for the fruit or for water, both receded The culprit's name was Tantalus. Because the treatment was — well, what it was, the word tantalize was born.

Basketball Finished At Schiller, Officials Express Gratitude

Basketball, has drawn to a close at Schiller, league play has ended, and the city tournament has been held. It was a good season with the boys playing over 250 games with veray few displays of poor sportsmanship. This is something to be proud of and we at Schiller want to thank each and every one of the coaches and players for making our season such a success Some of those who we believe deserve special recognition are Bill Wells, Jack Welch, Charlie Kaiser, Howard Henrey, Milton Atherton, Frank Kimrey, Mike Milensnick, Dale Griffen, Richard Coulter, Budd McLaughlin, Denny Whittman, Rev Keller, Carl Creamer, Bob Woodward, George Cappell, Lefty Bingmer, Carl Schrenkeiser, Joe Taylor, and Bob Hoffman

These are the coaches of the various teams in the Junior, Intermediate, Senior, Church, and Young Adult Leagues These men gave their time and resourcefulness in organizing, teaching, and leading their respective teams to a successful basketball season. A final thanks to all May boys who played basketball at Schiller never forget the many values of good sportsmanship that they learned here

I would also like to thank the people who helped referee so many of the games. In many cases they are only teen-agers, but their honesty and judgement were above reproach Some of these boys are Frank Holstein, Bob Parfitt, Bus Crabtree, Bob Beck, Paul Durrington, Harlin Frederick, and Ron Jockell. Bill Wells, coach of the Eagles, was a tremendous help in this capacity

PTA Mothers In Variety Skit

One of the outstanding features of the Mohawk PTA's Variety Show Friday afternoon and evening of next week is a comedy skit called "Let the Wedding Bells Ring"' Mothers are in the cast for the skit, Mrs. Frank Claffey, PTA publicity chairman, stated, plus a "chorus line of PTA motherettes."

There will be two performances, Mrs. Claffey announced. The first performance will be at 2 o'clock in the afternoon and the evening performance will be at 8 o'clock.

Eight Win High Score In Spelling

Perfect scores were made by eight Marion-Franklin High School students in a spelling contest sponsored by the National Office Management Association and held at the school last week.

The national contest was in a program for developing interest in spelling, and the entire commercial class of Marion-Franklin entered the contest Those with the perfect scores were Janice Adams, Ruth Ann Johnson, Mary Conley, Martha Bagent, Shirley Schoonover, Phyllis Fisher, Marcia Hahn, Marilyn Durant.

Spelling certificates were won by the eight students named The contest was conducted by Mrs. Virginia Jones, commercial teacher.

Reeb School Style Show To Exalt Mothers Skill

The Reeb Avenue Elementary School PTA has set up an extensive and entertaining program for its next meeting, which, it is announced, will be held in the school auditorium. The date is set for Tuesday evening, Mar. 20, at 7:30, according to planning disclosed by Mrs. Paul Barton chairman for the style show

And that's what the ladies have planned—a style show. But it is not Mrs. Barton told the newsman, an ordinary style show.

This style show, she continued, will show what some of the mothers and daughters will wear for the spring dress-up. The mothers and daughters have "made their own," to a large extent, one of the mothers said, and they are proud enough of them to show them

Additional plans will mature early enough to fit in with a determination to have a good show, entertaining for the men as well as for the women, several of the members asserted.

We almost lost a phrase which is important to the scheme: The "Paris theme" will prevail in the style show, and this perhaps will provide sufficient introduction to what is to come

Managing comittee is composed of Mrs. Edward Lutz, Mrs. Ray Lockwood, and Mrs. Robert McCalla, with of course, committee chairman, Mrs. Paul Barton, who also handles publicity.

Teachers will provide considerable activity, but details will be ready, it is expected, for next week's Leader.

Slums Can't Be Fenced In . . .

Distant Property Feels Blight Of Slums' Creeping Paralysis

Slum conditions cannot be fenced in That fact is as inexorable as were the "laws of the Medes and Persians" Slums constitute a cancerous condition in the community Like leprosy unattended, slums slowly envelop more and more of a community until what was best in the area becomes as undesirable as was the worst—the body is slowly destroyed by the creeping mess

Money Loss

Let us reduce that to the immediate result of leaving slums unattended, to pursue their destructive way. We will use a single set of figures to point the way to understanding the monetary loss to the city treasury as well as to the owners of property

From the Market-Mohawk area the real estate tax revenue received by the city is $125,000 less per year than it was 30 years ago. Yet, population in the area has increased approximately 30 per cent in that time.

Perhaps a bit of multiplication will drive home most effectievly the financial blight which the slum can impose upon a people

Big Both Ways

There is in the foregoing a suggestion of the human values lost by such a depreciation of financial values The two are inseparable in slum creation and property depreciation The loss is great, both ways. Columbus' main slums have high record for new tuberculosis cases, plunging many helpless people deeper into the slum standard of living, building up the high cost of public medical care Each case increases the financial losses suffered in the area

As each building falls further and further into decay the monetary loss to owners and the city, county, and state rises higher and higher And, the condition goes outward and outward, with decaying fingers choking the financial and moral values until there is little left

Slums cannot be fenced in.

Distance Not Safety

There is here an implied obligation upon each citizen to protect his own home values by stopping the creeping death which slums impose upon adjoining areas. For, experience proves that the limits of slums extend outward and outward, until present well-environed areas shall fall victim to the creeping death

That there will be money cost in slum elimination is well understood, but it is certain that failure to act this year will impose greater costs on the city because of the devastating effects on property adjacent to slums as they grow and grow. Improved property values are expected to retire slum clearance bonds without a tax increase

Between now and next Sept. 25, when bond issues for slum clearance will be voted on, every citizen can do most to protect his own property values by telling others of the urgent need to vote in favor of the bond issue. This obligation rests upon those far removed from the blighted areas as well as upon those near by and in the slum areas.

Slums cannot be fenced in.

She Knew

Mrs. Robert Freedman knew exactly what she was doing when one morning recently she picked up the telephone and called HI. 4-9262. That's so because Mrs. Freedman has been using Leader classified advertising for — O, so long! And, she says, so successfully. It was on Feb. 21 when Mrs. Freedman called the Leader ad taker and put in this classified advertisement:

9 PC. MAHOG. dining room suite, good cond. HI. 4-8377.

There were 21 telephone calls, but only one call, the first, was necessary. Yes, the first phone caller BOUGHT. The other 20 were disappointed. But Mrs. Freedman was glad. Mrs. Freedman says, "I always use the Leader exclusively for advertising; always get results."

Stewart PTA Founders Day Is Social Event

Ready For Birthday Party

Founders' Day at Stewart Avenue School Thursday evening, Feb. 23, gave present-day PTA's a chance to admit admiration for the "PTA fathers," as some one in the crowd suggested to the reporter-photographer. Perhaps it was this spirit which led to Founders' Day being a gala affair in the evening. The part included a candle-lighting ceremony and the cutting-of-the-cake ceremony.

Founders' Day chairman was Mrs. Paul Melrose, with other participants and their titles as follows: inspiration, Mrs. Harold Poeschel; knowledge, Mrs. Russell Watkins; cooperation, Mrs. George Walters; humanity, Mrs. William Schall; wisdom, Mrs. Dale Baum, community, Mrs. Austin Woodward; vision, Mrs. William McDonald, recognition of retired teachers and past presidents, Mrs. Mary Ott.

Following refreshments the evening was turned over to square dancing.

The committee on arrangements are shown a short time before cake-cutting time arrived. Members are, left to right, Mrs. Dale Baum, Mrs. A. C. Woodward, Mrs. William Schall, Mrs. Russell Watkins, Mrs. Jane McDonald, Mrs. Harold Poeschel, Mrs. Paul Melrose.

Music for the dancing was supplied by Jack and Gene Speakmon and Bill Tustin. Lawrence Bukey was the square dance caller.

VFW Kite-Flying Contest Arranged For March 30

Boys and girls of the grade schools of the South Side will have an opportunity soon to try out their skills at building kites for the annual kite derby under the sponsorship of Harrison Post 180 VFW, according to an announcement by Post Adjutant George Hughes this week. The date of the contest is Mar. 30, at 1 p.m.

An annual affair which enlists the active interests of many boys and girls of the South Side, it is expected that kite-manufacturing will quickly get underway following this publication in The South Side Leader.

The area included in the kite flying contest is that part of the South Side extending southward from Mound-st. and including grade schools of Marion-twp, it was stated.

Only those who have qualified at their own schools will be eligible to enter the contest at Southview Recreation Park, Greenlawn av. members of the committee told The South Side Leader. Principals of all grade schools in the defined area have been informed of the contest and the rules governing the contest.

There will be six prizes, it was announced. These will be season tickets for Crystal Swimming Pool. There will be the following classes in the kite-flying derby:

Build Your Own

First group will be boys and girls seven to 10 years of age, the highest sailing kite.

Second group, seven to 10 years of age, largest sailing box kite.

Third group, seven to 10 years of age, largest sailing diamond kite.

Class 2

Class 2 will be composed of boys and girls in the age brackets of 11 to 14 years, flying identical kites as those of the younger group, and the winners will receive prizes identical with those of the younger group as outlined above.

The slogan which must be observed in entering the kite-flying contest is "Build Your Own." Each entrant in the contest, to be held Friday, Mar. 30, 1 p.m., must build his own kite, and this must be certified by the principal of the entrant's grade school. No one without such certification will be entered in the race, the committee announced.

Consolation prizes will be awarded, it was stated.

Plans have been made to serve refreshments to all participants in the kite-flying contest.

Directing the planning for the contest for Harrison Post 180 VFW is a committee composed of Adjutant George Hughes, Past Quartermaster Hart co-chairman, Youth Activities Committee; Neutzling, chairman St. Vincent's Orphanage Project, Past Quartermaster Thomas and Woody Woods.

Principals will have full information, it was stated, and they will provide such information for boys and girls desiring to enter the contest.

Car Title Need Told By Roy King

In order to secure your 1956 license plates you must have your Certificate of Title or Memorandum Certificate of Title, Clerk of Courts Roy King has warned.

New Titles, replacement titles for lost originals, or memoranda titles for cars on which there are mortgages can be obtained at Roy King's office in the court house on the first floor.

Long lines are already beginning to form, so check on that title now and avoid the last minute rush, King urges.

Pat Smith Wins Top Spot In Spelling Bee

Those attending from Marion Franklin were Pat Smith, Becky Jarvis, Mike Ochs, Virginia Gross, Delores Straight, Sonja Neff, Londell Henderson, Clovis Butterworth, David Watkins, Richard Reese.

School champion was Pat Smith and the runner-up was Becky Jarvis.

Extravagant Thoughts

In some college curriculums students are required to write an "evaluation" of oneself. That, it seems to me, is putting it right up to the student to be fair, and it must be quite a chore to write the "evaluation" as it should be instead of what the writer thinks. Hey, where's that first grade?

Ah! 'SNIDE' ATTACK IS THROWN BACK!

Barrett Junior High School's Ninth Annual Variety Show was on the boards for four delighted audiences last Wednesday, Thursday (twice) and Friday, February 29, March 1 and 2.

The occasions were enlivened by a character of disreputable appearance who wandered on and off stage during the program and through the audience at other times. There was talk of having him ejected from the school premises or of having him arrested for vagrancy and disturbing the peace. He was not a South Side person, but came from an outlying community in the North Side.

The cast and direction with the help of enthusiastic audiences made the Variety Show project a financial, entertainment and social success.—Written by —Oh, well, let's not uncover the rep-rep-ro—or whatever we say.

Editor's Note: I know the culprit who wrote the above attack on Principal—I mean on the fellow who made so much merriment, and I want to tell the WRITER that I ALSO LIVE IN THE NORTH END, AND BY Gosh, I'll volunteer to be the clown next year if such attacks or made on the good Mr. N——, that is, the clown of last week. He surely was a Lu-lu!

It's Not "Mom"

Last week the telephone rang often at a Lockbourne and Whittier business place. Really oftener than Wanda Campbell and brother, Jim Seiders, expected it even after having an advertisement in The South Side Leader. When we, editorial department, received the names we thought they were husband and wife (we'd just had a mother-son program). Finding our error, Thursday, we called, and learned that their friends really learned about the "new business." It was good advertising, Wanda told the editor. They have "Wanda's Dry Cleaning" business. They are brother and sister.

Too—Too—Much

Reading a bit of Greek mythology the other evening. Know what I found? It was about our simple word "tantalize." Seems like some scamp of the long ago got to messin' around with the wife of another mythological figure — and did he get it! He was tied in water up to his chin, with a bunch of fruit hanging over his head. When he reached for the fruit or for water, both receded. The culprit's name was Tantalus. Because the treatment was — well, what it was, the word tantalize was born.

Basketball Finished At Schiller, Officials Express Gratitude

Basketball has drawn to a close at Schiller, league play has ended, and the city tournament has been held. It was a good season with the boys playing over 250 games with veray few displays of poor sportsmanship. This is something to be proud of and we at Schiller want to thank each and every one of the coaches and players for making our season such a success. Some of those who we believe deserve special recognition are Bill Wells, Jack Welch, Charlie Kaiser, Howard Henrey, Milton Atherton, Frank Kimrey, Mike Milensnick, Dale Griffen, Richard Coulter, Budd McLaughlin, Denny Whittman, Rev. Keller, Carl Creamer, Bob Woodward, George Cappell, Lefty Bingmer, Carl Schrenkeiser, Joe Taylor, and Bob Hoffman.

These are the coaches of the various teams in the Junior, Intermediate, Senior, Church, and Young Adult Leagues. These men gave their time and resourcefulness in organizing, teaching, and leading their respective teams to a successful basketball season. A final thanks to all May boys who played basketball at Schiller never forget the many values of good sportsmanship that they learned here.

I would also like to thank the people who helped referee so many of the games. In many cases they are only teen-agers, but their honesty and judgement were above reproach. Some of these boys are Frank Holstein, Bob Parfitt, Bus Crabtree, Bob Beck, Paul Durrington, Harlin Frederick, and Ron Jockell. Bill Wells, coach of the Eagles, was a tremendous help in this capacity.

PTA Mothers In Variety Skit

One of the outstanding features of the Mohawk PTA's Variety Show Friday afternoon and evening of next week is a comedy skit called "Let the Wedding Bells Ring!" Mothers are in the cast for the skit, Mrs. Frank Claffey, PTA publicity chairman, stated, plus a "chorus line of PTA motherettes."

There will be two performances, Mrs. Claffey announced. The first performance will be at 2 o'clock in the afternoon and the evening performance will be at 8 o'clock.

Eight Win High Score In Spelling

Perfect scores were made by eight Marion-Franklin High School students in a spelling contest sponsored by the National Office Management Association and held at the school last week.

The national contest was in a program for developing interest in spelling, and the entire commercial class of Marion-Franklin entered the contest. Those with the perfect scores were Janice Adams, Ruth Ann Johnson, Mary Conley, Martha Bagent, Shirley Schnonover, Phyllis Fisher, Marcia Hahn, Marilyn Durant.

Spelling certificates were won by the eight students named. The contest was conducted by Mrs. Virginia Jones, commercial teacher.

Last week the telephone number of Jim and Bill Donahoe of Kuhn and Pennel, Realtors, got "mauled" and was incorrect as it appeared. The correct number is HI. 4-3064. Jim and Bill are now advertising their real estate offerings in the pages of The South Side Leader.

Emmanuel Lutheran Clinches League Victory In Last Game

In the basketball game of the season, Emmanuel Lutheran clinched the league title by downing a hard-fighting Hungarian E & R five 35 to 16. This gave the Emmanuel boys a season record of eight wins and one defeat. The Middendorf boys, Larry, Bob and Joe, scored 29 of Emmanuel's 35-point game total. Fine defensive work by Tom Lewis helped the Emmanuel cause. The boys from Hungarian E&R staged a last half rally, scoring 12 of their 16 points in the last half. David Santo with nine points was high for Hungarian E&R.

Howard Henry

Central Community's boys had a season record of 7 to 0 in the Wednesday night league. Superbly coached by Howard Henry, former basketball star in and around Columbus for many years, the team featured a strong zone defensive and high scoring Kenny Schumacher, plus good rebounding by John Schumacher.

The small boys from Livingston Methodist tied the score 7-all before the bell before a strong Southwood C of C team, 21 to 7. A last half tally led by Willard's Kirby 10 points was just too much for the Livingston five. Kirby was high man for Southwood with 12 points, while the Livingston scoring was divided between David Kuhn, Lester Long and Harold Gravem.

Second place winner Ohio Avenue EUB downed St. John's R&R 38 to 14. Jerry Friebis with five points and James Herd and Dean Coil with three each, led the St. John's attack. For Ohio Avenue, Larry Badger with 12 points, Willard Miller and Rounds with 10 each were the big guns.

In a nip and tuck game all the way, Oakwood Methodist outscored Washington Avenue EUB 26 to 18. The score was 12 to 11 at halftime in Washington EUB favor. Oakwood scoring was divided between Don Sears with eight and Doury and Blazer with seven each. Mike Jacobs' nine points was high for Washington EUB.

Father Time never takes a holiday, it seems, so he's adding a year to each of these folks' ages right about now: Silas Smith, 28 W. Markison-av, Mar. 2; Theresa Siebert, 1588 Parson-av, Mar. 3. William Bittle, 92 E. Moler-st, Mar. 8; Dorothea Spiker, 67 Southwood-av, Mar. 10; Sarah Ritter, 336 E. Jenkins-av, Mar. 11, and Pat Stewart, 242 Jenkins-av, Mar. 14.

Tonight, the PTA of Roosevelt Jr. High will be in session at 7:45 p. m. The theme of the meeting will be "Encourage Youth to Help Themselves." Demonstrations by the school clubs and music by the school band will also be a part of the program.

Happy 12th anniversary greetings to John and Mary Leist, 174 E. Morrill-av, for the 10th of March. It's a little early yet to extend birthday greetings to Mary, but we'll just be the first in line nevertheless. That natal date takes place on Mar. 27.

Women of Trinity Evangelical Lutheran Church are busy with their circle meetings this week. Circles 2, 3 and 5 have already met, and Circles 1 and 4 are holding their meetings today. Circle 1 meets at 7:45 this evening at the home of Mrs. Emerson Herrel, 861 S. Ohio-av. Circle 4 has a 12:30 starting time and will meet at the church.

Miss Theresa Wycosky, 242 Morrill-av, will soon be sailing abroad and making a leisurely tour of Europe upon her arrival overseas. She will sail with two friends on the "Christofo Colombo." Plans are made to tour Italy, Spain, France and Switzerland. The return trip will be made on the "Andrea Doria," in July.

Congratulations to South High's basketball team and to the musical groups who competed in their "regionals" last Saturday at Capital University. Here's hoping that the basketball team continues its "winning" ways, ditto the soloists and ensembles of the music department. Six A-1 ratings were copped at Capital U. by the Near-coached musicians. (No pun intended!) But let me tell you, life gets hectic when an offspring is in both groups and the affairs are overlapping! At the same the other offspring was busy in Barrett's Variety Show, had to accompany her violinist brother at Cap, and they BOTH were in a violin and viola recital Saturday evening. It is a tentative thing as yet, but the gal offspring is scheduled for a TV performance this Sunday, on Jimmy Rawlins' show, in case you're interested.

Belated congratulations to Mr and Mrs. George Mossman, 74 E. Innis-av, for the Feb. 9 addition to their family. It was a girl.

On Mar. 20, at Roch Avenue School, something very unique and unusual will take place at the school. There will be a mother-daughter style show. Not only sewing, but all sorts of needlework, will be on display. In the case of clothing, there will be a style show. It sounds very different, and we hope the 7:30 p.m. meeting time finds a "full house."

A "youngster" of 92 is soon due to change that year to 93, so we hope her mailman has that many cards, and more, to deliver to her 729 E. Gates-st address. The "young'un" is Florence Sweazy and the date is Mar. 27. We're writing about the birthday now, so's to give you lots of time to get a card ready. Hope you don't mind.

Mary and Martha Circles of Gates-Fourth Methodist meet today at 10:30. Members of Ruth Circle are the hostesses.

A four-month span of birthdays was celebrated Feb. 28 by the O'Callaghan family. The reason for this way of celebration was the Ohio visit of Ann Pye, a Florida resident, and a former O'Callaghan who rarely gets to be present at the family birthday gatherings. The patriarch of the group, John, had a January birthday, Julia Wilson had a Mar. 5 birth date, and her husband, Tom, has his birthday yet to celebrate on the 10th. They are residents of 1624 S. Eighth-st. Mr. and Mrs. Willard Predmore have an April and March 3 birthday respectively, and Mrs. John O'Callaghan will have her natal day Apr. 20. The O'Callaghans' son, Daniel, has a birthday just three days before his mother's.

Since it's hoped to have the biggest alumni turn-out ever for the May get-together of South High's grads, we want to do our part in achieving this result. The February class of 1932 is asked to call Dorothea Wolfe Willis, 476 E. Jenkins, HI. 4-2515. The June class of 1934 is asked to call the Gadabout, at HI. 4-1051. Since so many have moved, either to other parts of the city or out-of-town, we'd love to hear from parents or relatives who might still be in the home place. We're sure that's what Dorothea would like, also. When the girl grads marry and change their names, they can be quiet hard to find so help us, won't you, please?

The ailing list includes Wilma Steele Herrel, Edith Everitt who has been in Mercy Hospital, and Irene Lemmon, 1049 Jackson-pk.

We have two items concerning Southernway Chapter, OES, this week. The chapter has a meeting this evening at the South Gate Masonic Temple. The other item concerns the Areme Club of the chapter. The women of the organization are making pretty Easter baskets to be sold at a very nominal price (35c). Any and all color schemes are available and orders are being taken by Lois Wolfe, HI. 4-2515, or Ruth Martin, HI. 4-6767. The profits will be used to help pay on the Eastern Star Home at Mt. Vernon.

March meetings for Trudeau Guilds in this area are as follows: Guild 12, March 7, at home of Mrs. Fred Mason, 205 Hinman-av; Guild 25 at the home of Mrs. Clem Fisher, 1711 S. Third-st, Mar. 7, and Guild 26 on Mar. 13 at home of Mrs. Donald Mayer, 40 E. Markison-av.

Robert Wilson, a student of Mt. Vernon Academy, and the son of Mr. and Mrs. Thomas Wilson, is having an exciting experience at this time. He was one of the members of his school band chosen to play in the Washington Missionary College band in Washington, D.C. He will be in the nation's capital Mar. 8-11.

Mrs. Carl Emmenegger, 1182 S. 22nd-st, will be the hostess when Cloveleaf Club, Leaf 1, meets at the Virginia Hotel, Mar. 15, 11:30 a.m.

Mrs. John Corcoran, 857, Mohawk-st, will be hostess for her group, Leaf 16, Mar 11, at 7:30 p.m.

A mother-daughter duo is among those listed on our ailing list. Helen Hagon, 1617 S. 8th-st, is just home from Mercy Hospital and her mother, Mrs. Ohlinger of City Park-av, is home after a stay in Doctor's Hospital. Mrs. Ohlinger must have an eight-week stay in bed, so we hope her friends brighten up that period with cheerful cards.

Happy to be able to take part in the cultural things of a free America is a young displaced European, Ilga Tillers. She was one of the viola recitalists at the Gallery of Fine Arts last Saturday, Mar. 3. Ilga is a South High School student and a pupil of Vera Watson Downing. Other South Side teen-agers to take part were Clarence Brewer and Donald and Priscilla Dicke.

Rita Stieber had some skulduggery played on her, but she found it very nice. She was the honor guest at a surprise miscellaneous shower Feb. 24. Mrs. Fred Grace and her daughter, Mrs. Michael Shields, were the hostesses and the shower was held in Mrs. Grace's home, 737 Hanford-st. The guests attending were Mrs. W. H. Kettler, Mrs. Ray Lanthorn, Mrs. Ray Rice, Mrs. Robert Burris, Mrs. Harry Stieber, Miss Nancy Norris, Mrs. William Comp, Mrs. Richard Henning, Miss Barbara Klinger, Mrs. Gene Babbert, Mrs. Robert Call and, of course, the honor guest, Miss Stieber.

Oakwood Methodist Church Circle meetings for this week: Ada Duhigg Circle, Mar. 8, 7:45 p.m., at home of Mrs. George Sriner, 1040 S. Roosevelt-av; Lenora Seeds Circle, also Mar. 8, 12:30 p.m., in the home of Mrs. H. A. Fisher, 1101 Miller-av; Emma Wilson Circle, Mar. 13, 8 p.m., in home of Mary Thompson, 1116 Oakwood-av; Marion Cole Circle, Mar. 14, at 1 p.m. in home of Mrs. Earl Tolle, 891 S. Ohio-av.

Guess we're fresh out of news and fingers both! But we don't mind writer's cramps; just keep calling us at HI. 4-1051, and we'll be happy! Till next edition, then, this is

THE GADABOUT.

There's such a nice poem from Mrs. Tom Swisher about a dance Siebert School PTA is to have at K of P Hall that I rue the rule which omits poetry. Looks like there will be poetry feeling all through the evening of this month's 17th day — at Siebert School.

News Of Marion Township

By Mrs. Genevieve Ruh
HI. 3-2657

There was a mistake in one of my items last week concerning the marriage of Eddie Wood.

Eddie is the son of Mrs. Lillian Wood, Yaeger-st., and Marianne is the daughter of Mr. and Mrs. J. Mitchell, Columbus-st.

The Fidelis Circle class meeting will be held Saturday, Mar. 10, at the home of Mr. and Mrs. Leverne Ruhl, 307 Demorest-av.

The Junior Boys Class at Benfield-av Church won the attendance banner last Sunday by having 20 boys in attendance. We hope to have more next week, so we can keep it. Some boys in our class are in Chi-Rho and Chi-Rho is having charge of the evening service this coming Sunday. The Junior Boys Class reporter is Dennis Antle.

The Friendship Class meeting is to be held at the home of Bernice Harvey, 107 Dexter-rd, Mar. 25.

Happy Birthday goes to Donny Meuser, who celebrated his ninth birthday Saturday, Mar. 3.

The Cub Scout Blue and Gold Dinner held at Benfield-av Church, Wednesday Feb. 29, was a huge success, with a very large turn out, with everything imaginable to eat—and no leftovers.

Reservations are being taken for a train trip to Cincinnati, then a steamboat ride down the Ohio River for any Scout Troop or Leaders who wish to go. The train leaves Columbus at 7 p.m. and returns at 5 p.m. May 5. For more information you can call Mrs. Meuser at HI. 4-9707.

There will be a meeting at Marion Franklin High School Mar. 13, 8 p.m., concerning Little League Baseball for Marion Township again this summer. We are planning to have two age groups this year, one being 9 to 12 and the other 13 to 15. Anyone interested in managing teams or umpiring games is urged to attend.

Pack No. 105 held its Blue and Gold banquet Feb. 24, having an attendance of about 200. Leonard Fauver's Trumble Artists performed for them.

Children were entertained at Smith Road School by Flippo the Clown last Saturday at 10 a.m.

OG's Notes

(Continued from page 1)

Man's Inhumanity . . .

Reports from MY South are heart breaking. Human beings are at war. Neighbors, although of different color, are ready to fight each other. If the friendships between individuals could be carried on to mass relationships, how much happier would the South, and all of us be. Like an incident not long ago. Visiting in my South Carolina boyhood town, I asked my host about a colored man who had been a "house boy" (and who was raised in the home) for my host's father. "Would you like to see him?" my host asked. I assured him I wanted to see Oscar. "You will see him tomorrow after worship service." I was told.

Next day, arriving at my host's home after church and being ushered into the "parlor" I found my old friend and his wife. His arms around me, mine around him, his wife planted a kiss on me and then one on Mrs. Host. Yet, en masse, they are enemies. We sat at dinner. I hope they were not contaminated. I was not. Seems like nature got things mixed up pretty bad. My hosts belong to what many call "ante bellum well-to-do's," meaning from families which came through the Civil War with some wealth—called snobs by many. But they are HUMANS and like HUMANS. Happily, there are many biracial friendships throughout the South. May the influence of these prevail.

Open Forum On Parking

Steelton Merchants Association at its Tuesday evening meeting decided to hold an open forum on the South Side parking problem. President Finke of the association announced following the meeting.

At that time James Dixon, superintendent of off-street parking in the city, will be present to advise and explain what has been done under his jurisdiction in other parts of the city.

The open forum will be open to the public, President Finke stated.

Two South Side Men Graduate

Two South Side men recently graduated in electronics after a 50-week intensive course in the Radio Electronic Television School, 78 E. Chestnut-st. The men completed a thorough training in radio—basic electronics, industrial application, and television servicing.

The graduates are Charles Nimbs, 78 Thurman-av, and Paul Hager, 1302 Parsons-av.

Enrollments are being accepted now for another term.

Student Council Flower Day Here

The carnations will be sold for 25 cents and the gardenias for 40 cents. The pupils in charge of selling the flowers are Bill Bower, Bonnie Bower, Gayle Caplan, Roger Clark, Judy Girard, Diana Griffiths, Nancy Hastilow, Charles Krouse, Steve Rounds, Judy Siegel, Tim Woodyard, Don Zauderer.

The State Fire Marshal says "Never leave small children alone in the home for even a minute."

Rebuilt Cub Pack Grows

Cub Scout Pack 31, sponsored by the South Methodist Church reorganized last May and has been growing steadily since, due to the fine cooperation of the committee, Den Mothers and parents.

At their recent Blue and Gold Banquet, held in the church basement on the last Tuesday in February, there was a turnout of some 200 people. Seventy-five of these were the Cubs of Pack 31. Others were members of the committee, den mothers, families of the cubs, and four honored guests.

Community singing was enjoyed, awards were presented by the Cubmaster, and each den mother received a corsage. Honored guests were our district commissioner, Cecil Tennett; Rev. Walter Peters who gave the invocation, and Mrs. Peters; Jerry Richardson, the institutional representative. Also present was the scoutmaster of Troop 31 part of this committee, and several Boy Scouts who helped serve.

The Cub Scout committee consists of the chairman, John O. Leist; secretary, Andrew Brodley; treasurer, Hansel Rice; advancement, Kent Emmert; cubmaster, Jack Kirby; assistant cubmaster, Ben Williams; assistant cubmaster in charge of den chiefs, Kenneth Blair.

Den mothers are Mrs. Edna Shawen, Mrs. Geraldine Fluhart, Mrs. Mary Leist, Mrs. Iva Ryall, Mrs. Vera Rice, Mrs. Ann Blair, and Mrs. Betty Curliss. Taking training at scout headquarters to become den mothers are Mrs. G. Roberts and Mrs. Earl Sturgill.

THE TECHNIQUE OF SERVICE

★ FOR reasons of good taste we do not discuss in public the technical details of our service. From time to time, however, some of our patrons have expressed curiosity on these details, and we are always pleased to explain. Ours is essentially a public health service, as well as one of service to the family. Our operation room is like that of a modern hospital, with the same respectful consideration of the subject and with rigid standards of asceptic cleanliness. We handle every detail of our service with the same spirit of considerateness.

Beauty Aides As Gifts At Demonstration

Beauty-concious South Side Women will be able to get a free gift of "jo portaro's" cosmetics tomorrow, Friday, Mar. 9, and at the same time, view some highly interesting Crosley automatic electric range demonstrations.

The reason for all this is that Buckeye Radio Lab, at 368 E Whittier-st, will have an expert cooking demonstrator for the large number of women expected for the big event.

So just to make things interesting, Charles Dykes, who is the owner of the big store, arranged for each lady visiting the demonstration to receive a valuable package or jo portaro cosmetics—just free, he said, with no strings.

It's a nice package deal — the automatic electric range demonstration and four items of "jo portaro's cosmetics," Charles Dykes said, the cosmetics gift is said to be retail priced at $5.25.

More details are given in an advertisement on another page of this issue of The South Side Leader.

Auxiliary Presents Flag To Girl Scout Troop 78

Receiving Flag
(Photo by Chuck Toth)

Mrs. Mary Poetker, Southway unit No. 144, American Legion Auxiliary, is pictured presenting the American Flag to Girl Scout Troop No 78 Receiving the flag are, left, Linda Boggs and Larry Kay Robinson. The flag was presented to the troop as a part of the Girl Scout "Thinking Day" program. Feb 22 Troop No. 78 meets at St Paul's Lutheran Church under the leadership of Mrs Richard Rausch and Mrs William Cook, Jr.

Dr. Wilma Donahue, University of Michigan psychologist: The present generation doesn't have to do enough thinking. Everything is done for us . . . Less thinking means that only ten per cent of this generation really are creative people."

Steelton Store Lures Scribe As Bargain Day Looms

Excursions always have an appeal, and especially when the excursion takes one into unusual places. That's the way this writer feels after completing an excursion through a well-known Steelton merchandising institution.

The place is, truly, an institution—an historic institution. This is so because the basic philosophy upon which the business was founded led to its success — making available, at stated times, a great stock of merchandise at unusually low prices. Hoermle's Appliances at 1894 Parsons, is a lively example of the claim that people like to trade in a progressive merchandising institution

Going through the vast "forest" of merchandise in the store, we ran into records of annual "rummage" sales—year after year, with prices slashed unbelievably low. Just an example, the writer saw an advertisement from last year in which a rebuilt Hoover carpet cleaner was sold at the way-down-to-the-bottom price of $7.50 We were interested in knowing if he expected to duplicate the item this year. "Right over here," he told us, "and here it is." Sure enough, there were the Hoovers just waiting the opening of the sale—but you'll have to read the advertisements to find out the hour and minute of the opening. See the advertisement in this issue of the Leader.

Everybody was working briskly as we went through the giant institution, to which come people from all over the city and beyond for the clearance sale, marked-down sale—whatever you want to call it Great quantities of high-grade merchandise merely showing a bit of handling because they've been on the floor for display and as samples—this has been cut in price to— well, Hoermle's is maintaining the reputation of years of merchandising in the sale—but, see the advertisement.

Ohio plant pathologists believe some crops are favorable to fungi in that they produce an antibiotic effect of harmful organisms.

GOOD CITIZENSHIP

Good citizenship, like good behavior, is achieved by working at it. Respect for law, religion, others' rights, human needs — these are the essence, the seed from which good citizenship grows. Good citizenship, in turn, like a spring shower, develops new growth of good thoughts and good habits and new values, every increasing in serviceableness.

Cub Scouts Prepare Exhibit For Scout-O-Rama

Boys of Cub Scout Pack 135 of Oakwood Methodist Church are pictured as they manufactured "Cub-chubs" for exhibition in the Scout-O-Rama, which will be held this week-end, Saturday and Sunday, Mar. 17 and 18, in the Merchants and Manufacturers Building, Ohio State Fair Grounds. Cub chubs, according to Fire Department Lieut. William Seitz, pack committeeman, resemble a small minnow and can be used as bait. The lieutenant, who gives much time to scouting, is also a member of the Central Ohio Council, which consists of nine counties, and chairman of the health and safety committee of Mohawk District. In the picture are, left to right, rear row, Pack Committee Chairman Hollis Dunning, and dads Ted Coons and Bill Shore, who show the boys how to use the proper tools in making their crafts. Cub Scouts, left to right, are Kenny Smith, Ted Coons, Jr., Billy Shore, and Tommy Griner.

S. Side Man Elected Head Of Foremen

Colmore E. Ford, 941 E. Whittier-st, has been elected president of the Foremen's Club of Columbus, according to a report issued during the week. Although the election is held in March, the new executive will assume office in June, a lapse of time being allowed for the newly ascending president to familiarize himself with the many details necessary in filling the position. Ford is a veteran of World War II, member of Emmanuel Lutheran Church, a native of Columbus. He joined the Columbus Coated Fabrics Corporation in September, 1935. After service he returned to the job in 1945, and was appointed foreman in 1950.

Son Of Former S. Side Family Wins Honors

Jim Andrews, a former South Side boy whose parents were well known in the area, recently graduated from Jordan High School Los Angeles, where he received of gift as the outstanding student of the class of 1955, according to a clipping given to The South Side Leader by Henry A. Barry, 33 E Gay-st, a long-time friend of the family. He said the family attended South Methodist Church.

Barry told the Leader man that the parents Mr and Mrs William B Andrews, were long-time residents of the South Side, living at 353 Sheldon-av, which was the home of Mrs Andrews who before marriage was Margaret Ann Eli

About 12 years ago the family went to Los Angeles to live Prior to going to California, son James attended local schools in the first two grades, continuing in Los Angeles, where he finished junior high and high school with all the honors available, including Lions Club and DAR awards when he finished junior high During his three-year high course he earned a 4.0 record, or all-A

Top recognition came to the boy who started school here when he was awarded a full-tuition scholarship in the University of Southeran California, where he now is studying dentistr

Barthman Avenue, Hosack Street May Have One-Way Traffic Plan

While South Side business men, like business men in other sections of Columbus, are seeking a solution to parking problems to encourage buyers to shop in their districts, a statement by Otto Meier, chairman of the Columbus Traffic Commission, indicates that the commission is moving along a well-defined program to alleviate some of the traffic problems

Chairman Meier's statement was given to Tom Sharp of The South Side Leader at last week's monthly meeting of the Steelton Merchants, which has instituted a study to determine what the merchants can do to solve the serious parking problem in their area

Two highways, said to be the most heavily traveled in the area at this time, Barthman and Hosack streets are believed to be the first in the area to be put on a one-way basis. When and if these two streets are put on a one-way basis, according to the commission chairman, it will not be the result of a hasty decision The commission, Meier said, has been making surveys on these streets and a lot of other South Side streets, as well as of other streets throughout the city, and whatever action taken will be the result of facts found through making the surveys

The two streets mentioned by Meier are not to be alone in the changes—just the first on the South Side probably, to go under the one-direction traffic-flow order when it is issued He stated that following the completion of the surveys, action will be taken as need for changing the rules are indicated in previous public appearances and comments, Commission Chairman Meier has indicated that personal opinions and personal preferences cannot be the controlling factor—that the free and full flow of traffic is the important phase, and the commission will follow the recommendations made by experts on the ruling concerning the streets to have one-way traffic

Some problems may remain in the South Side, Meier said, referring to offsets at Parsons and some offset crossing streets, similar to the High-st and Thurman-st offset street crossing, which has been working very smoothly since time changes were made some months ago.

Prearranged Funerals Find Sponsor Here; Pioneered Field

One of the major business programs of the country, a program with much activity here in the South Side, involves disposal of the human body after death Several important links were connected in an interview with the William E Cooks senior and junior who operate Cook & Son Mortuary Crematory on Parsons-av

The major item which interested the news man is that of prearranging funerals There's nothing new in this, the Cooks told the Leader newsman, since for many years, going a long way back, men of means generally made arrangements for the care of their bodies after death That was particularly true say, 50 years ago and it is even more popular now, with people who can afford to tie up the funds for a few months to a number of years In the mortuary field it seems that many can and do follow this practice

Ancient Custom

The Cooks raised the point that the custom is not new—indeed, it is practiced more in some parts of the world than here That, they pointed out, is because of the economic factors Arrangements are made in advance to have funeral pyres built by friends and professionals for whom these making the arrangements had performed similar services

In the interview it was learned that here in Columbus there are two courses, or the two may be combined into one The most popular is that of arranging for the kind and price funeral desired and paying for it in advance either in cash or payments until the total is paid The money is placed in escrow, to be untouched until the person dies

When it is required, the firm will secure insurance to cover the cost, although they said it was too expensive, recommended only in special instances

Avoid Pressure

Benefit derived from prearrangement for funerals is that members of the family will escape pressure to go into debt for a funeral costing in excess of ability to pay The business having been previously arranged, much useless mental strain at the time of deep sorrow is obviated

Talk drifted into other phases of the disposition of bodies, and some interesting facts came up about California. A great many Californians seem to prefer cremation to burial. Some smart sharps" in the mortuary business decided to make this payoff in doing so, it developed, they made a huge profit Legislation having been passed requiring the "burying" of ashes of loved ones, the price of burying ashes jumped to the price of a funeral. Then, it was stated in a magazine article not long ago the "smart" boys built mausoleums and charged high prices for a little niche for the ashes of the body of a loved one—and then, the funeral director said, they visit the mortuary conventions and boast of their shrewdness

Review Of Schiller Sports

The representatives sent to the inter - center basketball tournament from Schiller carried our banners will. These three teams displayed the finest sportsmanship possible in winning, and, what is even more important, in defeat

Central Community Church was the Junior Boys team which entered the tournament Their first opponent was Eleventh Avenue, and they won 54-8 Kenny Schumacher netted 34 points for Schiller In the semi finals, Schiller played a well-coached team from Beatty and won 35-23 with Kenny Schumacher again leading all scoring with 20 points Schiller then met a fine Glenwood team in the finals, but were on the wrong end of the lop-sided score of 46-24 Central Community is coached by Howard Hendrey, who did a wonderful job with the boys and is an asset to any league he is coaching in

Impossible?

The Intermediate boys champion, Brookwood accomplished what everybody thought was impossible for them to do. Crippled with their top scorer being sidelined with a sprained ankle, they didn't seem to have a chance to win their first game There were seven other boys on that team however, who had the heart and determination to give it all they had and they won the city championship In their first game Brookwood defeated Eleventh Avenue 54-13

So What?

Their next opponents were a larger and more experienced Glenwood team, but this didn't dampen the spirits of Brookwood boys They won 34-27 In the finals Schiller played Beatty and the game was one of the most exciting of the tournament. Jack Lucks and Bob Dameron played near perfect ball to lead Brookwood to a 32-28 win Brookwood team roster is Jack Lucks, Bob Dameron, Neil Noetlick, Dick Butler, Jack Kearns, Bob Newell Dave Neppert and Jack Hornburger Denny Whitman is their very fine coach

The Blackhawks, who represented the Senior Boys, got off to a fine start in the city tournament by defeating Eleventh Avenue 35-41 It was their second game however, that they ran into trouble and lost to Glenwood, 40-35

Dedication

When the great number of people who devote so much of their time to helping the crippled, to assisting the blind, in alleviating the distress of old and young—when the great volume of kindness to unfortunate humanity is understood, it is easy to take a new view of the future Where there is so much kindness it is certain to leaven the future with its rich influence.

Destruction

Destruction goes on around the globe—unhappy people, stirred by agitators - for - hire, destroy property, lives, and, worse, the happy future which others might have but for the wreckage of the present. We should be glad we have a law-and-order citizenship, although sometimes the top layer seems to be very thin.

Year of Discourtesy

This is the year of discourtesy It is the year when men who see each other daily, who know each ot' ' well, berate and make silly charges against each other . . . just because it is an election year. How beautiful would a political campaign be if calm, dispassionate reasoning prevailed! But, wake up! That's a hopeless dream:

Listen for the Birdies

This comes under "'getting ready for Spring" . . . passing 268 Moler the other day, saw a familiar face, 'twas that of Charles Motter, he was adding a new porch for Edward Kauffmanns.

Worms the Soul

One of the things I like about "revivals" is the singing . seems to me all the real beauty of the ages is in the music associated with religious activities. And it need not be the "big time" of the great metropolitan churches—just a group of sincere singers digs deep into one's consciousness . . . The thought arises in conversation with Rev. W. H. Raper, South Side Baptist Church, who is planning a revival beginning Mar. 18 . . . and tells about it in an advertisement in today's South Side Leader pages

James Dixon Expected To Advise Merchants On Parking Problems

James Dixon, superintendent of off-street parking, will speak to the Steelton Merchants, probably at an open special meeting, when he is expected to tell the members of the organization how they can proceed to acquire parking space for shoppers in the district

The problem has been one of increasing importance to the merchants and professional people in the district, it was stated, and following a recommendation made to the group last week by Otto Meier, chairman, Columbus Traffic Commission, the organization invited the off-street parking superintendent to speak to them and outline what others have done which might be applicable to this area.

The need for this action was accentuated by a statement by the traffic commission chairman, when, discussing the traffic problem, he pointed out that certain South Side streets will within the not-distant future, become one-way streets To this he added that the time will come when parking on Parsons will be prohibited.

This, it was stated, accentuated the need for early action, and it is expected that the Steelton Merchants will soon announce the date for the open hearing, or open forum.

Slum Area Tours Being Offered

Lawrence M. Irvin, director, Department of Slum Clearance, has announced that conducted tours of the slum sections of the city are being offered, effective immediately

The director told The South Side Leader that the tour will be through the Market - Mohawk, Children's Hospital, Goodale, Leonard-St. Clair areas, all having been cited as needing to be cleared and redeveloped through an organized slum clearance program.

Tours have been arranged, it is understood, for the purpose of acquainting as many people as possible with the conditions which slum clearance bonds to be voted for next September 25 will help eleminate while "restoring a healthy living condition for thousands of families," and at the same time "restoring better values to real estate, thereby increasing assessed value of property which now is so low as to cost the city money, while providing low returns to owners and low morale to occupants.

Mrs. C. R. Willis, president, United Church Women, has joined other civic leaders in urging men and women to use the new facilities to inspect the slum conditions which funds to be voted on in September are intended to change.

Announcement has been made that airport limousines and city buses will be available for the tours, for which reservations may be made by calling the Department of Slum Clearance, CA. 1-2211, Extension 260.

In Passing

By Esther Weakley

AURI SACRA FAMES

Clouds are spilling
And rains are chilling
The earth to a dull, dark grief.
Winds are sighing
And trees are trying
To cling to a last, lone leaf.

Words are colder
And tunes are bolder
And songs have a high harsh ring.
Yet poets whose purses
Are nourished by verses
Must shiver a sonnet to spring.

A friend in the south always shares early spring with us. Yesterday, this year's allotment came — jonquils, pussy willows, and a bag of sassafras. Each early autumn she sends bittersweet, hickory nuts and her first fruit cake of the season. She and her husband live on the top of a mountain overlooking a lot of other mountains. They are not on a traveled highway so their mail delivery is uncertain in the winter, as is their radio. They have no television, and their nearest neighbor lives about two miles across the 'holler." A winding road goes to their farm and ends there. One day last summer a tourist got lost and had to turn around in their barnyard. He was a fussy little man and was on edge and nervous because he had lost a whole hour getting on the wrong road. They heard him say he wondered why anyone would want to live in that out-of-the-way place, so far from civilization. Our mountain friends once lived hectic lives, right in the middle of a lot of alleged civilization— in Chicago to be exact. Now their lives are not cluttered by a lot of things they thought then, were very important. They have time to live now. Then, they were too busy. Theirs is a good life if you can have it. And minny and minny a person would like have it—me included.

South High's Saturday Vilctory Leads To Playoff Friday

South High Coach John Colmery's Bulldogs last Saturday night fought its way back from an underdog position until it rode the crest and became co-champs with North High in the Central District Class A.

At the half the boys from the South Side were 14 points under the Polar Bears and continued to trail, 61 to 57, with 66 seconds to go in the fourth period. At that point things began to happen with the final result South winning the right to go to the Northeastern playoffs at Berea this Friday night.

South's heroics were shared by George Devlin and Billy Green, who had been the Bulldog stars throughout the tournament.

Devlin hit 14 points in each half and Green made a pair of last-minute baskets to create the tourney's only overtime.

Felix Borowitz and Chuck LeBel led St. Charles to a staggering 31-17 lead at one time in the first half, while John Dorrian and Leo Gutman kept South in hot water throughout the second half.

With 2.23 to go, St. Charles led 60-55 and had it all but wrapped up with a 61-57 margin, 78 seconds from what would have been the end—before South's Green hit twice within 12 seconds to tie it at 61.

Hal Ward and Dorrian exchanged overtime goals before Devlin's two free throws, and another by Ron Allen gave South the edge. It was still only 66-64 with 22 seconds to go when Devlin again made two foul shots.

Coach Colmery told The South Side Leader that if his boys win in Berea Friday evening, they will still have to win another game Saturday afternoon to earn their way into the tournament. The game in Berea this Friday evening is with Cleveland South.

The Saturday night game climaxed a week of victory, with wins over Newark No. 8 ranking in the state, and then St. Charles.

Barrett Ends Season With 55 To 38 Score

Barrett Junior High School's basketball team took the final game of the season from Eastmoor Junior High School Wednesday afternoon, Mar. 7, at Eastmoor. Barrett took the lead in the first quarter and kept it and increased it. The final score was 55 to 38. It was considered a good game for second and third string players, for everybody got into the game.

Jim Marshall led the scoring with 15 points, Charles Washburn was second with 13, followed by Cummings (8), Miller (8), Daily (6), Wollett (2), Guyet (2) and Crow. Sinkford, Kerns, Campbell, Cook, Watters, Bishop, Noble, and Young were in the game.

Orem, with 14 points, led the scoring for Eastmoor, followed by McKee with 8 points.

Barrett won five games out of the season's twelve, but the five wins came in the last six games, showing a definite gain during the season's efforts.

Graduation will take Marshall Cummings, Daily and Miller from the lineup for next fall and winter but the long string of Coach McCualsky's hopefuls can be expected to make up the difference.

Parent-Teachers' Club met Mar 6. After the business meeting the group present was treated to a basketball game played between the school champion team from Mrs. Roscoe's seventh grade and an all-star team made up from players in different grades. The all-star team won 32-29.

The volleyball tournaments ended in success for the seventh grade in Mr. Ary's room. Both boys and girls won their respective tournaments.

Through the generosity of the PTC a movement was set on foot to improve the teachers' lounge by purchasing new furniture. As one thing leads to another, both lounge and office have been repainted also, and rugs cleaned. Both rooms are much more attractive now.

Mrs. Willis' fifth grade recently shared with the other grades their puppet production of Rumplestiltskin.

The spelling championship of the upper grades has been won by Beverly Williams of the seventh grade. She will be representative of the school at the sectional spelling events at Obetz. Others who also will represent the school are Jane Reese and Karen Wilburn of the seventh grade, and Diane Gaffin, Paul Womeldorff, and Judy Yonek of the sixth grade.

Devoted Group Find Fun Helping

The Tri-Monday Guild will meet Monday evening, Mar. 19, at the home of Mrs. Harold Bauer, 261 East Welch. This Guild is comprised of a group of women who work together raising funds to do good where it seems most needed. At the present, a ward of women at Alum Crest is being given a monthly treat of ice cream, cake and table favors—on holidays, a small gift. Needy families are given a basket of food each month; a family is adopted at Christmas, and helped with gifts of food, clothing, and toys.

The Guild has a bazaar and games party each year to raise funds for their projects and a meeting is held on the third Monday of each month. In doing their bit to help the needy, the members of the club have a good time an thoroughly enjoy themselves, they report. "Secret Pals" for the past year will be revealed at the March meeting, so the president, Mrs. James Tapia, is hoping every member will be present.

O.G.'s Notes—

(Continued from Page 1)

got out in a hurry . . . reason, too much work going on there for me . . . might put me to work . . . They're getting ready for the annual rummage sale . . . those low prices will be available this Friday morning . . . O, yes, and a visit with the Cooks of the funeral home . . . wanted to see if Senior Cook was still shivering, from a few nights previous when we met in Schiller grounds while going in to South Side Council dinner . . . I was cold . . . I knew he had every recently returned from Florida—why, he wouldn't tell me. He was as cold as I was, but had thawed out by the time a big chicken dinner had been eaten and so had I. There's a story about the Cooks in this issue. Senior and Junior—they're nice to interview.

"Thanks for the notice about our Circles in the issue of Mar. 8. We also enjoyed seeing the picture of the John DeLong family. They are members of Oakwood." — Secretary Oakwood Methodist Church. Thank you for the bouquet.—O.G.

Two South Side families are listed among the Florida vacationers at this time. Mr. and Mrs. Harry Messer are basking in the sunshine by now and the Ringhiser clan should be doing likewise in a short time.

Congratulations to Mr. and Mrs. Lee Hetenhouser, re the arrival of Linda Marie, last Thursday, in Mt. Carmel Hospital.

Our sympathy to the family of George Koetz, a former Gates-st resident.

Didn't mean to overlook the birthday of a good little friend of ours last week, but it doesn't seem possible she's gone and gotten a year older! We're speaking of Mary Beth Whitacre, now a young lady of 14 years, who had a Mar. 6 birthday.

The ailing members of the community that we know about are these: Mr. and Mrs. Silas Smith, 38 W. Markison-av; Norma Vanscoy, 1412 S. Fifth-st; Madge Reynolds, 1741 S. Champion-av. Mrs. Ralph Burrus, Sr., 309 Kossuth-st, who is on Room 300 of White Cross Hospital; Mrs. Edith Everitt, who is in Room 105, Mercy Hospital.

Livingston-av PTA members will be busy tomorrow night, for they are having their winter Fun Frolic from 5 until 9:30 p.m. A snack supper will be served, plus games, fish pond and cake walk.

We're putting out a call for empty cottage cheese cartons and we hope someone hears. Margie Speakmon is endeavoring to fill Easter baskets for some of the children at Orient Institute and needs over a hundred. She had just a few saved up and would appreciate some help on the project. She'll gladly pick the cartons up if you'll call her at HI 4-0832. We'll go a step further and suggest the "fillings" for the baskets too, as she plans to hear that expense alone! (Margie has had unwanted excitement recently, for her son Raymie cut his head open at the "Y", requiring stitches to close the wound.)

Michael Joseph Martini, 1626 S. Third-st, probably won't remember much of his first year birthday party, but it was really a nice one. Forty persons gathered at his home Mar. 2 to welcome him into the "year" category. Ruth Circle of Gates-Fourth Methodist Church will be selling home made soups today at the church. For those yearning for this delicacy, sale time is 11:30 a.m.

Paul and Ruth Friebis, 1548 Oakwood-av, are another duo from this part of Columbus who are relaxing in the peninsular state of Florida. The Friebis' plan to spend two weeks there.

Happy birthdays are in order for Ethel Weber, Isabelle Coslett, Linda Junk, Sybil Curry and Charles Mason.

Don't forget the Scout-o-Rama this week-end at the Ohio State Fairgrounds. It's well worth your time and effort, for a lot of thought and planning go into its execution.

Two sisters will be among the New York theater-goers from this part of the country, from Mar. 18 to 24. Lucille Vance and Mae Dean are busy doing last-minute chores and are eagerly anticipating their vacation jaunt to the nation's largest city. While there they'll see four Broadway productions and will meet some of the actors. They'll also visit the UN, tour Manhattan, go to Radio City Music Hall, and do a little night-clubbing. They will stay at the Paramount Hotel while in the big city.

Another reminder to parents in the Reeb Avenue School district that there will be a mother-daughter style show at the school Mar. 20 at 7:30 p.m.

A January grad of South High School would like to hear from his friends and neighbors, so we're happy to act as his intermediary. Robert Thomas Long, 1240 S. Ohio-av, is now in the navy and stationed in Maryland. His address is 5727609 26th Bn., 2nd Regt., Co. 092 USNTC Barracks 231 Lower, Bainbridge, Md. Robert is the son of Mr. and Mrs. Carl D. Long of the Ohio-av address.

Didn't notice until we started scanning our notes, but two Markison-av residents, near neighbors, are on the "mending" list. Mrs. Rose, 239 E. Markison, had a back injury, but is now at home and wants to thank her friends for all their kindnesses. She would welcome visitors, feeling that much better. John Schick, 238 E. Markison-av, was hospitalized for four weeks in Grant Hospital and he too, would like to thank the many folks who remembered him with cards, visits, flowers, etc. We're glad to report he's feeling better and is once more at home.

Mr. and Mrs. Harold Hagemann of Stanley-av have a new son, one of those individuals who have only one-fourth as many birthdays as us ordinary "hooman-beins'." Yep, a Feb. 29er!

Buss, Genevieve and Carolyn Wiggins will soon be West Side residents and we hate to see them moving. However, they have a lovely home at 1975 Sullivant-av, so we're happy for them for that reason. The women folk of the Wiggins household are in the midst of Carolyn's November wedding plans, too, so they really have a lot to think about these days.

White Cross Hospital Guild 33 of South Methodist Church meets today in Henderson Hall at 10 a.m.

Mohawk PTA members will present their variety show twice tomorrow, afternoon and evening, at 2 and 8 o'clock. There will be a comedy skit and chorus line of "motherettes," to highlight the many acts.

An 82nd birthday will be the special event for Mrs. Anna Gray on Mar. 22. Mrs. Gray has been ill for some time, so it would be doubly nice to send a card to her home, which is 1386 S. Fifth-st.

Seems as if those Balls just take turns bouncing in and out of the hospital! Well, we hope Forest Ball's recent trip was the last for a little while, at least.

"Family Night" will be held at Heyl-av school tonight at 7:30. The school will be presented with a flag by the Peter L. Gropher Woman's Relief Corps of the GAR 356.

Say, South's basketball team is still in the running, but there sure will be a bunch of cardiac deaths if they keep winning in the fashion they have been! Don't know about anyone else, but the Lenox clan were "weak" after last Saturday night's fling-ding. Boys, don't do that to us, we're getting old! St. Mary's winning its game sets the whole community on its ear, for no other part of Columbus can state they have TWO winners.

It's not had enough to get older in the traditional manner of one year at a time, oh no! Our South High son came home and said, "Mom, I put you down as a 1927 grad of South. Was that right?" It's bad enough being a 1934 alumna, but really! Wonder if Marysville treats their murderesses very kindly?)

Guess we wrote about everything we had notes on, so we'll skedaddle till next week. Don't forget, our phone is HI 4-1051 and we'd like to hear from you. Till next time then, 'tis

Telephone advertising is still going strong. Last week I was called by a breathlessly excited lady who just couldn't stand it till she told me my number had been drawn to receive a fabulous coupon for a gift! First I had to answer a very simple question. The question was "Who was the first President of the United States?" She received my answer ("Henry Clay") with stunned silence. Now I guess she thinks I'm not very bright. She is right.

The livestock and meat industry is concentrating on giving consumers the kind of pork products they desire by urging farmers to grow meat-type hogs and processors and retailers to trim more fat from pork cuts.

J. C. Penney Company To Have Big Store In New Mart

The anticipated addition of its seventh metropolitan area store has been announced by the J. C. Penney Co., and the Don M. Casto Organization. The new store is to be built in the Great Southern Shoppers City, to be built this summer at South High-st and Williams rd, according to Don M. Casto and Don M. Casto, Jr., developers of the new shopping center. Floor area will be at least 30,000 square feet, the announcement said. Pictured above, the new building will have 180 feet frontage with a depth of 225 feet, all on one floor, it is understood. It will be the 78th Penney store in the State of Ohio, according to Jay Gilliat, advertising and publicity director for the Penney Company. Items carried in the new store will, according to the publicity release, include women's coats, suits, dresses, sportswear, millinery, foundations, children's and infant' clothing, men' clothes and furnishings, work shoes, luggage, home furnishings, draperies and yard goods.

Details Of Newspaper Making Demand Specific Knowledge

Making a newspaper presents many problems peculiar to the newspaper field. Unlike many businesses, making a newspaper involves hundreds of little details which are integral to the business, but which pass unnoticed by the reader.

Making a newspaper starts with securing copy for the news columns of the paper, and with securing copy for the advertising essential to the life of any newspaper. Advertising copy preparation begins with a layout and then with filling in details of the merchandise or service being offered. This is meticulous work and requires much educational preparation, much understanding of merchandising and of the motives prompting most purchases. Look at the advertisements in this issue of The South Side Leader and check what is printed here with the display advertisements, and see for yourself how many operations are necessary before the advertisement is ready for the paper.

Composition

Now that the copy is finished, it must be "set up" so it can be printed in the paper. Therefore, the copy goes to the composing room, where various parts of the advertisement, if it be a page or half-page advertisement, are given to the various printers, hand composers or linotype men, who are to "set it" (put it into type), before it can appear in the printed page as you may see it now.

News

Let's step over here to the news department. Here we find a longer process, a different process. In the news department we find each mail bringing in items which the senders hope will get into the paper's columns. Many of them do get printed, but a great many more do not get in. It can be said without reservation that, except for an error or because of the paper being oversupplied with copy, all the real news finds a place in the newspaper. Of course, it may not appear to the sender like it looked when it was put in the mail. This is so because there is an accepted style for handling "news" — a style about which most people know little or nothing. For newspaper making is a specialty.

Then there is another reason why much that is mailed or delivered to the newspaper does not appear in the paper. This reason many people consider "news" anything they want to see in print. But editors, with a lot of experience back of them in sensing news, and wanting newsy material to fill the paper must disagree, and he omits the "copy" from the paper.

Not News

Many items reaching a news editor are about things which are not in any sense news. To illustrate. Recently there came to the desk of The South Side Leader a sheet of paper on which was written these words. "Important NEWS RELEASE" For use in the immediate issue." And then, the story! The "story" merely stated that a certain athletic training concern was doing business at the same old stand and that prices were right. Needless to say (but we'll happily say it), the waste basket had to open its maw to another "lost use".

Then there are others, where the event can be of no possible interest to more than a very little group—of no public interest, these the editor must discard, even though he is conscious of the "cussing" he'll get either in words or tone.

Little Details

There are a lot of little details associated with the making of a newspaper. An example is this: How many letters, individual letters, are used in a one-column line of type? Wait! Don't count 'em—not now, for a moment! You've been reading your South Side Leader for a long time, but the chances are that if you made a guess without counting carefully you would be way off. Now, if you haven't peeked, count the letters in each of several lines of this story. Count each space between words as a letter. What did you get?

If you counted sufficient lines to give a correct average number of letters per line, you find that the average letters per line total 31. Now, let's go on from there. In this type you're now reading, there are eight lines to an inch, so, eight times 31 brings us to a total of 248 individual letters to an inch or eight lines. On the front page, which is shorter in type columns than on the inside pages, a column measures 19 inches. So, 19 times 248 will give us a total of 4,712, which is the number of letters in a front-page column of solid reading matter.

It should be remembered that for each letter a finger had to touch the "key" of a linotype machine, and if an operator touches.

But the limit on this story has been overstepped and we'll have to do more of it at another time.

Door prizes will be two tickets to Washington, D. C., on the Cherry Blossom Tour. Chairman Weiler said tickets are to be available at the door.

League's South Unit To Meet

The South unit of the League of Women Voters of Columbus will meet Tuesday, Mar. 20, at 8:15 p.m., at the home of Mrs. R. E. Robertson, 531 E. Moler-st.

Mrs. George Maines and Mrs. Seymour Gorchoff will lead the discussion on the school foundation program. "The tremendous problems of our public schools" will be considered, together with the new state aid plan for the solution of these problems, the announcement stated.

Women To See Two-Side Broiler

Monday, Mar. 19, offers women of the South Side a happy beginning to their week's activity, if they will go to see an unusual demonstration at 959 Frebis-av. There are two important reasons for this: One reason, at the demonstration, in the Arrige Hardware & Plumbing store, they will see the delight of a woman's heart: it's a new Norge Vertical broiling range which broils both sides of a piece of meat at the same time—a Norge innovation which has caught the fancy of housewives by storm throughout the country, it is reported. Then, to top things off, every lady attending the demonstration will receive a free gift of the highly popular "io portare" cosmetics. And these are two mighty good reasons for the large crowd expected to see this "miracle" demonstration." Place: 959 Frebis-av. Time: 9:30 a. m. to 4 p. m. Monday, Mar. 19.

Accepts 'Speech' Bid, Cap Hoover Finds Trick To Do Him Honor

from . . . . .
O. G.'s NOTES

Miles Van Hoover, or "Cap" to most people who know him, recently was invited to deliver an address at the regular meeting of the Barrett Junior High School PTA on Thursday evening of last week. Being the kind of man he is, Cap accepted the invitation to be of service. It might be called the speech that was not delivered.

For Cap Hoover had walked right into "it." The story would be better if we had a couple of columns to "put it all in." Until he had arisen, in response to his introduction, and was ready to deliver his speech, he had no idea that he was not to make the speech. It was about then that Clyde Moore let him have it: he was not to make a speech; he was to listen to a number of people tell what a fine man Hoover is

"Cap" Hoover listens to the story of his useful life as Clyde Moore reads from the record.

Honor Session

For this was on occasion of honoring a man who had done so much for others and for the community, that citizens wanted to honor him and tell him "to his face" what they thought of him. And that, Cap will agree, was plenty, as he alternately experienced wonderment, surprise, and, perhaps, some embarrassment

Not many hours preceding the meeting, the Leader newsman talked with Cap Hoover by telephone, and assured Cap that his speech would be listened to with great interest But Cap told us that he would not make a long speech — indeed, he would not make a speech—just give a little talk He hasn't given it yet

Cap Hoover had to stand and then sit according to what was being said about him, and found his mother and others, his brother and sister and their children, who had unknown to the South Sid YMCA executive secretary, been hidden behind the curtain, coming out as the program called for their appearance.

Cap Hoover's life was paraded before him in words, his deeds of kindness, his deeds of helpfulness, his generous assistance to other through his life—a group of people showing their affection for a man who has done much for individuals, for the community, it was emphasized

And Cap did not get a chance to deliver his brief prepared speech.

He was too busy doing what he was asked to do, moving here or standing there, or sitting with his mother—he was an obedient man embarrassed because of the kind things said about him and to him He seemed to be much at home sitting on the couch with his mother Mrs. Grace Glenn Hoover

Among the names appearing on the program, and who were in the program are these: Jean Alspach, Ann Whittington, Robert Nash, who had something to do with arrangements, Elmer Becker; Ezra McCullough, John Pontius, M. L. Dickerson, and many others Every important activity of his life seemed to be repeating itself in words as he listened to one person after another extol his friendliness, his virtues, his accomplishments. Yes, there was, among so many others, Mrs. Fred Grace, president, Barrett PTA

The script was bound in an attractive book shape and all details of the book were over the signatures of Clyde Moore, master of ceremonies, Robert L. Nash, principal of Barrett; and Mrs. Fred Grace.

Cap Hoover has a copy for himself

Everybody else had a good time at the meeting Most thought Cap Hoover was happy, too. Everybody wanted him to be.

Lovely Little Ladies

There is a group of lovely little ladies—very young, very nice I want them to see their names in print in O. G.'s column for a nice "book" they sent to me. On the first page they wrote

"Dear Editor

"The girls of Brownie Troop 329 wish to thank you for printing the news of our meetings. We are putting the clippings in our Brownie scrapbook." Then they signed their names and if I misspell some of them please remember that they are very young and maybe I can't see very well Their names Cherryl Dear, Ruth Groezinger, Linda Ellfrit, Judy Valentine, Tari King, Jo Ellen Beals, Jone Sanders, Judy Salser, Lyasa Morris, Barbara Bay, Nancy Tomsic, Janice Hoover, Trudy Green Jerry Mullen, Jane Pope. Then Mrs Richard Pope, leader, and Mrs Donald Salser, assistant leader, signed their names Thoughtful little ladies they gave these four names: Paulette Dupler, Mishie Golden, Virginia Janey, Deanne Triplett, and this addition to the note: "These girls were absent, but I'm sure they would like their names on this note of thanks."

Dear Little Ladies You are lovely. Thank you

O. G.
